The Olive chapter auxiliary to the O. E. S. will hold a social meeting this (Thursday) afternoon in the rest room of the Masonic temple at 2 o'clock.

SEWING FOR POOR PLAN FOR WINTER

Business Women's Organization Will Devote Two Meetings Monthly to Charity.

Business Women's Organization Will Devote Two Meetings Monthly to Charity.

Sewing for needy families in Great Falls will be popularized during the coming winter by the Business and Professional Women's club. At a club meeting at the Johnson hotel Tuesday evening it was decided that the organization's charity work should be largely concentrated on this opportunity to be of assistance.

Materials will be donated by the members and from which garments of all descriptions will be fashioned. With the help of the Americanization board it will be possible to reach the destitute families.

Meetings of the club will be held every Tuesday, two of which will be entirely devoted to charity and the other two to study and parliamentary drill. The first drill will be conducted next Tuesday evening by Miss Ella Downing. The course of study has not yet been selected but will be announced at the noonday luncheon today, Thursday.

Announcement of the date for a club dance to be given early in November will also be made.

Grade Is Given Perfect Record for Attendance

A perfect attendance record has been made thus far in the school year by the pupils of the second grade at the Emerson school, not a single absence being recorded there since the beginning of the semester.

HAWKINS' BODY FOUND AFLOAT BY 2 HUNTERS

Search for Harry Hawkins in Lake at Cut Bank Ends After a Month.

The body of Harry Hawkins, Great Falls man who was drowned in a lake near Cut Bank, September 20, while attempting to navigate a leaky boat in a high wind, was found floating on the surface Wednesday morning and will be brought to Great Falls for burial Friday.

The body was seen floating by two hunters, who brought it to shore on a raft, built by searching parties soon after Mr. Hawkins was drowned.

Hawkins was at the lake with a party of hunters and had once crossed in the leaky boat which they found on the shore, and set out the second time in defiance of the advice of his friends.

Mr. Hawkins was a native of Great Falls and before his removal to Cut Bank last summer was employed in the Great Northern railroad shops. The body will be accompanied to Great Falls by Mrs. Hawkins.

TAXES MUDDLED BY TARDY RULE OF STATE BODY

Revision of Action on Irrigated Land Complicates Work of County Treasurer.

The recent action of the state board of equalization in modifying its decision upholding Assessor Harold Mady's afternoon at 3 o'clock at the home of Mrs. John McKenzie, 1107 Third avenue north, at which time the budget for the new year will be made.

The assessment books are now in the hands of County Treasurer Andretta, and if the new state board ruling is observed, it will virtually mean a re-checking of all the work done by the assessor's and county clerk's offices, and thus create a delay in sending out the tax notices.

More than half of the 12,000 tax notices have already been mailed and County Treasurer Andretta had expected to have all of the lists out by the end of this month.

Fixes Value at \$50. Deducting the water charges from the valuation of \$75 an acre virtually means that irrigated land has an assessed value of under \$50, which is the figure set by the county board of equalization.

E. F. GALT RESIGNS FROM GEYSER BANK

Cashier of Judith Basin County Institution Will Retire November 1.

Errol F. Galt, cashier of the First National bank of Geyser since the bank was organized in March, 1910, has resigned his position and will retire November 1, according to information reaching Great Falls Wednesday.

Mr. Galt will continue to live in Geyser for the present, but has not decided upon his future activities. Before taking the position with the Geyser bank he was associated at Stanford with Galt Brothers' hardware store.

Chorus of Students Organized at School

Singers among the boys and girls of the Great Falls public schools have been organized into two choruses, one each of boys and girls, and are practicing each evening under the direction of Miss Lena M. Spoor, who is already arranging for a music festival next spring.

Ten girls and 10 boys from the fifth and sixth grades of each school have been chosen as members of the choruses. The boys are practicing every Tuesday evening and the girls every Thursday evening at the Washington school.

Dr. C. C. Albright left Wednesday evening for Philadelphia, where he will attend the clinical congress of the American college of surgeons and receive his fellowship in the college.

Dr. Albright will also visit his old home in New York where his father still lives. He will return to Great Falls about November 7.

CHICAGO OPERA STAR TO APPEAR HERE

MISS CYRENA VAN GORDON

Miss Van Gordon, mezzo contralto of the Chicago Opera association, appears in Great Falls this (Thursday) evening as the second number of the Artists' series.

Much interest has been taken in her visit here because of the fact that she is an American girl who has risen rapidly in the profession and is counted among the greatest of opera singers, not only by the musical critics in Chicago, but in New York and Boston as well.

Music lovers, it is said, will find Miss Van Gordon to be superb in every phase of her art. She has a rich contralto voice, is of Junoesque stature and is always fashionably gowned.

FATHER AND SON WEEK BOARDS PLAN SEVEN DAY PROGRAM FOR GREAT FALLS; SPECIAL EFFORT TO REACH ALL HOMES

Great Falls will be scanned during Father and Son week, November 6 to 12, in an endeavor to find all boys who have no "daddy," and so-called men will be made sponsors for such boys, according to Dr. C. J. Brees, general chairman of the committees in charge.

Ten committees have been appointed to have charge of various phases of entertainment during the week. They are: Sunday program club and organizations, school day, "eat down town," movies, out door sports, evening at home, fatherless boys and publicity.

The club and organizations committee will undertake to interest the Kiwanis, Rotary, Ad. Business and Professional Women's clubs, Boy Scouts, Y. M. C. A., and all fraternal and trades and labor bodies in the work and have them take active part by backing some entertainment for the fathers and sons during the week.

Members of the Sunday program committee will interview ministers of all churches in Great Falls, have announcements made of the seven day program from the pulpits, and have them provide special services to which the father will be asked to take his son. Churches will also be asked to give dinners.

The "dads" of the city will be given a day when they will be asked to attend schools throughout the city and the school board and teachers will be requested to arrange special programs for that day.

As the result of the school authorities deciding to extend the high school football season through Thanksgiving day, members of the out-door sports committee have proclaimed Saturday of the Father and Son week "out-door sports day" and men and boys will be urged to attend the game and root together.

Stay Home One Night. One night will be set aside for fathers to stay at home with their sons and entertain them by telling stories of how they acted when a boy, and playing games with them.

All week, restaurants and cafes will have a special corner on the menu reserved for fathers and sons, according to present plans. The "eat down town" committee will have charge of this work. "Daddies" will have one day marked when they will have a chance to meet their sons at school, take them down town for lunch, and return with them in time for opening sessions in the afternoon.

Plans under way for the entire week are so made as to emphasize the importance of fellowship between the boy and the father and bring them into closer relation. In past years, this work has been observed in Great Falls but on a much smaller scale.

Tentative plans for the sale in Great Falls of Christmas seals for the benefit of the Montana Society for the Study and Prevention of Tuberculosis were made Wednesday evening at a meeting in the offices of the city and county board of health.

There were present representatives from the various women's clubs of the city.

The meeting was called by Dr. G. A. Fuson, secretary of the health board. Nothing definite as to the procedure to be followed in putting on the sale was decided upon. There will be a second meeting in the near future.

Seals have been sold annually at Christmas time in the state for the last five years, the fund going to the support of the association, which has its headquarters in Helena, and of which Mrs. Sara E. Morse is executive secretary.

The work of the association is largely of an educational nature and is directed toward national headquarters in Washington.

It's a Grand Old Remedy. You can't keep strong and well without sleep. Whether your rest is broken by a painful hacking cough or just an annoying tickling in the throat, the system becomes weakened and rundown.

Postpone Lecture by Dr. F. J. Shepherd. The stereopticon lecture by Dr. F. J. Shepherd on Palestine and the Orient, which was announced for Tuesday evening at the First Presbyterian church, has been postponed on account of the fact that there is a number of the Artists' course coming that evening. The Bible study course will begin this evening, however, and a lecture on the Bible given by the pastor.

Junior Hostesses Will Serve 10 Cent Meal to Trustees

Eggs a la goldenrod and creamed chicken on toast is one of the meals being served to the trustees at the 10c breakfasts prepared by the domestic science pupils of the Great Falls high school.

Other breakfast lists contain such combinations as one baked apple, one waffle, one cup of cocoa, or one serving of oatmeal with dates, one serving of toast, one cup of chocolate.

The Junior girls are planning to serve a dinner at a later date to which they will invite the members of the school board and their wives.

ROTARIANS ACT ROLE OF SANTA AT CHRISTMAS

Club Names Committee on Holiday Program; Members Pass on Quiz Papers.

Empty stockings of Great Falls kiddies will be filled as usual this year by the Rotarians. The committee that will have charge of the Rotary Christmas tree for 1921 was appointed by Vice President Hiram Johnson at the club's luncheon at Hotel Rainbow Wednesday, and consists of Frank Brown, chairman, Gilbert T. Boyd, Russell Strain, Allen McLean and A. J. Trodick.

Rotarian L. G. Cook, principal of the Great Falls high school, entertained the club in a unique way at the luncheon by submitting problems in geometry. Papers from actual examinations were given each Rotarian and Mr. Cook explained wherein each was incorrect, and asked that grades be marked on a scale of 100 for the entire paper. The result ran all the way from 0 to 100.

The marks were used by the speaker to illustrate how difficult it is, even among teachers, to get uniform method of testing the knowledge of students through examination papers.

Rotarian Cook emphasized the good that would result from the acquisition of knowledge of school problems by the public and the development of new educational methods, which, he said, in these later years are being initiated in progress schools well in advance of public demands.

MRS. E. M'SHANE PASSES SUDDENLY

Belt City Clerk Dies Wednesday After Brief Illness; Funeral Friday.

Mrs. Elizabeth McShane, city clerk of the municipality of Belt, died Wednesday afternoon, of paralysis, after an illness of 24 hours. Mrs. McShane had lived in Belt for seven years and had been a resident of Cascade county for a long period. Her husband, the late Thomas McShane, was deputy state stock inspector here for a number of years.

Mrs. McShane is survived by two sons and one daughter, Robford, Clara and Charles McShane, all of Belt. The funeral will be held from St. Mark's Catholic church at Belt, Friday morning, at 10 o'clock, and burial will take place in Calvary cemetery, Great Falls, where Mr. McShane is buried. Mrs. McShane was 55 years of age.

BIRTH. A son was born October 18 to Mr. and Mrs. Percy W. Larson, of 614 First avenue S. W., at the Columbus hospital.

The total value of the passenger cars produced in 1920 was \$1,509,170,963.

ACCUSE BOOTBLACK OF GRAND LARCENY

Information Filed Against Defendant Whom Justice Held for District Court.

Information charging Theodore Tselfies, formerly a proprietor of a Great Falls shoe shining parlor, with grand larceny, was filed Wednesday in district court by County Attorney Edward G. Bennett. Tselfies is accused of stealing a diamond, valued at \$250, from L. Rosenfeldt, south side merchant, on July 5.

COAL FOR YOUR FURNACE

That will prove an economy, is the only kind you can get from us. Costs less because it goes farther—more heat with less ash and no cinders. BELT, SAND COULEE and BEAR CREEK. PHONE 6922 for Full-Up

For the reason that as we are retiring from business in Great Falls, it would be better business policy to sell everything here than to incur further trouble and expense by moving this stock to any of our other houses. As a sound business institution, we have sold Musical Merchandise only where we could make a legitimate profit, that is why we prospered. Conditions in Great Falls now do not pay us to remain here, and there is only one thing left to do from a business standpoint.

Sell The Stock

Close Up the Store — Re-Invest Elsewhere COME BACK WHEN TIMES ARE BETTER

This advertisement is uncommon; it is a plain statement of fact that the public may know why such high grade pianos are being sold for such low figures. We don't pretend to be over generous. This sale is held in order that we may cease losing money here, but it offers a great opportunity for any home to secure a piano at practically wholesale cost.
