WITH ONLY SCORE OF MEN WHITMAN TOPS CONFERENCE

Borleske Turns Out Championship Football Team With Fewer Players Than Opponents.

Walla Walla, Wash., Dec. 20.—From a small football squad, which on some days numbered only twenty or twenty-five men, Coach R. V. Borleske of Whitman college here this year, single-handed turned out an eleven which won the northwest championship.

Whitman had, probably, the smallest squad in the conference and every team it met represented schools which outnumbered it in enrollment of men from one to fifteen times.

In the northwest there are the Oregon Aggies, the University of Oregon, Washington State, Willamette university, University of Idaho, University of Montana and Whitman.

Borleske is the only coach at Whitman and in addition is manager of athletics. All the other colleges have several coaches and a graduate manager to handle the business end of the game.

In general athletic work at Whitman approximately 90 per cent of the men are active and all under Borleske's direction.

Los Angeles, Dec. 20.—Four silver trophy cups for navy leadership in racing cutters, football, baseball and boxing, donated by the Knights of Columbus of the state of California, will be the honor trophies of Pacific fleet winners in athletic sports hereafter.

These are aboard the new dreadnaught California and will remain there until their award is made under rules and regulations in the four lines of sports as prescribed by the commander-in-chief of the fleet.

The fleet athletic board will decide upon conditions of award and it is possible that at least the racing cutter and boxing trophies will be awarded after the spring joint maneuvers during which it is expected fleet championships in these lines will be determined.

WALTER MILLER WINS FROM GEORGE PINEAU Spokane, Dec. 20.—Walter Miller of Los Angeles, claimant of the world's middleweight wrestling championship, won two falls from George Pineau of New York, here, taking the first fall in 26 minutes with a body scissors and arm lock, and the second in six and one-half minutes with a Japanese arm lock.

BENNY LEONARD WINS OVER TIM DRONEY Philadelphia, Dec. 20.—Benny Leonard, lightweight champion, outpointed Tim Dronney of Lancaster, Pa., in an eight round no decision bout Tuesday night. The champion outclassed his opponent and won the popular decision apparently without extending himself.

BRIGHT GETS DECISION OVER HARRY KABAKOFF St. Louis, Dec. 20.—Harvey Bright, lightweight of Brooklyn, N. Y., was given the referee's decision over Harry Kabakoff of St. Louis, in a 12 round bout here tonight.

STUFFY M'INNIS TRADED FOR THREE CLEVELANDERS New York, Dec. 20.—John McInnis of the Boston Americans, has been traded to the Cleveland Indians in exchange for Elmer Smith, George Burns and Joe Harris, it was announced Tuesday.

The state railways of the Dutch East Indies need 300 locomotives.

(Continued from Page One)

bringing them to Missoula, Dillon or Bozeman. J. W. Freeman of Great Falls, was opposed to the idea of subsidizing the pupils by paying railroad fares to the institutions, but Chancellor Elliott said no move had ever been made which had greater effect in reducing competitive activities between the institutions and that the cost to the state had been greater than \$10,000.

Few Leave State

Mr. Deitrich argued that many of the teachers went out of the state for normal work but Miss Trumper countered with the statement that few, other than city teachers, left the state. The chancellor said the attendance at Lewistown last summer had been about 300 while that at Miles City was about 200.

Deitrich and Freeman held that the classes were too small and that more economical work could be performed with larger, centralized classes. The latter held that this policy of retrenchment could be worked out but that to bring it about somebody would have to be hurt and somebody's toes would have to be stepped upon.

Mr. Freeman said he was with the chancellor in his plan, that the board had agreed to the big cut and that it must now support him in his program or else rescind the resolution. Robert Line of Columbus opposed the elimination of the two summer schools and insisted that when the transportation costs to the western schools was figured the saving would be reduced to about \$4,000. He insisted upon the maintenance of the eastern Montana schools and urged a saving of \$4,000 some other place.

Agree on Economy

A. J. Violette of Missoula favored continuance of these schools if business conditions were not too great and Chancellor Elliott said the tragedy of it all would be that the school children would be the real sufferers, as probably three-fourths of the teachers would not attend the western Montana summer schools.

Attorney General Rankin agreed the board must economize but feared it would prove a hardship to the eastern part of the state. He thought the cuts should be made at the other side of the state and asked the chancellor the cost of the summer school at Missoula. "About \$16,000," replied the chancellor. "Why not cut out that school?" asked Rankin. "That is not on the program," answered the chancellor.

Mr. Violette wanted the whole matter laid over until the April meeting, when a comprehensive program could be presented, but the chancellor opposed this on the grounds it would delay plans for the summer's work. He said he expected to emerge from the fray with a bleeding head, as there would be delegates here protesting the action and that even Billings, Kalispell and Glacier are nurturing summer school movements which will soon be before the board.

Favors Regional Schools

Frank Eliel of Dillon favored the regional schools and expressed a desire that if discontinued it shall be with the understanding that they be resumed when conditions justify. A motion by Miss Trumper to adopt a resolution which would enable the continuance of the Lewistown and Miles City schools was defeated by a vote of 4 to 6, with Foot, Line, Trumper and Rankin supporting the motion. A resolution providing for the continuance of the schools at Missoula, Dillon and Bozeman along the lines carried out last summer was adopted, 8 to 2. Rankin and Trumper opposing its adoption.

At the suggestion of Governor Dixon, the minutes were made to show that the above action relates to the elimination of the summer schools for the year 1922 only. Soliciting upon the grounds of the educational institutions representatives of organizations other than college societies was prohibited under a resolution presented by the chancellor.

AMERICAN ASSOCIATION WILL PLAY 168 GAMES Chicago, Dec. 20.—The American association will open its season on April 12 and will play 168 games, closing on October 3, it was announced at a conference of club owners here.

WERNIE SMITH KNOCKS OUT SAILOR ANDERSON Tulsa, Okla., Dec. 20.—Wernie Smith of Bartlesville, Okla., knocked out Sailor Anderson of Sioux City, in the third round of a scheduled 10 round bout here.

SPORTS CARNIVAL AT "Y" GYMNASIUM LAST DAY OF YEAR

Physical Department Will Give New Year's Program Afternoon and Evening.

An athletic carnival will be held in the gymnasium of the Y. M. C. A., December 31, as a New Year's program for the physical department, E. E. Holdeman, athletic director, announced Tuesday. In addition to the various games and gymnasium work an exhibition of aquatic meet will be held by women teams and also by boys' teams.

Opens with Basketball

The carnival will open with basketball games for the boys' and young men's teams in the afternoon. Advanced gymnastic meets will be held for the young men, women members will give an exhibition of gymnastic dancing and a basketball game between two women teams is scheduled for the evening. Volleyball games and kick-baseball games will be played by the men in the evening.

The boys who are to enter the swimming meet held their first regular practice for the events Tuesday night and some remarkable showings were made, especially in the 100 yard and 40 yard races and the plunge for distance. Director Holdeman announced. The trials for the fancy diving exhibitions will be held Thursday.

On Monday, Dec. 20, a consting party for all the boy members of the Y. M. C. A. and their friends has been arranged by Holdeman. The boys will meet at the "Y" building with their sleds at 1 o'clock in the afternoon.

Company Brings Suit to Collect Account

Action to recover the value of merchandise alleged to have been purchased by W. P. Fox on July 10, 1920, was initiated in district court Tuesday by the Limoges China company, a corporation located in Sebring, Ohio. It is alleged in the complaint that Fox purchased goods valued at \$315.47, and judgment for this amount with eight per cent interest from July 6, 1920, is demanded.

Skating Schedules Fixed by Head of International Union

Chicago, Dec. 20.—Schedules for national, international and American skating events for the 1922 season were announced here Tuesday by Julian T. Fitzgerald, president of the International Skating union. Dates have been so arranged that the skaters may participate in practically all the events without conflicts.

The Canadian outdoor championship will be held at St. Johns, New Brunswick, January 18 and 19, while the national outdoor championship is scheduled for Plattsburg, N. Y., on January 24, 25 and 26.

The international outdoor championship event will be run off on Saranac Lake, N. Y., on January 31, and February 1 and 2.

The diamond medal competition in which only point winners in either the national or international championship events are eligible, is scheduled for February 9, 10 and 11 at Lake Placid, N. Y.

The eastern Canadian championship has been awarded to Winnipeg in connection with the winter carnival there February 6-20.

The western championship event goes to Chicago, January 13. The first event of the season will be the middle Atlantic championship at Newburg, N. Y., on New Year's day.

JOHN, HERE IS A LETTER FOR YOU I OPENED IT BY MISTAKE. TWO LETTERS FOR YOU DEAR, I OPENED THEM BY MISTAKE. UHM. WELL, DID YOU OPEN ANY OF MY MAIL BY MISTAKE TODAY? NO, I DIDN'T. PSHAW I EXPECTED A LETTER TODAY. MONDAY TUESDAY WEDNESDAY

CONOCO GASOLINE MEASURES UP TO THE U. S. NAVY'S NEW SPECIFICATIONS THE CONOCO TRAIL —that's what veteran motorists are very appropriately calling the roads throughout the six intermountain states from Canada to Mexico, which are dotted with the beautiful white Service Stations of The Continental Oil Company. Are you on the CONOCO Trail? It will pay you well to look for one of the stations pictured above when you are in need of gasoline and oils. Efficient and courteous attendants will be ready to serve you the instant you come to a stop. Uniform gasoline is of vital importance to your car and your peace of mind. Discriminating motorists naturally want to get the most that is possible out of their cars. So do you. You are not getting it if you are using different kinds and grades of gasoline. You are not operating your car efficiently if you are changing fuel every few days. You cannot go wrong by selecting CONOCO Gasoline as your steady motor fuel. It is always available wherever you go, and always uniform wherever you buy it. It is the best gasoline we know how to make. If there was a better grade we would sell it. CONOCO Coupon Books are sold at all our Service Stations for the convenience of the motoring public. They are exchangeable for CONOCO products at any Continental Oil Service Station.
