ALL INDIA IN MOURNING

McKINLEY MEMORIALS ARE HELD In Bombay All Stores and Public Offices Closed on the Day of the Funeral.

The Times of India on Sept. 20 contained an interesting account of the memorial services held throughout the Indian empire in honor of the late President McKinley. The reports are from the 'Times' correspondents in Poona, Bangalore, Madras and Bombay, and they tell of the homage paid not alone to William McKinley the Christian statesman but to him as the beloved president of a great and free people.

At Madras, for example, Sir Charles Arnold presided over a great gathering at the Y. M. C. A. building. He referred in touching terms to the sad circumstances under which the president met his death. The meeting then adopted the following resolutions: "Citizens of Madras of all nationalities unite in tendering to Mrs. McKinley their respectful sympathy with her in her loss."

In Bombay all stores and public offices were closed on the day of the funeral in accordance with an order issued by the government. Memorial services were held at St. Thomas cathedral which were attended with great pomp and circumstance by the presence of high officials of the government, and by army and navy officers. Addresses were made expressing the grief of the assemblage. The services were attended by the consuls of all nations.
