PERSONAL.—Our former associate,
 Col. J. J. Shannon, has been in our city for
 several days, in attendance on the United
 States Circuit Court. We notice by the
 way that the Gazette has commenced the
 publication of a tri-weekly edition.

The information provided by "Oba-
 dah" relative to the Mississippi Central
 Railroad, has been anticipated by advices
 received subsequent to the date of his com-
 munication. We therefore omit this letter
 of our attentive correspondent.

New Music.—We have received
 from Mr. D. P. Faulds, the extensive music
 publisher Louisville, two pieces, just pub-
 lished, entitled—
 She who Sleeps upon my Heart—song and
 chorus. By J. W. Parson Price.
 K. K. K. To the Grand Cyclops of the
 Klax Klan. By Walter Owen. A waltz.

The Vicksburg Times of this morn-
 ing announces a change in its management.
 Mr. Vernon withdraws—Dr. Shannon being
 sole proprietor. Col. McCord continues as
 Editor; and we are pleased to note that
 Mr. John Armstrong has been secured as
 business manager. All parties have our
 best wishes for success.

THE SABBATH SCHOOL CELEBRATION
 takes place to-morrow, the weather being
 favorable. We are requested to state that
 at 9 o'clock, precisely, the several schools
 will assemble at the Presbyterian Church,
 where, after brief exercises, a procession
 will be formed, and march directly to the
 Grove, near Prof. Whaley's school. At the
 Grove there will be addresses by a young
 gentleman selected from each school, inter-
 spersed with singing. The grounds are be-
 ing suitably prepared to-day, and refresh-
 ments and amusements will be provided in
 abundance for the children.

Parties who are preparing refreshments,
 who would contribute in any manner to
 this effort in behalf of the little ones,
 are requested to send their contributions to
 the store of Messrs. Lemly & Son, this eve-
 ning, or send them to the grove to-morrow
 morning, before 9 o'clock, where a commit-
 tee of ladies will be in readiness to receive
 them.

The children will be sent for singing this
 evening, at half-past 4 o'clock, at Presby-
 terian Church.

SPECIAL NOTICES.
Fallacies of the Faculty.
 The stomach is the ruling organ of the sys-
 tem. If the digestion is imperfect, every mem-
 ber, every gland, every muscle, every nerve
 and fibre, is more or less out of order. All
 the fluids are depraved. The brain is clouded.
 The spirits are depressed. All dyspeptics
 know this to be the truth. It is not however
 half the truth. Columns would be required to
 enumerate the pains and penalties of dyspep-
 sia, nor could any pen do them justice. Tens
 of thousands feel them, no man can describe
 them.

Can they be prevented? Can they be relieved?
 Can they be banished at once and forever?
