It has a capacity of 2,344 meters, four times as great as the airship of Santos Dumont. A third car is built into the balloon, giving it the appearance of a big cigar with a thin wedge cut out of it. The frame fits into the wedge-shaped opening. The airship is driven by three screws, two attached to the central axis of the balloon and the third to the axis of the car. It has two petrol motors, one of 24-horse power at the stern and another of 16-horse power at the bow. Both have four cylinders and are cooled with water. There are electric batteries for lighting purposes. The airship will carry two engineers, whose sole duty will be to attend to the motors. These will be carried in addition to Senator Severo, who is confident of success, although the machinery of his airship is most complicated. He is only awaiting a fine day to make an ascent.

ARE YOUR KIDNEYS WEAK?

Thousands Have Kidney Trouble and Never Suspect It.

To Prove What the Great Kidney Remedy, Swamp-Root, Will Do for YOU, Every Reader of the Journal May Have a Sample Bottle Sent Absolutely Free by Mail.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected, and how every organ seems to fail to do its duty.

If you are sick, "headache" begins taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince any one.

Weak and unhealthy kidneys are responsible for many kinds of diseases, and if permitted to continue much suffering with fatal results are sure to follow. Kidney trouble irritates the nerves, makes you dizzy, restless, sleepless and irritable. Makes you pass water often during the day and obliges you to get up many times during the night.

Swamp-Root is pleasant to take and is used in the leading hospitals, recommended by physicians in their private practice and taken by doctors throughout the world.

Special Note—If you have the slightest symptoms of kidney or bladder troubles, or if there is a trace of it, at once to Dr. Kilmer & Co., Binghamton, N. Y., who will gladly send you by mail, immediately, without cost to you, a sample bottle of Swamp-Root and a book, containing many of the thousands upon thousands of testimonial letters received from men and women cured.

DR. KILMER'S SWAMP-ROOT. Kidney, Liver, & Bladder CURE. DIRECTIONS: May be used, two or three teaspoonfuls before or after meals and at bedtime.
