THE MINNESOTA-WISCONSIN FOOTBALL GAME,

Which comes off at Madison to-day, is probably the most important event of the season in the annals of football in the northwest. It will be a de-

championship to—one or the other of the two teams.

And after the game, what a whole-sale cleaning up will be necessary to restore the boys to a presentable condition. If possible, both elevens should be sent to some good cleaning establishment like the FULLER LAUNDRY, and be cleaned up at least "rough dry." But, since this is not practicable, why not send your laundry work here instead. It will be finished to a queen's taste. Try it and see.
