"Shut your eyes, open your mouth and see what luck will bring you."

The mother smiles at the childish game, and doesn't realize that it is a game she as a woman has perhaps played for a great many years.

Many a woman is weak and sick, nervous and discouraged. She suffers from headache, backache and other ills. She wants to be well, but all she does is to shut her eyes and open her mouth for medicine and trust to luck for results.

"I HAD BACKACHE MOST OF THE TIME."

"Pe-ru-na Is a Woman's Friend."

Writes Miss Lindsay, of Marinette, Wis.

Tired Women, Run Down, Weary and Weak, Morning, Noon and Night.

If one were to ask all the nervous, fretted, jaded, fagged-out women who work day after day, hardly able to keep on their feet—if a person were to ask them what their trouble was, one would say dyspepsia, another nervous prostration, another female weakness, and so on.

The fact is, however, that they nearly all have the same disease, and that disease is chronic catarrh.

Thousands of people have chronic catarrh and do not know it.

They realize that they are sick, but they do not suspect that their disease is chronic catarrh.

If they have catarrh of the stomach, they call it dyspepsia; if they have general catarrh of the bowels, they call it nervous prostration; if they have catarrh of the liver or kidneys, they say they are bilious or have kidney disease; and if they have catarrh of the pelvic organs they name it female weakness.

The truth is, all these organs are subject to catarrh, and the land is full of tolling women, half invalids, who have chronic catarrh in some stage or form or some of these organs.

Women from all parts of the United States bear testimony to the fact that Peruna cures female catarrhal diseases.

Mrs. Kate Mann, 806 Bathurst street, Toronto, Ont., Canada, Vice President of the Ladies' Aid Society, writes:

"I am pleased to give praise to Peruna for the blessed relief I found through its use."

"I suffered for years with backache and dragging down pains, and often had to go to bed and stay there when I was busy, and could not be spared. It was therefore a simple Godsend to me when Peruna was brought to my notice. Every day seemed to give me new life, and every day made me feel much better, and I promised myself if it cured me I would advocate it so that other suffering women should know of it."

"I have been in perfect health for one year. I enjoy work and pleasure because in such fine health, and no trouble seems too heavy for me to bear when I have good health."

"Peruna has simply been a household blessing and I will never be without it again." MRS. KATE MANN.

Miss Olive J. Fitts, 520 S. Broadway, Los Angeles, Cal., writes:

"About a year ago I was troubled with a severe attack of nervous debility and was reduced to a skeleton-like proportions. My friends advised a change of climate and I went to Phoenix, Arizona, but received no permanent or even appreciable relief until I began the use of Peruna recommended by a friend there."

"I took perhaps three bottles and am to-day well and hearty, but will not say how much I weigh for fear I might be called fat."

OLIVE J. FITTS.

Mrs. Col. E. J. Gresham, Treasurer Daughters of the Confederacy, and President Herndon Village Improvement Society, writes the following letter from Herndon, Fairfax county, Va.:

"The Peruna Medicine Co., Columbus, O. Gentlemen—'I cannot speak too highly of the value of Peruna. I believe that I owe my life to its wonderful merits. I have suffered with catarrh of the head and lungs in its worst form, until the doctors fairly gave me up, and I despaired of ever getting well again. I noticed your advertisement and the splendid testimonials given by people who had been cured by Peruna, and determined to try a bottle. I felt but little better, but used a second and third bottle and kept on improving slowly."

"It took six bottles to cure me, but they were worth a king's ransom to me. I talk Peruna in all my friends and am a true believer in its worth."

MRS. COL. E. J. GRESHAM.

Miss NELLIE LINDSAY. A Grateful Girl's Letter to Dr. Hartman.

Peruna Medicine Co., Columbus, Ohio: Gentlemen—'My experience with Peruna has been such that I am very glad indeed to be able to recommend it. About two years ago my health began to fail, I lost my appetite, had backache most of the time, and any over-exertion would keep me in bed for a week or more. I needed a good tonic to bring me back to health and strength, but I did not know which would be of benefit. Peruna was recommended as a woman's friend, and such it proved to be, for six bottles have been used and I am restored to health.'
