Backs that are tired—weary—worn out. Backs that are lame—weak—aching. Bad Backs—sick backs—backs that ache like the toothache that keep you awake nights with their never-ceasing pains and aches—that are the burden of the day should not be neglected. Backache is the Kidneys' cry for help—neglect its warning means many Kidney ills—Urinary troubles—Diabetes—Bright's disease. There is a certain cure—

DOAN'S KIDNEY PILLS

A modern remedy for every Kidney ill—for kidneys only—goes right to the spot. Not an experiment but a proven cure endorsed by people you know.

MINNEAPOLIS PROOF

Nicollet Avenue. Veteran J. H. Chadbourne, of 727 Nicollet avenue, in the employ of the Northwestern Telephone company, says: "Lumbago was a legacy left me for my service in the army, and despite the use of half a dozen doctor's medicine, I was unable to procure anything to check the attacks let alone cure them. An advertisement drew my attention to Doan's Kidney Pills, and I procured a box at Vogel's Bros' drug store, corner Washington and Hennepin avenues. Now when they cured lumbago which one doctor declared was the worst he had ever seen, and also strengthened my kidneys and renal organs to such an extent that too frequent action of the kidney secretions was absolutely stopped. I honestly believe that Doan's Kidney Pills will cure anybody. Send others suffering in Minneapolis to me for a personal corroboration of the above."

Quincy St. N. E. Mr. Chas. H. Sunbug, of 621 Quincy street NE, says: "A dull aching in my back every night for over a year preventing me from sleeping, and when at its height soreness and stiffness in my joints felt like rheumatism. I used plasters and ordinary household remedies, but until I procured Doan's Kidney Pills at Vogel's Bros' drug store, corner Washington and Hennepin avenues, Minneapolis, Minn., and tried them I never was even helped. The results obtained from the treatment of Doan's Pills was decidedly satisfactory."

Sixth St. So. Mr. R. Kennedy, a packer at the Minneapolis Flour Mfg., 1103 Sixth street south: "I had awful pain in my back. In the morning I could hardly stand when I first got up, and on arriving at the mill I scarcely could get around. I procured Doan's Kidney Pills at Vogel's Bros' Drug Store, corner Washington and Hennepin avenues, Minneapolis, Minn., and in a short time the backache, which had bothered me for over a year, disappeared."

Washington Av. S. Mr. J. T. Chandler, bricklayer, of 115 Washington avenue S, says: "Doan's Kidney Pills did me a great deal of good and I can conscientiously recommend them. I was bothered with kidney complaint for about twelve years; my back ached considerably, but the main trouble was with the kidney secretions. I used medicines and wore plasters out, but they did not do me much good. Doan's Kidney Pills, which I procured at Vogel's Bros' drug store, positively and permanently cured me."

Fifth St. N. Mrs. J. E. Clone of 906 Fifth street N, says: "My son, a boy of 14 years of age, was run down physically, did not look well and complained of his back aching. Doan's Kidney Pills were procured at Vogel's Bros' drug store, corner Washington and Hennepin avenues, Minneapolis, Minn., for him, and it is surprising, after the treatment, how he picked up in health. His back ceased to ache and his general appearance indicates that he was greatly benefited by the treatment."

Get what you ask for. Get DOAN'S. Don't accept something "just as good." Most druggists sell Doan's Kidney Pills and will give you what you call for. Some may endeavor to substitute an article they make more profit on. Insist on having the genuine. Price 50 cents. Manufactured by Foster-Milburn Co., Buffalo, N. Y.

ON THE GRIDIRON

MAY LOSE MUELLER

Report of His Race for Money Has a Serious Look.

WHAT THE BIG GUARD HAS TO SAY

He Asserts That the Story as Printed is Without Foundation.

Minnesota is confronted with the possible loss of her great right guard, Mueller. According to a story from La Crosse, a statement has been prepared charging Mueller with having competed for a purse of \$5 in a foot race at a Woodmen's Fourth of July celebration at La Crosse last summer. The profane are said to be ample; it is even said that he took on the First National bank, through which Mueller was paid the prize, can be produced. If the facts are as stated, the case will be serious for Minnesota, as Mueller cannot well be spared. The rule, however, seems to be explicit and broad enough to cover such a case. However, it may be well to suspend judgment until all of the facts have been presented.

The Rule.

The rule reported broken reads as follows: No student shall participate in any intercollegiate contest, who has ever used or is using his knowledge of athletics or athletic skill for gain. A suggested rule, but one which was not adopted, is given below. It is regarded as containing the spirit of the above rule: Any person who shall hereafter compete in an athletic contest announced as amateur, but for which a purse or money prize is given, is ineligible to compete in college contests.

What Mueller Says.

Mueller this morning had a talk with Dr. H. L. Williams, director of athletics at the university, but would say nothing for publication except this, that the story as printed was without foundation. Dr. Williams said that there was nothing to be said until the facts in the case had been obtained. What he learned from Mueller is, therefore, unknown. Professor F. S. Jones seemed to regard the case as rather serious for the football team. He said that if the facts were as stated and Mueller had entered the race knowing that a purse was to be given the winner, he was amenable to the rule quoted above. He said, however, that it would be well to suspend judgment until the facts had been obtained. He has begun an investigation and will take the matter up with Mueller at once.

How to Fill the Place.

With their customary foresight the students have begun to guess as to what will be done in case Mueller is finally barred. One of the suggestions which the lay mind seems to contain a good deal of merit, is that Aune be taken from end and put at right guard, and that Hoyt take Aune's place at the end position. Ricker has been practicing as substitute guard.

May Get a Jolt.

In the game with the Haskell Indians, Saturday, Rogers, Minnesota's left end, will be pitted against Archquette, the captain of the Haskell team. The struggle of these two men alone will be worth seeing, as the Haskell captain is said to be one of the fastest Indian players in football this fall. Hedwater, Haskell's left guard, is a last year's Car-

leton, having developed the guards-back and tandem system far more perfectly than Kansas and having the weight and speed that Kansas lacked, are altogether likely to do better than the Kansas trick of gaining sixty yards. Some say it looks dubious for the cardinal.

The scrub eleven will be drilled in the guards-back formation and with the ball continuously in their possession will be sent against the varsity line with all the aggressiveness with which they can be inspired.

MANY HAVE FALLEN

Eligibility Rules Seem to Have Been Shattered Generally.

Special to The Journal. Fargo, N. D., Oct. 30.—The recent agitation over the eligibility of quarterback Williams, of the Iowa team, leads to the report that there are a lot of others as ineligible as Williams, barring the fact they did not play under assumed names, as Williams did. Turner, of the Hamline team, was the regular first baseman of the Langdon ball team in the North Dakota league last summer and was presumably one of the highest salaried men in the aggregation. "Joe" Zalusky, who is putting up a star game on the gridiron this fall with Knox college, was the regular catcher on the Lamore team on which Williams was excluded from the game at Minneapolis Saturday would wreck at least three football aggregations.

Practice Was Slow.

The Minnesota team was sent out through an hour's practice yesterday. The heat affected the men and the play was lacking in snap, but the offense worked smoothly and the varsity had a comparatively easy time with the scrubs. Schacht and Mueller are not likely to play Saturday. Thorpe probably will be played in Schacht's place at right tackle, while Ricker or Jensen may be selected to take Mueller's place at right guard. Boeckman, whose injured knee has been bothering him since Saturday's game, went through the signals with the varsity.

IOWANS HAVE LITTLE HOPE

Begin to Fear Williams Won't Be Reinstated.

Special to The Journal. Iowa City, Iowa, Oct. 30.—A meeting of the members of the "big nine" conferences colleges will be held in Chicago next Saturday for the purpose of deciding the eligibility of Captain Williams of the Iowa team. Williams was threatened with a protest at Minneapolis Saturday by the Minnesota board of control, but before the protest was made the Iowa eligibility committee decided not to play Williams and stay on the safe side.

Badgers' Weak Point

Fear That It Will Suffer Under Gopher Attacks.

Madison, Wis., Oct. 30.—The most significant development of the Wisconsin-Kansas game is the fact that the guards back and tandem formations are dangerously effective against the badger line. The defense that King, Chamberlain and Riordan have been developing for the past week of hard practice was pierced repeatedly by the comparatively weak Kansas team by means of lining up several men and pounding straight ahead against Wisconsin's tackles.

Close Rub Expected.

Special to The Journal. Chicago, Oct. 30.—Lack of energy and spirit in the daily scrimmage against the first team brought down the censure of Coach Stagg upon the heads of the varsity scrubs yesterday. The scrubs were too easy to enable the regulars to get any benefit from the daily practice. At the close of practice, Coach Stagg expressed the opinion that the Beloit team would give him a close rub on Saturday.

Nebraskans Are Stronger.

Lincoln, Neb., Oct. 30.—Secret practice was begun by the Nebraska football squad this week by way of preparation for the game against Phil Kline's badgers, next Saturday.

at Milwaukee. The improvement shown by the core hinders during the past week or ten days lends encouragement to Nebraska rooters that their favorites will render a good account of themselves, even if defeated. "Pennsylvania never protests players of other college teams. She allows other colleges to govern their students' eligibility, but she does sometimes ask questions regarding players called to her attention. If the other college is satisfied that the men are all right, Pennsylvania does not protest."

Beloit Won't Protest. Philadelphia, Oct. 30.—"Pennsylvania will not protest any of Columbia's players," said Dr. Edgar Smith, chairman of Pennsylvania faculty athletic committee yesterday. "Pennsylvania never protests players of other college teams. She allows other colleges to govern their students' eligibility, but she does sometimes ask questions regarding players called to her attention. If the other college is satisfied that the men are all right, Pennsylvania does not protest."

Beloit O. Kansas O. Beloit, Wis., Oct. 30.—The Beloit college and Kansas university game yesterday of two fifteen-minute halves was without score. Beloit came nearest to scoring near the end of the second half, while Merrill tried for a goal kick on Kansas' twenty-yard line directly in front of the posts. The pass was poor. Kansas blocked the kick and the ball was given to the Jayhawkers by referee Killebrew. Beloit did some punting, but aside from that none of the varsity team did any work. The coach says that he wants all of them to get in excellent condition for Chicago next week.

WHITE'S APPEAL

Iowa Man Charged With Procuring Liquor for a Drunkard.

Special to The Journal. Iowa Falls, Iowa, Oct. 30.—The case of the state vs. William White, which originated in a justice court in this city, will be heard in the district court at Eldora to-day and involves a point over which there is much controversy. It appears that White was charged with procuring liquor for a habitual drunkard, and the point was raised that such a transaction did not constitute a sale and was, consequently, not a punishable offense. The court held that it was a sale in the sight of the law, and objections being taken to the ruling, the higher court will pass on the issue.

MAY STEAL SILVER BUT NOT COPPER.

Calumet, Mich., Oct. 30.—The Mass Consolidated Mining company is evidently not in favor of the free silver doctrine as practiced at its mining location. The Mass mine is notably rich in silver, and for some time the company has suspected that a large part of the silver produced does not reach the company. Last week several employees were arrested on the charge of stealing. All the mines of the Lake Superior copper district produce more or less silver, the greater part of which never reaches the coffers of the companies. The doctrine among the miners appears to be that it is wrong to steal copper, but perfectly legitimate to pocket silver.

CAME OFF THE PERCH

South Side Football Boys Apologize to Principal Ozias.

CAPTAIN SLONE IS DEPOSED

Coach Fitzgibbons Is Let Out and Clarence Myrick Is Made Captain.

The members of the South High football team have capitulated. Yesterday Captain Slope was removed from his position through retained on the team. Coach Fitzgibbons was discharged, and the eleven formally apologized to Professor A. N. Ozias, principal of the school, for their action in going to Duluth without permission. The team then elected Clarence Myrick captain. Myrick is a colored boy and one of the surest ground gainers on the team. His election is a high compliment to his ability and he enjoys the distinction of being the only negro who has ever been selected to run a team belonging to the interscholastic association.

The change in the situation at the South High will not be allowed to interfere with Central's game with Carleton, which will be played at Northrop field Friday afternoon. However, a game between Central and the South High will be arranged for later.

Special interest attaches to this game because of the intense personal rivalry existing between Myrick and Marshall, Central's colored player. The men play opposite to each other and they have long wanted a chance to test their strength. This feeling of rivalry has been carefully fostered by other members of both teams, and both the colored captain and his dusky opponent are eager to try conclusions.

UNSPORTSMANLIKE

Conduct of Certain Duluthians Is So Characterized.

Members of the Central high school eleven are indignant at statements made by a Duluth newspaper, to the effect that the officials in Saturday's game favored the Central team. Coach H. C. Loomis said: "The statement is made that Umpire McCall did not treat the Duluth team fairly in his decision. A St. Paul paper goes farther, and claims that McCall was at Duluth for two weeks watching the work of the Duluth team, and that, although an official, he gave away their formations to Central. "As a matter of fact McCall was not an official. The referee was Glyn of Duluth, and the umpire was Walker, formerly a Minneapolis man, but now in business at Duluth. McCall had no official connection with the game. "Further McCall did not go to Duluth until Friday afternoon, and never saw a Duluth team play until Saturday. "We received it to our worst treatment at Duluth that the team has had in a long time. Coach Park was allowed to go upon the field to attend to some of his injured men, upon promise that he would not attempt to coach. "In spite of his promise he was detected advising his players about the game. Then, toward the close, when he saw that his team was beaten he tried to get the crowd to push out on the field early break up the game. Then, again, he attempted to persuade one of the officials to declare the game forfeited to Duluth and declare all bets off. "Again, Duluth refused to give up the ball used in the game. It is an unwritten law of football that the winning team is entitled to the ball. "The Duluth players were repeatedly

Two Normals to Meet.

Special to The Journal. West Superior, Wis., Oct. 30.—The Superior normal football team is planning to play one of the hardest games of the season next Saturday afternoon against the St. Cloud normal. The home team is confident of victory.

East High Game Off.

The East high will not play Friday. Their game as scheduled with the Mechanics Arts of St. Paul has been changed and the contest will probably be pulled off on Wednesday next. The East high team is in fine shape except for the loss of King, who broke his collar bone in the South Side game two weeks ago. In attempting to rise Monday he slipped the bone and so will not be able to get into the game again this season. Mitchell, who was also hurt in the same game, is out again and is putting up star work. The East high will probably play a practice game with one of the frat teams of the "U" Friday.

Winona After Blood.

Special to The Journal. Winona, Minn., Oct. 30.—The Winona and Eau Claire high school football teams will meet tomorrow afternoon for a game. Winona went to Eau Claire early in the season and was defeated, but it was the only defeat game they had during the season. By hard work it has since much improved. The Eau Claire team has not had its goal line crossed this season.

Town Team Not High School.

Professor F. P. Phipps, principal of the Farmington high school, writes that the boys of this school are judgment that they have been reported as having played a Sunday game with the Washington team. He states that it was the Farmington town team that played the Blaine team at Rosemont not the Farmington high school team, which has been disbanded.

Minor Games.

The American Boys tied the score in a well-played football game with the Sumner school team. At the end of the second half, the score was 5 and 5. The American Boys challenge any eighty-nine-pound team in the city. Address Ira Bauman, 148 Highland avenue. Franklins, of Minneapolis, defeated the Tigers, of St. Paul, on the grounds at the latter, Saturday, by a score of 5 to 5. The game was fierce from beginning to end and several of the players were knocked out. The Little Paris-Murons played against the Washingtons Monday, the score resulting 15 to 0 in favor of the former. The Murons want games with other teams. Address Arthur Ridgway, 611 E. Eighteenth street.

The Blaines deny the statement of the Adams team to the effect that the latter has not lost a game this year. The Blaines say they defeated the Adams team, 11 to 0, in the White Stars challenge any team in the city for a game Saturday. Address F. H. Heath, 722 Nicollet avenue. The Lyndalies will play a game with the Blaines Saturday at 2:30 p. m. at Blaisdell and Twenty-sixth street. S. Address E. J. Hollander, 3022 Harriet avenue.

CHINAMAN TO HUNT DEER.

Special to The Journal. Marquette, Mich., Oct. 30.—Moy A. Lon, a Chinese laundryman engaged in business at Republic, this county, has just taken out a deer hunter's license. As far as can be learned he is the first celestial in the upper peninsula of Michigan who ever manifested an intention of taking to the woods in quest of the four-footed game. He is 51 years of age.

BARBERS.

Puck. To him no obstacle appeared. "It is true," he said, "that your folks' butler looks more important than my folks', but love levels all ranks." The barbers trembled. She loved him truly, but was it the part of wisdom thus to ignore the barriers of caste?

FARMINGTON'S BEST SUGAR OUTPUT.

Special to The Journal. Farmington, Minn., Oct. 30.—So far this fall 103 tons of sugar beets have been shipped from Farmington station to the factory at St. Louis Park, and there remains a quantity still to be loaded. This badly beats Northfield's record of forty-seven tons. The football team from this place that played at Rosemont last Sunday against the Blaine Athletic association team was not the high school team, as was erroneously stated in Monday's paper. The Farmington high school team does not play on Sunday. The ducks have about all left the small lakes near here and gone north. The fair weather sent them back to their breeding grounds.
