MOON BETWEEN THE GOAL POSTS

And the Figures "26" Between the Moon's Horns—How He Interprets It.

A "knowing one" at Iowa City: said last night to a group of privileged characters who were allowed to watch the practice: "You may talk all you please about the new formations that are being practiced by the varsity, but I don't believe they will be tried; much in the Minnesota game. My judgment is that Kniep will take the first half of the Minnesota game to demonstrate to the Minnesota crowd that is so cocksure of victory, that his team can out-play them on straight football; without any formations or strange plays; the spectators or the reporters. He did that in the Michigan game, the biggest contest on his list last year, and if you watch, I think you will see it this year. In the second half, I look for the Iowa team to fall upon the gophers with all sorts of plays and swamp them with touchdowns."

Manager McCutcheon, who plays "hunchback" on the Iowa team, is not the only footballer gifted with second sight and ability to spot a "hunch" when he sees one. Former Captain Page of the Minnesota team is something of a hunch-monger himself, although he has been too modest by far hitherto to describe except to his most intimate friends the signs and hunches that have been revealed to him. But that he has the gift, there can now be no doubt.

The first sign that Page remembers to have made particular note of, was revealed to him last year just before Minnesota's game with Wisconsin. It was at practice late one afternoon. Page, as usual, was playing center with the varsity against the scrubs and, bending over to snap the ball back between his feet into Doble's waiting hands, he happened to notice the faint crescent of the new moon swinging in the heavens just between the two goal posts at the end of the gridiron. While he is not superstitious by nature, the old coincidence impressed itself on the big captain's mind. When the historic game with Wisconsin was played and the maroon had trailed the cardinal in the mire, Captain Page knew at once what that mystic lunar sign swung in the heavens meant.

Early last week Page saw that sign again. As before, the varsity was practicing, but this time for the game against Iowa. Page had forgotten all about the original hunch. But when he leaned over to snap the ball back, lo! there hung the silver wisp of the new moon squarely between the goal posts. It was a hunch, but that was not all. To his astonishment, there appeared in faint glow work, just between the horns of the moon, the figures "26." That settled it. Page is

Carleton to Meet Hamilton.

Special to The Journal. Northfield, Minn., Oct. 24.—On Saturday next, Carleton footballists will play one of the most interesting games of the season, with Hamilton, for the championship of the intercollegiate league's record. Carleton's team this season would not seem to indicate anything very formidable. Nevertheless, Carleton men are showing unmistakable signs of nervousness. Carleton's team is not such as to call forth much enthusiastic boasting this year. The team has been playing practice games every night, but the men are not in excellent shape. One man has seriously ill and several other players are feeling as ill and more severe of the world than one. However, it may be safely predicted that Saturday's game will have a large attendance and that all visitors will be entertained with a continuous series of "straw-colored yell."

N. D. A. C. vs. Mitchell "U." Special to The Journal. Fargo, N. D., Oct. 24.—The North Dakota agricultural college football team will have an interesting game to-morrow afternoon with the Mitchell university team, of South Dakota. A year ago, the teams met at Aberdeen, S. D., and played each other to a standstill, with a score of 6 to 6.

Quakers' Defense. Philadelphia, Oct. 24.—The University of Pennsylvania played a patched-up football game in the field and defeated Gettysburg college yesterday without much effort, by the score of 22 to 0. The Quakers put up a fairly aggressive game. The visitors managed to get the ball within striking distance of Pennsylvania's goal several times, but failed to carry it over the line because of Pennsylvania's strong defense.

Princeton's Interference. Princeton, N. J., Oct. 24.—Princeton varsity scored a clean victory here yesterday over the Orange Athletic Club, by a score of 29 to 0. The Orange players put up a snappy game in the first half and held their opponents down to eleven points. Both teams played ragged ball in the second half and each penalized three times for off-side play. Princeton played a fast game throughout, but its interference was poor at times.

Hollister Surprised. Chicago, Oct. 24.—Coach Hollister was surprised to hear that the purple expected to rely upon trick plays to win from Illinois Saturday. He stated that the reason was without foundation and was displeased that it had been given publicity. The coach believes that fake plays lose more often than they gain, and, besides this, he realizes that his proteges are too heavy to make often than they gain, and, besides this, he realizes that his proteges are too heavy to make often than they gain, and, besides this, he realizes that his proteges are too heavy to make often than they gain.

TRIED TO GET LOOMIS. NORTH DAKOTA "U" WANTED HIM. Central High Goes to Duluth Tomorrow for a Game There Saturday.

"Babe" Loomis, coach of the Central high school football team, receives an offer from the North Dakota University the first of the week to coach the flannel team at \$25 per day and expenses. After getting negative answers to two telegrams the North Dakota people sent a man here to see Mr. Loomis personally, but were unable to induce him to leave the Central team. Though having nothing but a good ground game, he dropped a goal in the game between the two teams. In all probability the North Division high school of Chicago will come here Nov. 22, and the Iowa champions, West Division high school of Des Moines, on Thanksgiving Day. The latter team defeated Ottumwa for the state championship by a score of 34 to 0.

In two halves of 10 and 15 minutes yesterday, Coach Booth secured four touchdowns against the second team; all four being made by Theis, Central's new half-back. Bidlake also did good work, being a good ground gainer. He dropped a goal from the 45-yard line but needs considerable practice to attain the accuracy necessary.

Second Team's Claims. The second team claims games from the St. Paul Mechanics and the second team of the best high school, both teams having failed to put in an appearance. A game is scheduled for Saturday with the North high school eleven, to be played at Yale place at 10 o'clock in the evening. In the game, the North high school is wanted; La Crosse preferred.

A Class Game. A football game between the junior and senior classes of the Central high school is scheduled for Oct. 31. Lawrence Merrill has been elected captain of the seniors and C. Brown will head the juniors; with Van Ness and Jones the respective managers.

North High Game Off. The game between North High and the St. Paul Mechanical Arts of St. Paul has been called off, as the Minneapolis boys are in too poor shape to play. Wingate at right end has withdrawn, as his parents object to his playing. Merrill, in place of the halves, has been out of the game with injuries, and Marks at left guard has been away for a week but showed up for practice again yesterday.

Coach Berghaus found a new man in Peterson, who will make some of the old men hustle for their places. Tallent is also back in the game.

Charged With "Ringing." Trouble is likely to arise over the line-up of the South high school football team. In the game between that eleven and the East high school last Friday afternoon it is alleged that the South Side school played a "ringer" on its team.

If this charge is proved, the South Side school will forfeit its victory over the East high school. The latter was defeated by a score of 24 to 6.

The attention of the athletic authorities of the high schools has been called to the matter.

East High vs. Stillwater. The East high school will play the Stillwater high school at Minnehaha park at 10 a. m. Saturday.

For the Fun of it. The second Blaino school team would like to arrange games with 120 or 125-pound teams from out of the city.
