A Fallacy. Some people think that Chronic Dyspepsia may be cured by exercise and diet alone. This is a mistake. The Stomach must be stimulated and regulated, and the liver and the discharging organs put in good working order before a cure can be effected.

There is nothing like this genial vegetable in the world. So, too, in cases where there is a predisposition to biliousness; the constitutional tendency is combated and held in check by the alternative action of the BITTERS.

Diet and regimen are powerful allies of judicious medical treatment when the preservation of health in insalubrious localities is the object in view. But they will not answer the end alone. Use them as aids to the BITTERS, but do not rely upon the efficacy of any formula that does not include this admirable tonic.

LOUISVILLE. MEDICAL.

HURLEY'S SARSAPARILLA. OF all the remedies that have been discovered during the present age for the "thousand ills that flesh is heir to," none equal this wonderful preparation. Only ten years have elapsed since the discoverer (who spent a decade in studying experiments, and perfecting it,) first introduced it to the public, and it is already recognized by the most eminent physicians in all parts of the country, to be the most surprising and effective remedy for certain diseases of which they have knowledge.

All other compounds of Syrops of this root have hitherto failed to command the sanction of the faculty, because on being tested, they have been found to contain noxious ingredients, which neutralize the good effects of the Sarsaparilla, and oftentimes injure the health of the patient. It is not so with Hurley's preparation. This is the pure and genuine extract of the root, and will, on trial, be found to effect a certain and perfect cure of the following complaints and diseases.

Affections of the Bones, Habitual Constiveness, Debility, Diseases of the Kidneys, Dyspepsia, Erysipelas, Female Irregularities, Fistula, all Skin Diseases, Liver Complaint, Indigestion, Piles, Pulmonary Diseases, Syphilis, Scrofula, or King's Evil.

HURLEY'S AGUE TONIC. PERFECTLY RELIABLE.

The only remedy for chills and fever or ague that has been discovered, and is deposited upon Hurley's Ague Tonic. There have been thousands cured by using it who had tried the usual remedies without benefit; but in no case has it failed to effect a cure.

As it is a sure and certain cure for chills and fever. Any one suffering from the chills would consult their own interest by sending to a drug store and buying a bottle. It is pleasant to take, compared with others, and will be certain to cure all cases of fever and ague or chills and fever. Send for it to the proprietors. JAS. RUDDLE & CO., Louisville, Ky.

HURLEY'S AGUETONIC Popular Worm Candy.

As it is a sure and certain cure for worms, and the best and most palatable form to give to children, it is not surprising that it is fast taking the place of all other preparations for worms—it being perfectly tasteless, and any child will take it.

HURLEY'S STOMACHIC BITTERS. For Debility, Loss of Appetite, Indigestion, or Dyspepsia, Want of Action of the Liver, OR DISORDERED STOMACH. There are no Bitters that can compare with these in removing these distressing complaints. For sale or can be had at any drug store in the United States, or from the proprietors at Louisville, Kentucky, to whom all orders should be addressed. JAMES RUDDLE & CO. Proprietors.

NOTICE TO MOTHERS! DR. SEABROOK'S Infant Soothing Syrup! WE HAVE, by purchase of the original recipe, become sole proprietors of this Celebrated Medicine. We ask you to give it a trial, with an assurance that you will in future discard all those nauseous and destructive fluids, such as Bateman's Drops, Godfrey's Cordial, Dewey's Mixture, &c., combinations of a past and anti-progressive age, when it was thought that the more disgusting the mixture the better the medicine.

Use in the future only SEABROOK'S, a combination quite up with the advancement of the age. Pleasant to take, harmless in its action, efficient and reliable in all cases. Invaluable in the following diseases: Summer Complaint, Irregularities of the Bowels, Restiveness, Teething, &c.

WE could furnish any quantity of certificates bearing evidences of its superior qualities, but prefer that our medicine should stand on its own merits, which will do upon trial.

JAMES RUDDLE & CO. PROPRIETORS, Laboratory, 41 Bullitt Street, LOUISVILLE, KY.

DR. SEABROOK'S ELIXIR OF PYROPHOSPHATE OF IRON AND CALISAYA. THIS elegant combination possesses all the best tonic properties of Peruvian Bark and Iron, without the disagreeable taste of either, separately or in other preparations, of these valuable medicines. It should be taken in all cases when a gentle tonic impression is required—after convalescence from fevers or other debilitating diseases, or in those distressing IRREGULARITIES peculiar to females. No female can take it without it, if liable to such diseases, for nothing can well take its place.

BETTISON'S Horse Liniment. Has proven itself one of the best Liniments made for Sprains, Bruises, &c., in all cases when tried for either man or beast, and will do all we claim for it. Try a bottle, and we are satisfied you will never after use any other.

Extract Jamaica Ginger. Use James Ruddle & Co.'s extract Jamaica Ginger for all Summer Complaints, Cholera, Cramps, Indigestion, &c. This is the pure Ginger, and can be relied on.
