HON. GEO. C. MCKEE is doing good service in the Third and Fourth Congressional Districts.—Times.

But he is letting the Fifth (his old) district, slide. Poor Hill!

No little is being said about the murder of one Jacob Sidney, in Yazoo county.—The following document we have copied from the Banner, will show that it was committed by a colored man, and that he was adjudged guilty of the deed by a jury of colored men. Such deeds are to be deprecated, but how can the whites prevent them. The negroes place themselves under the guidance of carpet-baggers and scallawags and here is the fruit: STATE OF MISSISSIPPI, YAZOO CITY, Miss.

We, the Jury of Inquest, held over the body of Jacob Sidney, on the 19th day of October, A. D., 1875, after examining the body of deceased and taking the testimony in the case find that he came to his death by a pistol shot from the hands of Bunk Redditt, on the 18th day of October, 1875, in the field of B. Richardson, on the west side of the Lexington and Yazoo City road, between the hours of 9 and 12 A. M.

Signed with our hands and sealed with our seals this 19th day of October, 1875.

We learn that the Democratic Executive Committee of Madison county has recently called upon the Republican Executive Committee of the same county, and demanded that the Republicans should take down from the county ticket two members of the Legislature, the candidate for Sheriff, and three members of the Board of Supervisors, and replace them with good Democrats. This was the modest request of the Madison County Democratic Executive Committee.

Now, the truth is (and having seen the documents we speak of in the book) the proposition for a compromise and a union of parties on the same ticket, giving to each a share of the offices, first came from the Republicans, and it was acceded to by the Democrats, with a good deal of opposition among the latter, because it was believed they could elect their whole ticket. The truth is, Warner has been thrown overboard by his own crowd in Madison, and he sees everything in a wrong light. He is a miserable, undone carpet-bagger, "that's what's the matter with Hannah!"

BRANDON, MISS., Sept. 4th, 1875.

Messrs. LOVE & WILSON, Dear Sirs: Having had chills and fever almost every other day for eight months, and having tried almost every remedy I could hear of without receiving any permanent benefit, I saw your advertisement in the Brandon Republican, and determined to try your Anti-malarial Belt. I bought one about the 10th of July, took it home, put it on, and have never had a chill or fever since. I induced a neighbor to buy one some few weeks since, and he informs me that he has not had a chill since he put it on.

W. W. CORETHERS, Dear Sirs: Above find certificate of W. W. Corethers, which I have just obtained. I have heard of several other similar cures and I think the belts will soon begin to sell rapidly. Respectfully, &c., A. J. FRANTZ.
