72 WAR VETS REGISTER FOR COMPENSATION

Cleanup Squad Will Conduct Disability Examinations in Federal Court Room.

The first day's sitting of the cleanup squad from the veterans' bureau brought a large number of former service men having compensation claims for disability to the front, and 72 were registered with the officials at Veterans' hall. The squad was a little late in starting Friday morning but the work will be resumed at 9 a. m. today (Saturday) owing to the lack of room at Veterans' hall.

to be added. The registration and final rating was made at Veterans' hall but owing to the lack of room the Red Cross offices in the Ford building were used for medical examinations and a room across the street from Veterans' hall was used for the affidavit officer.

Boys Are Entertained. Mrs. Harriet Carrier, secretary of the Cascade chapter of the Red Cross, assisted the men in registering and filing their claims, and expressed her gratitude for the co-operation received from the various organizations of the city in caring for the former service men.

FINAL NOTICE

The price of our Share Units will be advanced Monday, October 17th, at 12 o'clock noon, or Units will be withdrawn from the market. This is our last notice to you of this change. If your letter inclosing check might not reach us before noon Monday, better wire your order.

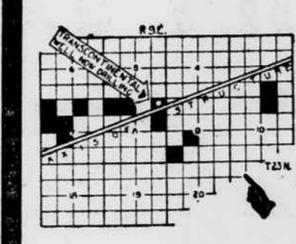

The Fort Benton structure, under lease to the Transcontinental Oil Company, promises to become the greatest oil field in Montana. Drill now down 2270 feet and thought to be resting on cap rock overlying Ellis sand, where geologists expect to find the first commercial oil. Casing being set and preparations made for a big strike.

When the Fort Benton well is brought in, there will be a great rush to buy royalties, and the choice ones will sell at fancy prices. The time to get in is now, when every indication of splendid oil production seems perfect, and when it appears to be only a matter of days until the oil bearing sands are reached.

REMEMBER—Our royalties of 5% cover the 507.82 acres shown in above plat, including the 80 acres of the George Nichols farm, where the Transcontinental well is located.

Share Units \$100, Half Share Units \$50. These prices will prevail only until Monday, October 17th, at noon.

This is the last call, your final opportunity. You'll regret it all the rest of your days if you don't pin your check to our coupon and mail it today. Be sure to address it to Fort Benton to save time.
