MASQUERADE FOR TWENTY YEARS

Murray Hall's Wife Quarreled With Him Because He Got Drunk and Caroused.

New York Sun Special Service

New York, Jan. 18.—In the death of Murray Hall, proprietor of an employment agency...

Mrs. Murray Hall told her neighbors that she was going to leave her husband because he was in the habit of staying out late at night and carousing with the politicians...

COOL YOUR BLOOD

In All Cases of Itching Burning and Scaly Humors with CUTICURA RESOLVENT

CUTICURA RESOLVENT

Of all the remedies for cooling and cleansing the blood and circulating fluids of itching, burning, scaly humors, none approach, in specific action, the wonderful properties of CUTICURA RESOLVENT. It neutralizes and resolves away (hence its name, Resolvent) scrofulous, inherited, and other humors, which float in the blood, and which give rise to swellings, glands, pains in the bones, and torturing, disfiguring eruptions of the skin and scalp, with loss of hair.

CUTICURA RESOLVENT extends its cooling, purifying influence by means of the pores to the surface of the skin, allaying irritation, inflammation, itching, and burning, and soothing external humors, because of its power to neutralize HUMOR-GERMS which float in the blood and circulating fluids. It exerts a purifying influence upon the bowels, liver, and kidneys, thus removing a common cause of disease, and promoting the general health, while removing pimples, blotches, and blackheads. Many forms of debility, for which no cause can be discovered, are due to the presence of humors in the blood, bones, and fluids. CUTICURA RESOLVENT possesses, in the highest degree, humor expelling properties, and acts as a gentle aperient, diuretic, and digestive. It promotes the general health, while insuring the expulsion of humors which manifest themselves in the obscure forms of rheumatism, gout, kidney pains, and liver troubles.

Mothers are assured of the absolute purity of CUTICURA RESOLVENT and its freedom from any ingredient that is in the least objectionable in action, taste or odor. It is therefore readily taken by children of all ages and conditions, and should be freely given on the first appearance of humors, whether simple, scrofulous, or hereditary. It is a mother's remedy, regulating and strengthening the maternal functions, while purifying the system of ulcerative weaknesses and humors.

It is economy to take it on every occasion possible, while using warm baths of CUTICURA SOAP to cleanse the skin of crusts and scales and soften the thickened cuticle, and gentle applications of CUTICURA Ointment to elay itching, inflammation, and irritation, and soothe and heal externally, as the readiest means of insuring speedy, permanent, and economical cures, and realizing that greatest of human blessings, "a skin without blemish and a body nourished with pure blood."
