

BASEBALL
LUTHER WAS EASY
Columbus Finds Him in the Second Inning.

COLLET PLACED ON THE SLAB
But It Was Too Late to Save the Day
-Columbus' Fielding Was Fast.

Luther's reputation in the western association last season was not sustained in his first game in the American association yesterday. He was not a good muller nor a good reformer, but simply an easy mark at the bat. A lot of Columbus players patted their batting records. They did not discover Luther until the second round, but when they became acquainted with his stock in trade they cleared out his whole shop. Every ball went clear to the fences and the hit was hardly counted unless it was good for extra bases.

After five innings of slaughter Manager Wilnot's patience gave out and he sent Amateur Collet from White Bear lake into the game. Then came the only real reason why the run was made by the senators in the last four innings and Collet's work naturally starts a speculation as to what might have happened had he been the first in line. The millers hit ex-Miller Harvey Bailey very freely, but fast fielding prevented many apparently safe drives.

Manager Wilnot says that in view of the short training the millers had and further fact that it is a brand new team, he is perfectly satisfied with the work of his bats. Collet is a willing muller and will get on edge very soon in his opinion. Quillin will prove a wonderful shortstop and Phye as a third baseman will be a revelation.

Even though you are not ready to buy, you're perfectly welcome to examine and try on different garments and learn how reasonable we sell them.

\$6 for a finer sailor suit, in colors dark blue, electric blue, royal blue or dark red, all handsomely trimmed with white soutache braid or colors to match cloth, all sizes 3 to 10 years. Take your choice Saturday at \$6.
