

ON THE GRIDIRON

SCHEDULE IS GOOD

Reply to Some Who Think They Won't See Enough Football.

LIMITATIONS ON MANAGEMENT

Team Can't Play All Games Here Nor Meet Succession of Heavy Teams.

Some of those who love the great sport of football are saying that they do not see enough of the game in Minneapolis this fall. For the benefit of such persons attention is called by these columns to the management of the limitations placed upon the management in the arrangement of the same.

The first real trial of strength comes next Saturday in the game with Chicago "Physicians and Surgeons." It has been pointed out already that the members of the "P. & S." team are not only veteran football players, but that they have played together as a team through an entire season, with the exception of one man. Besides the men have all made names for themselves in football.

Following the Nebraska game comes that with Grinnell. The Grinnell team has always played pretty football, and may be counted upon to keep up its record this year.

Then comes the game with the Iowans, who call themselves "champions of 1900." Minnesota will never admit that the Iowans are entitled to the honor, and the measuring-up of these two teams, after all the hot words of comparison that were printed last fall, should bring out a tremendous crowd.

It is certain that at that time, in advance of the contest, appears to contain all of the elements that make for a thrilling contest.

GAMES IN THE EAST

The "Big Ones" Do Not Make a Great Showing.

Yale 6, Amherst 0.

Harvard 12, Bowdoin 0.

Princeton 35, Villa Nova 0.

Pennsylvania 6, Franklin and Marshall 0.

Cornell 50, Rochester 0.

Gettysburg 6, Carleton 5.

Columbia 27, Rutgers 0.

Midweek games were played in the east yesterday as above. The surprise of the list was the Yale-Amherst game in which the men from Amherst held the sons of Eli down to the smallest score of 6 to 0 in a game of twenty-two minutes all told.

The Amherst men were strong in defense and aggressive on offense in the work of the Yale men disappointment was felt, except with regard to Glass at guard and Hosan, the freshman tackle. Yale scored her touchdowns in the first half and series of short plunges through the line.

Harvard did not do a great deal better against Bowdoin, making a score of 12 to 0 in twelve minute halves.

The first touchdown was made by line plunging for thirty-five yards after Gray-down had run back a kick-off for fifty

yards. After the second kick-off Bowdoin secured the ball on a forward pass and gained steadily for twenty-five yards through Harvard's line before being forced to kick.

In the second half Harvard scored toward the end by straight line play from midfield. The work of the backs was so rugged that no end runs could be tried.

Campbell played left end and showed all his old-time form. Hevey did the best work in the line.

Cornell won from Rochester university at Percy field by a score of 50 to 0. The contest was marked by continuous end running.

The Princeton eleven defeated the Villa Nova eleven in the first game of the season by a score of 35 to 9, two touchdowns being made in the first half and four in the second. The game was characterized by Princeton's fumbling the ball and lack of team work by Villa Nova.

The University of Pennsylvania football eleven had great difficulty in defeating the Franklin and Marshall team on Franklin field, winning by the narrow margin of 5 points.

Pennsylvania's greatest fault was her slowness in getting off her plays.

The Columbia football eleven easily won at New Brunswick, N. J., by a score of 27 to 9, at New Brunswick, N. J.

NORTH HIGHS OUTLOOK

It is Very Promising—Conditions Are Favorable.

Football enthusiasts of the North high school are very hopeful this season. Nine men of last year's team are out and candidates for the vacant positions are numerous.

As yet the team is in a formative state, many changes being made in placing the old as well as the new material. Of the twenty-five or thirty men who are out for daily practice, two good teams can be made up; North high is out to win this year.

Conditions this year favor the football squad. The school has a lunch counter and the boys lunch at the noon recess. Then a room in the school for their football paraphernalia makes it easy for them to dress and be on the field shortly after 1 o'clock for a good stiff practice of an hour or two. This leaves the better part of the afternoon in which to get lessons that come "easy" after the work on the gridiron.

Coach H. H. Foster, who has a doctor's program is accountable for the high standing of the football boys in this school and might be copied with advantage by the other high schools.

Of the men out, Pontaine, who played with St. Thomas last year, has a good show for center; while Clark and Chandler are after the guard position not held by Marks. The latter is a strong man and played last year. Dexter, at right tackle, holds his place and Burkan, captain, will play the other tackle position. The material for ends, in Friedman, Dutton, Hether and Wingate, is good, the last two being good gainers and a brainy order. Heffer is especially active and appreciative of an opening in his opponent's line. Barret and Barker are trying for quarterback honors in case Nye, last year's man, plays at half. Moriarty at full is strong and gains when shoved through the line. At half, Bardwell and Burns are showing up well. Nye will do the punting. He is an active man and has good leg power. Burgan and Dexter are out for their distances when given the ball.

In the scrimmage yesterday the boys worked hard, but would have been in for considerable censure for poor playing if their coach, Bernhagen, had been on the field. The tendency to tackle high gave the men with the ball a good many extra yards. A line back is supposed to be good for but two or three yards and this distance, if not more, can invariably be gained if the runner is tackled too high.

Northhigh is to play at Stillwater Saturday, and if they put up the game they did against Hamline, last week, they are sure to win out. The schedule as arranged to date is:

Oct. 5—Stillwater at Stillwater.

Oct. 11—East Side high school.

Oct. 12—Duluth at Duluth.

Oct. 13—Minneapolis academy.

Nov. 1—Mechanic Arts at Minneapolis.

Nov. 8—South Side high school.

Nov. 15—Central high school.

Nov. 22—Central high school of St. Paul at St. Paul.

RAPID PROGRESS

Iowa's Coaches Are Pleased With Recent Developments.

Special to The Journal.

Iowa City, Iowa, Oct. 3.—The practice of the Iowa football team yesterday was highly satisfactory to Coach Knipe, in fact the team is making unusually rapid progress.

This is due to the cold weather that has recently set in, and the appearance of Waters, Burrier and Hollenbeck who missed practice for a few days on account of illness. In yesterday's scrimmage Buckley and Welland were the star performers. Welland is a 175-pound man and the manner in which he carried the ball from the position of half back to the end of the line yesterday. This is his third year at Iowa, and he always trains with the team, but hitherto he has been too uncertain. Now he compels attention because Buckley is a new man and has been playing tackle. He promises to be one of the best ground-gainers on the team. The work of the coaches has now reached that stage where the varsity finds it easy to go through the scrubs.

For the first time this season did the team show unity of action, and this is primarily what the coaches are working for.

Knipe regards this as the most essential trait in a football team. The Iowa schedule opens Saturday in a game

with the state normal and a hard game is expected. The normal has a veteran team and one of their coaches, W. C. Edson, who formerly played half back in the Iowa team, is developing one of the fastest back fields in the state. The normal rooters express hopes of winning Saturday's game.

BEST WORK YET

Wisconsin Team Shows Improvement at Secret Practice.

Special to The Journal.

Madison, Wis., Oct. 3.—Outsiders were excluded from Camp Randall yesterday afternoon, and Coach King gave the football team the first secret practice of the season.

The absence of a crowd on the side lines appeared to have a good effect for the work was the best by far that has been done this year and for the first time a fair quality of team play was developed.

The first eleven scored three times on the scrubs during the two short halves. Holstein and Deering played guards, Lerum's shoulder being still lame. Fog and Marshall again alternated at quarterback. Fogg and Kirby, substitute half back, went to the training table yesterday for the first time.

Driver, full back last year, has again entered the university, and was out for his first regular practice yesterday afternoon. With Driver, Larson, Cochran and Fogg, Wisconsin will have a field of backs which should be second to none in the west.

If the line can be made equally strong, the team will be in excellent shape.

The game Saturday afternoon with Hyde Park will be interesting in furnishing a comparison between Wisconsin and Chicago. Hyde Park has had defeated the Maroons last Saturday by a score of 6 to 0. Experience has shown, however, that comparisons are of little real value.

For half an hour before the game there will be a kicking contest, at punts and drop-kicks for a \$100 cup offered by Thomas H. Gill, of Milwaukee, to the Wisconsin player showing the best ability in this line.

There will be a preliminary contest where Saturday's Saturday's contestants will be chosen.

WON BY NORTHWESTERN

Sharp Game Against Fort Sheridan Artillerymen.

Chicago, Oct. 3.—The artillerymen, who have the distinction of being the best gridiron warriors at Sheridan, encountered Hollister's proteges at Evanston yesterday and lost the engagement by a score of 21 to 0.

The soldiers gave the Methodists the stiffest proposition they have yet run up against, and the result of the first half was in doubt.

Series of heavy line plunges lapped Captain Dietz beyond the soldiers' breast-works for a touch down. MacChesney signalled his return to the Northwestern squad by missing goal, and the score remained 5 to 0 at the end of the half.

The second half was more disastrous to Uncle Sam's men than the first, the purple getting in to much better advantage, plunging through the line for big gains, and going around end, behind guards back interference in a way that kept the soldiers decidedly busy.

Paddock and Elliott were the most noteworthy stars on Hollister's team, five and ten yard gains resulting from Paddock's plunges, while Elliott went down the field for a spectacular run.

Paddock's performance was very much the same as those of Captain Dietz, and Hollister was highly elated at his aggressiveness.

Only one of the four touch downs was accompanied by a goal, MacChesney contributing two failures out of three trials.

The soldiers play Wisconsin next Saturday, and this score may afford some grounds of comparison between Northwestern and Wisconsin.

PONY HALFBACKS

Interesting Members of the Illinois State "U" Team.

New York Sun Special Service.

Champaign, Ill., Oct. 3.—Coach Holt kept the varsity at scrimmage work fifty consecutive minutes yesterday, in which time eight touch downs were placed to the varsity's credit, and both the scrubs and the third team were badly used.

Stephenson and Huntoon, the pony half-backs, again were the stars, especially in running through broken fields.

Captain Lindgren's running from the tackle position was fine, and McKnight's line bucking and handling was spectacular.

The varsity's offensive work, on the whole, was fair and its defense impregnable.

Several attempts were made at drop kicking by Cook with a degree of success, while on the other hand varsity did fairly well in blocking the scrubs' punts.

The Professionals.

Chicago, Oct. 3.—The National Association Football League met here last night and adopted by-laws and a constitution. The season will open Sunday, Oct. 15.

Comekey's team, under the management of Ben Govier, will meet Diet's team in St. Louis, and the Cappells, of the mound city, will play the Milwaukee team.

The Cappells were substituted for the Detroit.

Each club posted a forfeit of \$100 to ensure good faith in carrying out the schedule.

Game Postponed.

The game between Drake university and Grinnell, to have been played at Des Moines by electric light, to-morrow evening, has been postponed until Saturday evening.

A WAITER OUTWITTED.

On one of the hottest days recently a prominent Wall street man walked into Delmonico's with a friend. The latter was member of the shirt-waist brigade. Taking seats at a table, refreshments were about to be ordered, when a waiter remarked:

"Gentlemen, I am sorry to say I cannot serve you. The rule is strictly observed here to serve nobody who is without a coat."

The gentlemen were annoyed, and expressed their amazement that such a rule should be enforced against two regular patrons. Finally the broker said to the waiter: "You can serve me!"

"Well, bring me a Scotch high ball."

After enjoying the beverage he coolly removed his coat and handed it to his friend with the words:

"Put on my coat and order what you want at my expense."

The shirt-waist man did so, and got his drink.

A BURGLAR'S JOKE.

Philadelphia Record.

"I had a good job on hand last night," said the burglar, "but I was stopped by an open-faced watch." "Get out." "Fact; it was a bulldog in the yard."

BASEBALL

NATIONAL LEAGUE

Pittsburg is a great ball town with a winning team. It rained and drizzled there yesterday afternoon, and the weather was cold, but 3,500 "rooters" filled to the bursting point with enthusiasm, attended the game, which was the last of the season on the Pittsburg grounds. A great many came in carriages and tally-hos, forming a long parade. Just before the game began, the baseball team was presented with a fine silver trophy by the Railroad Club, as an expression of its appreciation of the ball seen in Pittsburg this season. Ordinarily, a presentation has a disastrous effect on the recipients, but the players proceeded to demolish old Charley Nichols and the beansters in their favorite style. The score:

Pittsburg 2 0 1 0 0 3 0 - R H E
Boston 0 2 0 2 0 0 0 - 4 8 3
Batteries—Teager and Leever; Kittridge and Nichols.

Cincinnati clinched last place by losing two games to the Phillies. They were outbatted in the first game and outplayed in the second, although Phillips pitched winning ball. The score:

Philadelphia 1 1 0 0 1 0 0 - 2 0

AFTER GAME PRESERVES

Illinois and Minnesota Men to Buy Private Hunting Grounds.

Colonel William Nelson of Rockford, Ill., was in Minneapolis yesterday in the interests of the purchase of Illinois and Minnesota men who wish to secure control of from 5,000 to 10,000 acres of land in the northern part of the state for a private game preserve.

Colonel Nelson, who is a member of Governor Yates' staff, left the matter in charge of P. P. Swenson. If possible the promoters wish to secure land in which there are several lakes. If the proper tract can be secured there will be a lavish expenditure of money.

Shooters at Detroit.

Detroit, Oct. 3.—A strong wind, blowing almost due north, interfered with the success of the Parker shoot at the Rausch house grounds yesterday. Only one event of importance was the tournament handicap, and the Cincin team, composed of Caleb of Flint, Mich., and Lang of Findlay, Ohio, won, each man scoring three, making a total of forty-six targets out of fifty. The Hobo team, composed of Wood of Detroit and Scott of Detroit, were the runners-up.

English Cricketers Lead.

New York, Oct. 3.—Bosanan's team of twelve English cricketers began a two days' tour here last night and were met at the grounds of the Knickerbocker Athletic club, Bergen Point, N. J., yesterday.

The Englishmen went in for their first inning late in the afternoon and when stumps were drawn at 5 o'clock they had run to their credit for the loss of five wickets.

Would Play St. Paul.

Winona, Minn., Oct. 3.—It is announced that arrangements are pending for a team from the Town and Country Golf club of St. Paul to come to Winona next week to play a team from the Meadow Brook Golf club. Owing to numerous rains and personal reasons most of the best players of the Winona club have been out of practice for several weeks past, and the match is looked forward to with some apprehension.

Winona, Minn., Oct. 3.—Arrangements are pending where the Town and Country club of St. Paul will come to Winona next week for a game with the Meadow-Brook Golf Club.

CAUSE IS GROWING

Presiding Elders of Northern M. E. Conference Report.

'02 MEETING PLACE LEFT TO THEM

Rev. Mr. Morrison's Case Coming Up To-morrow—Plan for Support of Superannuaries.

Special to The Journal.

Brainerd, Minn., Oct. 3.—When the roll of the Northern Minnesota conference members was called this morning, 101 members and probationers responded. Bishop Cranston announced the transfer to this conference of Rev. Charles H. Fleisher from the Des Moines conference, and Rev. J. T. Hammond and Rev. U. A. Foster from the North Indiana conference.

The following probationers were advanced to the studies of the second year: R. C. Johnson, A. L. Cook, W. E. Bennett, R. T. Cummings, A. A. Myers, C. E. Ames and F. E. Lawson. The position was advanced to the studies of the third year, and the following was continued in the studies of the first year: C. F. Koch, J. A. Jewett, T. N. Swinnerton, G. W. Snell, C. F. Porter, F. W. Hill and A. J. Lidstone.

Rev. G. C. Carswell was admitted on his credentials from the Evangelical association of South Dakota. Twenty-two superannuated ministers were continued in the relations of the conference.

The question of a meeting place for the conference next year was left to the presiding elders, no invitation from any point in the conference having been received. Mr. E. Albright, of Delaware, Ohio, a representative of the Woman's Home Missionary society, was introduced and spoke for that branch of the church's work.

The discussion of the forenoon was over a report for the support of the superannuated ministers and their families. The plan finally adopted provides that every preacher who subscribes \$100 and pays \$10 a year for ten years, will receive each year, if superannuated, \$10 for every year he has been in the active ministry. An agent will be appointed to solicit money for this fund from the laymen of the church.

Mr. Albright addressed the annual meeting of the Woman's Home Missionary society this afternoon, and this evening Bishop Cranston will deliver his famous lecture on "The Cross and the Dragon."

No action has been taken in the case of Rev. J. G. Morrison, the Franklin Avenue, Minneapolis, pastor, but the matter will report up, probably to-morrow morning.

Reports of Presiding Elders.

Lafayette Dodds, presiding elder of the Crookston district, read a report of the work in his territory this year. His district has had an increase of 350 in membership. New churches, Bernhardt, Donaldson and the Home reservation.

Dr. Robert Forbes of the Duluth district, read his report, stating that while seventeen churches had been removed from his district last year, seven new churches had been added. He mentioned one built at Ogilvie, McGregor, Oak Park, and church property has been purchased at Harris. Church debts have been reduced. The Oneota church in Duluth has paid off a debt of \$10,000. He mentioned one pastor who preached during the year in seven different places. The report closed with a touching reference to the death of the little son of the pastor at Princeton, Rev. G. E. Satterlee.

J. B. Hingelby, presiding elder of the Litchfield district, reported a gain of several hundred in church membership and new churches dedicated at Beardsley, Holloway, Long Prairie and Brookfield. New churches are under construction at Woods, Revilly, Norcross, and one is being planned at Olivia.

Presiding Elder William Fielder of Minneapolis reported there had been no change in the Minneapolis district. There had been two fires, caused by the burning of mortgages at Park Avenue and Lake Street churches in Minneapolis. Improvements had been made in many of the churches and on the district there are thirty-seven churches and twelve parsonages, valued at nearly half a million of dollars. The benevolent collections are large on the district.

The bishop announced that Rev. C. B. Mitchell of Hennepin Avenue church had been transferred to the East Ohio conference, Rev. A. R. Lambert of Fowler church to the Columbia River conference, and Rev. William Pickard of Lake Street church to the Minnesota conference.

A. D. Smith, B. F. Kephart and James Thompson, who desire to be put on the Superannuated list, were heard in many of the cases referred to the committee on conference relations.

M. L. Hutton, pastor of the Congregational church at Brainerd, formerly of the M. E. church at Warren, withdrew from the church and his parchments, now in the hands of the secretary of the conference, were returned.
