FOURTEEN IN RACE

Big Field Will Start in the Suburban Handicap.

GOLD HEELS IS THE FAVORITE

Withdrawal of Water Color Leaves the Result Very Much in Dispute.

From present indications the field for the suburban handicap which will be decided at Sheepshead Bay on Saturday will be made up of fourteen horses.

Trainers who had no idea of racing their charges are willing to pay \$200 starting fee now that J. B. Haggis's crack 4-year-old is in.

It is a \$200 gamble against \$8,000. All the horses entered in the race appear to have an equal chance, for there is not one left in that has a mortgage on the result.

The horses that probably will start are: Gold Heels, Advance, Blue Girl, Reins, Rockhampton, Monograph, Pentacost, Contend, Watercure, Herbert, Blue Girl, Carbuncle and Dixieline.

Watercolor was declared out. Advance Guard is six to one.

Herbert, ten to one; Monograph and Oomp Paul, Reins, Rockhampton and Sadie S., twenty to one; Pentacost and Blue Girl, fifteen to one.

In the race for the Kempton Park 2-year-old plate of 1,000 sovereigns at Kempton Park Saturday, Lord Dunsraven's Salute, with J. H. Martin, is the favorite.

Principally a second, and William C. Whitney's Ayrshire Beauty was third.

Jockey Arthur Booker, who was thrown Memorial Day at Gravesend, died yesterday. He was 19 years old.

At the time of the accident Booker was astride of the 2-year-old colt Red Knight, when the youngster stumbled and the boy was thrown with great force on the ground.

While prostrate, another colt fell over him and his skull was fractured. He never regained consciousness.

The dual meet between the University of Chicago and the University of California was won Saturday by Chicago by a score of 5 to 3.

Shortly after the games were called a prizefight in set in, which finally ended in a terrific downpour that stopped the prizefighting.

The best race of the day was the 220-yard dash, participated in by Blair and Senn of Chicago, and Cadogan of California.

Ferguson, both of Grand Forks, second and third. The team event was won by the Crookston, consisting of Rowe, Starr, Gillson and Morrison. Grand Forks was second, in the "miss and out" event, Seymour made twenty-five straight, with Hirschy of Minneapolis one behind him.

Kramer was winner in the weekly shoot of the Como Gun club yesterday. His record was twenty-four out of a possible twenty-five targets, unknown angles.

Arrangements have been made by the sponsors of the club for a grand shooting tournament to be given here June 11 and 12, under the direction of William E. Kessler of Chicago. AUTOMOBILES

P. C. Shardlow, at Montevideo, Minn., May 31, took rural mail carrier No. 3 on his twenty-six-mile trip, delivering mail to seven delivery boxes in two hours and six minutes. Considering the number of stops, hills, sandy or rough roads, with 400 pounds up, this was a very good showing, and better than half the time the carrier is to do the same work with team.

OTHER SPORTING NEWS

The executive officers of the Minnesota division, League of American Sportsmen, will ask the next session of the legislature for a larger appropriation for the department of the game and fish commission.

The S. P. Fullerton, state warden, addressing a meeting of the officers of the league at the Commercial Club, pointed out the fact that the present appropriation of \$25,000 was quite small and that the department was in a particularly smooth and hard bit of path.

The party reached Shakopee about 1 o'clock and left on the return trip at 5 o'clock. Hansen paced the party, riding a single wheel. His motor was barred by unanimous vote of the riders who took part in the run.

COLLEGE SPORTS

High Leach has been chosen captain of the university baseball team, which returned yesterday from a most disastrous trip through Wisconsin, Illinois and Indiana.

The Gophers hoped to retrieve themselves at Madison, but the game which was scheduled to be played on Saturday was called off on account of rain.

Leach is regarded as one of the best catchers Minnesota ever had, although he has been kept out of the game during the last few weeks by a split thumb. He is expected to develop a strong aggregation next spring.

BOER LEADERS' LETTER

A Committee to Obtain Money for the Widow and the Orphan.

New York Sun Special Service

Pretoria, June 8.—Following is the text of the translation of the last letter of the Boer leaders to Vreeniging to the burghers in the field when peace was signed:

Fellow Brethren and Countrymen: We feel it to be our duty to address a word of thanks and farewell to you on ending our struggle. It is our duty to inform you that peace has now been concluded in a manner and on the terms of an agreement signed by the two governments and is set forth in a resolution this day adopted by the burghers assembled at Vreeniging.

We heartily thank you for your heroism, for your sacrifice of so much that was dear and beloved by you, for your obedience and for your faithful discharge of duty, all of which serves the honor and glory of the Afrikaner people.

We counsel you all to adhere to this peace, to conduct yourselves quietly and peacefully, and to obey and respect the new government.

Further, we would inform you that the head of the commission who has appointed representatives of the two states for the purpose of obtaining money and means to provide as far as possible for the widows and orphans whose husbands and fathers have given their lives in the struggle for freedom and justice, and whose memory will ever remain in our history.

We also express heartfelt sympathy with those who mourn, and pray God to give them strength to bear their cross.

We would also speak a word of praise and thanks to our women and children, who so heroically borne the most bitter sacrifices and suffering. Now there is peace, and although not the peace which we longed for, yet let us abide where God has led us. We can with clear conscience declare that for two and a half years our people carried on the struggle in a manner almost unknown in history. Let us now grasp each other's hands for another great struggle lies before us for the spiritual and social prosperity and welfare of our people. Casting aside all feelings of bitterness, let us learn to forget and forgive.

E. W. Grove.

Local golfers are now hard at work preparing themselves for the state tournament which will open at the Minikahda club links in this city June 28. The wet and cold weather of the spring months has kept the players off the links and as a result many of them have been late in reaching their normal form.

The program for the tournament has been completed. Following is the schedule:

The chief interest naturally centers in the individual championship contest. Rev. Mr. Thurston, of Winona, who won the tournament last year, will be on hand to defend his title, and the crack players of eight clubs will try to wrest the honor from the athletic clydean.

High Class Golf Looked For. The membership of the clubs in the association has largely increased during the last year, and considerable enthusiasm has been displayed in the game, as a result of the decision to hold the national amateur tournament in the west. It is expected that the golf seen at the state tournament will be of a higher class than that which was displayed last summer at Winona.

The team contest for the Spalding trophy will be played at the Marshall Field cup rules. Each player will try to beat the bogey score for each hole, and the team winning the greatest number of holes against bogey will be awarded the cup. The bogey score for the course by holes follows:

4, 4, 4, 5, 4, 5, 6, 3, 5—total, 40. With a view to allowing the players to get into form as rapidly as possible, the local clubs will do little in the way of formal matches during the next two weeks. Saturday afternoon the Minikahda team will meet the Twin Country on the links of the latter club and this, probably be the last match to be played by this club before the state tournament.

The Minnesota Golf Association will meet on Wednesday at the Marshall Field cup rules. Each player will try to beat the bogey score for each hole, and the team winning the greatest number of holes against bogey will be awarded the cup. The bogey score for the course by holes follows:

ARBITRATION BOARD

Employers and Teamsters Propose to Get Together.

Chicago, June 8.—Alarmed by the disturbances that marked the strike of the packing-house teamsters last week, employers have started a movement for the prevention of strikes in the shape of an arbitration board.

It is proposed that all difficulties that cannot be settled by the men directly with their employers shall be submitted to a joint advisory body, composed of representatives from

EMPLOYERS' ASSOCIATIONS AND THE UNIONS

It has the support of eight associations of employers and the tacit approval of President Albert Young of the National Teamsters' Union.

The initiatory action will be taken this afternoon at the Great Northern Hotel, when three delegates from each of the eight employers' organizations will meet. These delegates are expected to select a committee of seven to meet a similar committee from the teamsters' unions to devise a course of procedure whereby all serious difficulties may be adjusted.

ernors or viceroys of provinces. These four cities are Chengsha, capital of Hunan; Nanchang, capital of Anhui; Chengtu, capital of Szechuan; and Shunien, or Peiking, prefectural city of Chuh-li. The other four cities are the district city of Shiangmensien, in Kwangtung; Heuchu, departmental city of Szechuan; the prefectural city of Chang-fu in Hunan, and the independent subprefectural city of Hukou in Kiangsi. The last named city is situated at the junction of the Yangtze and Lake Poyang, about twenty-five miles from Kiangsi, already a commercial port for international trade.
