CHRISTMAS WEEK IN JACKSON WAS one of the most successful of the season. The Christmas Fair at Angelo's has been the most successful of the season. The Christmas Fair at Angelo's has been the most successful of the season.

A SHARP TRICK.—A gentleman from Bowling Green, Ky., exhibited a five hundred dollar bill at the Railroad Junction in this city on Wednesday. A bystander asked permission to look at it, as a curiosity, and on being gratified, a like desire was expressed by another by-stander, who, in turn, handed it to still another, who ran off with it, followed by the other two—all three of whom being doubtless concerned in the little operation. Chase was given, but without success.

OUR SPECIAL POLICE.—Responding to the action of the city authorities, a meeting of the members of the Fire Department was promptly held, and a resolution adopted expressing a willingness to enter upon special police duty. The firemen now patrol the city nightly, and in this duty they should have the co-operation of all our citizens who desire quiet and order.

INSURANCE.—If the many insurance companies for which Messrs. Barrows & Smythe are agents, none present stronger claims to Southern patronage than the insurance company of the Valley of Virginia. It has always adjusted its losses promptly, and its capital is ample and secured for the benefit of those who put their trust in it.

OUR SPECIAL POLICE, in the grand rounds on Friday night, encountered a large squad of Federal soldiers, who were making night hideouts with their uproar at a negro brothel in the lower part of the city. A pistol in the hands of one of the police having accidentally discharged, the soldiers formed line of battle, and bid defiance to our newly constituted "conservators of the peace." The latter, however, made one or two arrests, and retired in good order for reinforcements, which having secured, they returned and found the enemy had fled and all was quiet on the Pearl.

COULDN'T QUIT.—The following is from an esteemed subscriber in Claiborne county:
EDITION CLARION—Dear Sir: I had ordered my paper stopped at the end of the term for which I had paid. I feel as the old man did, who quarreled with his wife, to talk of separation brings good nature; he could not part with his wife nor can I with the Clarion. I wish to continue my subscription. Please receive two dollars enclosed—the balance shall be forthcoming.

THE TEETH are far more important than most persons generally consider. A thorough mastication is absolutely necessary to good digestion, and we cannot enjoy good health, and a contented mind, without good teeth, so we would advise our friends to call on Dr. Knapp and have their grinders repaired.

WHILE THE LAMP BURNS OUT TO BURN there is a chance for restoration of health. If therefore, the constitution has been weakened by disease or excess, the nerves shattered, the stomach weakened, the appetite gone and all the world appears gloomy—pour some fresh oil into your lamp in the shape of Plantation Bitters, which will make the flame of life again burn brightly, and illuminate a once happy existence. For ladies it is an elegant and gentle stimulant, exactly such as they require. Many families will not be without it. It has a medicinal value throughout the world.

MINNOLIA WATER.—A delightful toilet article superior to Cologne and at half the price.
