WOMEN POLITICIANS

Senator's Wives Want Three Na- tional Vice Presidents.

OBJECT TO CABINET SUCCESSION

Believe the Present Plan Illogical and Unjust to Voters—Draw- ing-room Debates.

New York Sun Special Service.

Washington, April 25.—Here at the national
capital the women take a hand in politics
now and then. The wives of some of the
senators are working to secure an important
amendment to the constitution of the United
States. They desire that this amendment
should provide for the election of three vice
presidents at each quadrennial election, these
officials to rank in the order of their nomi-
nation and placing on the electoral ballots.
Mrs. Brewster looks with some indignance on
this idea of her wives and one recently said
that if the women could only find some proper
occupation for the two extra vice presidents
during the four years, and, chimerical as
the proposition seems on its face, the women
proposing it claim to be in earnest.
The question is being ably debated in Wash-
ington drawing rooms.
Most of the fair sex believe that putting the
presidential succession in the cabinet officers
is illogical and unjust to the voters of the
United States.

LAKE MINNETONKA

The Sunday argles that have heretofore
made Lake Park hideous are a thing of
the past. The authorities of that suburb,
which has been incorporated since the
closing of last season's business, have
issued the edict that no more Sunday pic-
nics, at which liquor selling is allowed,
will be permitted. In compliance with this
order, picnics of this nature will not
be brought to the lake, but will be held
at more congenial spots. There will be of
course be Sunday picnics, but they will be
of quiet order.

So far only two Sunday picnics have
been booked for Tonka Bay, the Silver
Leaf Druids who are booked for June 15,
and the Sons of Norway, who will be at
the lake June 22. The Eagles will hold
their annual picnic on Big Island, Sun-
day, June 23.

LESS CANDY.

Better to Give Children Delicious Food Than Candy.

Some foods will cure dyspepsia and
other foods will cause it. The safest way
to get well is to use the food that agrees
with the stomach and permits Nature to
go along in a thoroughly natural way.
A lady says, "I have at last found a true
way to get well and keep well, and that
is by the use of Grape-Nuts Breakfast Food."
For six years I suffered with indigestion
and palpitation of the heart so that I
could not sleep nights. I tried a great
many different kinds of medicines and a
lot of different kinds of cereals, but none
of them helped me, and my stomach
seemed to get worse and worse.
I became very despondent and was at
a loss to know what to do. One day I
read in the paper that Grape-Nuts Break-
fast Food would cure indigestion and
build up the body. I wondered if it con-
tained any medicine, but learned that it
did not, but that it was only a food pre-
pared so that the stomach could easily
digest it.
The next time I went down town I
bought two packages. This was on Tues-
day and it was all gone on Saturday, for
we all liked it so much, so I sent down
and got three more packages and from
that time I have been using Grape-Nuts
steadily and my indigestion has entirely
disappeared.
Sometimes when my little girl has been
playing extra hard after supper she will
climb on my knee, pat my cheek and
whisper in my ear, "Mama, please give me
something good, I say [knowing all the
time] 'What is good, dear?' She says,
'Grape-Nuts with cream on top, and there
is nothing, candy or anything else, that
she enjoys better than this good, whole-
some food. She eats it for breakfast
every morning and prefers Grape-Nuts
pudding for dinner. At night she has
Grape-Nuts for her supper with a soft
boiled egg and she thrives wonderfully
on this kind of food." Name given by

The annual meeting of the Travelers was
held yesterday afternoon at the home of Mrs.

As the club will begin a two years' study
of German next season the decorations and

try. The flags of Germany and America
draped the doorways and walls and clusters
of red and white tulips were placed here
and there.
The club elected the following officers:

dent, Mrs. Will Campbell; secretary, Mrs.
W. A. Frisbie; treasurer, Mrs. John Baxter;
auditors, Mrs. J. S. Kearney and Mrs. J. S.

year was read and approved by the club.

in the public library the club will have its
own circulating library for the next two
