Jack Root, on his way to Salt Lake City, stopped off at Kansas City long enough to come to terms and sign articles with Tommy Ryan for a ten-round fight which will probably be held in the convention hall in that city during carnival week next October. All of the details except the exact date and the score of the meeting, were arranged. They decided on referee, weights and the division of the money, and it did not take ten minutes to do this.

Champion Jim Jeffries, who has been training at Harbin Springs, Cal., for his match with Fitzsimmons on July 22 will go back to San Francisco to-morrow to finish his work. Jeffries fears that if he remains in the dry, hot atmosphere of the mountains until a day or two before the battle, he may be seriously affected by the change to the moist and cooler climate of the bay. So he has decided to insure being thoroughly acclimated when the fight comes off.

According to the reports from Jeffries' camp, it is not saying too much to aver that never was a human being in such good state of health and strength as Jeffries. In these two respects he is perfection personified. Every one who saw him in Mechanics pavilion the night he met Rubin last knows how finely every muscle was set, how agile and sure he was. To be more fit would seem impossible, but nevertheless it is true. He says so himself, and the appearance of his body and limbs bears out the statement.

Fitzsimmons, who is working at Skagg's Springs, has expressed his determination to stay right where he is, as he feels that the weather is just suited to his training. However, he will try to induce him to alter his determination. They think, as Jeffries does, that a change of climate at the last minute may be undesirable. Fitzsimmons was on the road bright and early yesterday morning, and covered the usual distance before noon. He was accompanied by Dawson, Griffin and Wilson, his trainers, who were not sorry when the journey was over. The ex-champion was covered with perspiration when he took his rub-down, but he said he felt good. Fitz was boxing in the afternoon than at any time since he has been at Skagg's Springs. While he was resting he told his trainer to be ready for another hard day's work in the ring, and Fitz intends to keep Dawson, Wilson and Griffin busy with the gloves from now until he leaves here.

Kid McPartland, the New York light-weight, who has not been boxing to speak of in nearly two years, is to return to the ring. According to a dispatch received from Buffalo, McPartland has signed articles to box Matty Matthews, his old opponent, before the Industrial Athletic Club, Fort Erie, on July 23, in a twenty-round bout. The mill is for a percentage of the gate receipts, of which 75 per cent is to go to the winner. The weight limit is 138 pounds. The last time the pair met, McPartland knocked Matthews out in one round.

Some of the best swimmers in the country, including W. C. Huber, Schaefer, Spencer, will compete in the A. A. U. swimming championships at the summer home of the New York A. The annual cricket match between eleven representing Eton and Harrow began at Lord's grounds at London yesterday. Eton won the toss and went to the wicket, but their play was signally short. By lunch time they were out for 72 runs. At the close of the day's play Eton, in their second inning, had scored 96 runs for 1 wicket down.
