## SWAPPING BLOWS COSTS TWO \$15

Pair of Participants in Street Fight Are Assessed in Police Court.

Two participants in a fight on Third avenue south Sunday, which resulted in the arrest of five persons, were each fined \$15 in police court Monday by C. A. Wilson, acting police magistrate. One forfeited \$15 bail Monday morning and two were released.

Keigo Mujacki, a Japanese laborer, and C. R. Hurch, a machinist, were the contributors to the police court treasury. Evidence was lacking to convict Tony Bryant, a messenger, and Dick Marvel, an agent. S. Katayama, a Japanese, did not appear to answer the charge and forfeited his bail.

## Confirm Low Rate to Legion Meeting

Confirmation of the one cent a mile rate to the national convention of the American Legion at Kansas City, October 31, November 1 and 2, was received Monday at the offices of J. F. Peeters, general agent of the Great Northern, and H. R. Wahoske, division freight and passenger agent of the Chicago, Milwaukee & St. Paul at Great Falls.

## Wants Land Sold to Satisfy Debt

Sale of 280 acres of land to satisfy a judgment of \$1870 is asked in an action filed Monday in district court by Pete Luisi against Ralph Scarello and wife. It is alleged that Luisi loaned the defendants \$1400 and the defendants gave him, as security, deed to the land. The plaintiff asks the additional \$270 as the amount he claims to have paid in taxes on the land.

## Unemployment increased 1.1 per cent in July in the larger industrial plants throughout the country, according to the United States employment service. This makes a total decrease in employment for the past six months of 7.3 per cent. The figures are based on returns from 1,428 firms in 65 cities, employing normally 500 or more persons each.

# Will "Sell" Herself

The yearning of this attractive 20-year-old Chicago girl for an education has caused her to offer herself "for sale" in marriage for \$3,000. The offer comes as a climax to a futile struggle to raise money in other ways. She tried clerking, bookkeeping, salesmanship and nursing. After careful calculations of the expenses of a course through college, Miss Peterson "priced" herself at \$3,000. She prefers a tall husband and states she will marry at once if necessary, but would rather wait until she had graduated from college.
