

CRITICIZING EDDY

Norwegian Press Wroth at His Immigration Operations.

DON'T LIKE TO LOSE GOOD MEN

The Congressman Explains and Denies the Canadian Company's Contract.

Congressman Eddy's work in Norway in recruiting laborers for the Clergue syndicate enterprises in Ontario greatly disturbed the Norwegian press and people.

Canada has no alien contract labor laws as protect labor in the United States. It would have been impossible for Congressman Eddy to bring his Norwegian laborers to the United States by any such methods as he employed in Christiania.

The company offers these men lands at from \$2 to \$5 per acre on a year's time at 10 per cent and agrees to buy timber.

One of the pilots on his return to Christiania stated that fighting was resumed on the way out of the fjord and that a great many expressed a desire to return with him, but they were prevented from doing so.

Verdens Gang, one of the most influential of Norwegian papers, in an editorial of March 15 the contracts offered by Mr. Eddy, says:

On the whole, the conditions offered are not especially attractive, though they are not enough, even if the weather should not be down in the mines, out in the woods or in the factories, as may be decided by the employing company.

The laborers can console themselves by the fact that the prospectus says that there are no child winds, should they turn up, the contract still stands. The passage is free, except as to food during the two or three days the railway journey lasts.

CRITICISMS ARE UNJUST

Congressman Eddy Explains the Contracts Used in Norway.

Washington, May 3.—Representative Eddy said today that criticisms of his action in bringing contract laborers from Norway to Canada and of the contracts themselves are unjust.

The contract contains the following provisions in substance: The company agrees to furnish transportation from Scandinavia to Sault Ste. Marie, Ont., for \$50; second, to furnish employment to the party contracting for one year at \$1 a day for the first 100 days, and \$1.50 a day for the remainder, ten hours to constitute a day's work; third, to furnish board at \$5.50 per week.

All Humors

Are impure matters which the skin, liver, kidneys and other organs can not take care of without help, there is such an accumulation of them.

They litter the whole system. Pimples, boils, eczema and other eruptions, loss of appetite, that tired feeling, bilious turns, fits of indigestion, dull headaches and many other troubles are due to them.

Hood's Sarsaparilla and Pills

Remove all humors, overcome all their effects, strengthen, tone and invigorate the whole system.

"I had salt rheum on my hands so that I could not work. I took Hood's Sarsaparilla and it drove out the humor. I continued its use till the sores disappeared." Mrs. I. A. Brown, Rumford Falls, Me.

Hood's Sarsaparilla promises to cure and keeps the promise.

Who makes the first break in Minnesota's "solid seven" by pulling out of the race for re-

guarantee party will fulfill his contract. The company also agrees to help the men bring over such persons as they desire after they have worked for the company six months.

The Norwegian press and the wealthy classes were bitterly opposed to us from the start. They do not want to see any more contract labor in Norway. He states that the Swedish government would not allow any work in Sweden.

Verdens Gang, one of the most influential of Norwegian papers, in an editorial of March 15 the contracts offered by Mr. Eddy, says: On the whole, the conditions offered are not especially attractive, though they are not enough, even if the weather should not be down in the mines, out in the woods or in the factories, as may be decided by the employing company.

WOMEN SAY OF PE-RU-NA!

"I Will Never Be Without It."

A Heart to Heart Talk With Women

S. B. Hartman, M. D.

ALL the sick mothers, invalid daughters and diseased sisters in the world would take the following ladies' simple and direct testimony to heart and do as they have done, no pen could describe the benefit that would follow.

There are so many women, especially married women, who drag themselves wearily around from year to year without any particular disease, and yet miserable beyond description.

They ache and tremble and throb, growing more nervous, tired and debilitated every day.

For this class of sufferers Pe-Ru-na is the most perfect remedy in existence. It relieves, it soothes, it quiets, it strengthens, and no tired, overworked woman in the land should be without Pe-Ru-na in the house for a single day.

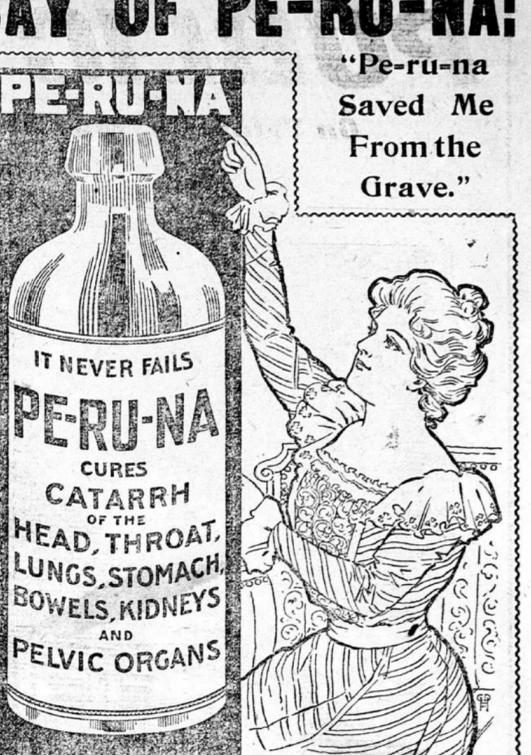

Pe-Ru-na Brings Health. Miss Inez Henderson, 554 Adelaide street, Toronto, Ont., Medical Secretary of the Royal Templars, writes:

"There is nothing so good in life as health, and the one who brings you health should be your friend, and this is what I consider Pe-Ru-na."

"For years I have been in delicate health and while not exactly sick in bed, was unable to enjoy life. Frequent headache, earache, and a drumming in my ears made me realize that there was something decidedly wrong with me. My physician said it was a deep seated catarrh and that to be cured I must seek a different climate. I felt that I was decidedly wrong with me, and I was determined to try the cures performed by Pe-Ru-na. I decided to try it. I took four bottles, which brought me great relief, so that I was able to get on my feet again. When I found that my head was clear and all the unpleasant symptoms gone."

INEZ HENDERSON. Saved From the Grave. Mrs. Sophia Hartful, of Spencer Brook, Minn., writes:

Pe-ru-na Saved Me From the Grave.

IT NEVER FAILS PE-RU-NA CURES CATARRH OF THE HEAD, THROAT, LUNGS, STOMACH, BOWELS, KIDNEYS AND PELVIC ORGANS

"I was very seriously sick last spring—sick enough to die! I did not know what to do. I was looking over one of your almanacs and found that Dr. Hartman was the best one for my trouble. I suffered from systemic catarrh. I described my sickness to Dr. Hartman and he wrote me that I should use Pe-Ru-na. I did, and now I am a healthy woman."

Pe-Ru-na Woman's Friend. Miss Nellie Lindsay, 30 Hattie Court, Marinette, Wis., writes: "My experience with Pe-Ru-na has been such that I am very glad indeed to be able to recommend it. About two years ago my health began to fail. I lost my appetite, had backache most of the time and any over-exertion would keep me in bed a week or more. I needed a good tonic to bring me back to health and strength; but did not know which would be of benefit. Pe-Ru-na was recommended as woman's friend and such it proved to me, for when six bottles had been used I was restored to health."

SOPHIA HARTFUL. A Prominent Club Woman of New Orleans Recommends Pe-Ru-na to Women Over 40. Mrs. M. Van Vranken, chairlady of a select committee of Standard Mutual Beneficial Association of New Orleans, 521 Fourth street, New Orleans, La., writes:

"In connection with my official work I have repeatedly found Pe-Ru-na a most reliable remedy. In cases of catarrh of the system there is nothing which will cure any quicker, and as a remedy for worn-out women it is superior to anything I know."

"It restores a mother after severe childbirth, and prevents jaundice and irregularities in a very short time. I have found it of much value, both as a preventative of colds and as a tonic when I have been feeling badly, and although I never give a testimonial for anything I make an exception in favor of Pe-Ru-na, as I consider it of exceptional value."

MRS. M. VAN VRANKEN. Pe-Ru-na Sixteen Years. Mrs. Elizabeth Scherer, Mount Vista, Colo., writes:

"For 16 years I suffered with catarrh and stomach trouble. I doctored and took patent medicines without benefit. I read in one of your almanacs about Pe-Ru-na and thought it would perhaps help me. I have used nothing at all in the way of remedies except Pe-Ru-na for about two years, and my health could not be better than I now enjoy. This remedy is also good for coughs and colds."

"I shall never be without it in my house." ELIZABETH SCHERER. If you do not derive prompt and satisfactory results from the use of Pe-Ru-na, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.

Address: Dr. Hartman, President of the Hartman Sanitarium, Columbus, Ohio.
