REVOLVER RECORD FIRING

Lieut. Bullis Gets the General Ammunition-Second Regiment Breaks Camp.

Camp Lakeview, July 17.—The field maneuvers yesterday resulted in a display of marksmanship on which side came out victorious, but Colonel Bobleter gave the palm to Major Wood's battalion and Battery B, under Captain Bennett.

The regiment returned to camp about 2 p. m. Only one serious accident occurred, and that when Quartermaster Tweedy's horse ran away, kicking one of the infantry boys in the breast which necessitated bringing him back in the ambulance.

At the revolver record firing Lieutenant H. L. Bullis, field advocate, Second regiment, shot 40 out of a possible 60. The boys were all tired after the hike, and some very poor scores were made.

The sharpshooters. Captain O. E. Lee has completed his report on rifle practice with the Second regiment, and is more than pleased with the results owing to the extremely warm weather.

STILLWATER HAPPY. Mr. Carnegie Offers \$25,000 for a Library.

Stillwater, Minn., July 17.—S. Blair McBeath has received a letter from James Bertram, private secretary to Andrew Carnegie, dated at Skibo castle, in which Mr. Carnegie offers to donate \$25,000 to the city for a public library with which to maintain the \$2,500 yearly which will be required to keep it in repair.

Mr. McBeath in March last wrote to Mr. Carnegie at the solicitation of a number of friends and asked for a donation of \$25,000. The offer will be accepted at once and
