

# In Labor's Field WANT LAW CHANGED

Elevator Operators of Twin Cities  
Will Ask the Legislature  
for Better Laws.

Meetings in the City Result in the  
Raising of Funds for Strik-  
ing Miners.

At the last meeting of the Elevator Op-  
erators' Union, a committee was appointed  
to meet with a similar committee from  
St. Paul, to draft a set of resolutions, ask-  
ing that the state legislature amend the  
laws affecting elevator operators. Just  
what changes are proposed has not been  
made public, but the officers of the union  
maintain that a number of changes are  
needed.

## RELIEF FOR MINERS.

Meetings Held in the City—Fund Is Be-  
ing Raised.

Several labor leaders have interested  
themselves in the relief of striking miners  
in the anthracite regions of Pennsylvania,  
and many meetings have been held in vari-  
ous parts of the city for the purpose of  
raising a relief fund. Many have sub-  
scribed readily to this fund and several  
hundred dollars have been sent from Min-  
neapolis to aid the striking miners.

## ASK FOR EIGHT-HOUR DAY

Trades and Labor Assembly of St. Paul  
Makes a Request.

Next Monday evening the Trades and  
Labor Assembly of St. Paul, will deposit  
upon the table of President Dorman, of the  
Charter Commission, a monster petition  
signed by 10,000 working men of St. Paul,  
requesting that the charter be amended  
so that eight hours shall be the legal  
working day for all city employees.

The idea is to have all departments com-  
municate under this provision and if it can be  
carried out, police patrolmen will work no  
longer each day than does the clerk in the  
city offices. A great deal of pressure  
will be brought to bear upon the commis-  
sion to secure the desired amendment.

## Concrete Layers Out.

Fifteen colored men comprising the col-  
ored contingent at work for Fielding &  
Company, laying concrete on West Seventh  
street, St. Paul, went on a strike yester-  
day and were all discharged. The strike  
was ordered because the boys were dis-  
charged for not working fast enough. As soon as the  
report that two of their number had been  
given their time was made, the fifteen  
men laid down their tools and threatened  
to quit work. The boss gave the men  
three minutes, and replaced the gang with  
white men.

## School Janitors' Demands.

The demands of the janitors, employed  
in the various school buildings of the city,  
for an increase in salary, received recog-  
nition from the members of the board of  
education Wednesday evening when the  
budget of expenses for 1903 was prepared.  
If the money asked is given the salaries  
of janitors will be increased nearly 5 per  
cent.

## HAY MEETING TO-NIGHT

Strong Forces Rally to the Support of  
Eugene G. Hay for  
Congress.

Eugene G. Hay, who opened his con-  
gressional campaign in the fourth ward  
Republican caucus on Western avenue  
July 2, with a full and extended discussion  
of the issues, will close the most active  
congressional campaign ever made in  
Minnesota, by a meeting in the same place  
this evening.

The meeting is expected to be the final  
gathering of Mr. Hay's friends, to give  
testimony of their confidence in his nomi-  
nation.

The Journal Newsboys' band will fur-  
nish the music for the occasion, and Sen-  
ator W. D. Washburn will preside. In ad-  
dition to Mr. Hay the following well-  
known business and professional men will  
address the meeting: Mayor D. P. Jones,  
Judge Helden, Judge Kerr, H. V. Mercer,  
ex-County Treasurer A. W. Hastings,  
Charles S. Cairns, C. G. Laybourn, Frank  
Wadsworth and James C. Curtis. Ladies  
will be welcome.

## A DEMOCRATIC PLAN

A Scheme To Get Full Tickets in the  
Field.

It is the intention of the state leaders  
of democracy to have a full legislative  
ticket in the field from one end of the  
state to the other. As there will be a  
great many vacancies left by primary  
election, on account of the failure of local  
democrats to file for the nomination, the  
party chiefs have devised a plan for com-  
pleting the ticket.

The plan is to put candidates on the  
ticket by petition, and have no designa-  
tion, such as the name of any party, or  
even "independent," opposite their names.  
Then the ballots will be circulated  
throughout the district and the voters will  
be informed that the man so nominated  
is in reality the democratic nominee for  
the office.

The democrats are convinced that the  
ruling of the attorney general that a man  
that votes at the primary election cannot  
sign a petition nominating an independent  
candidate for office was not intended to  
cover the cases where the party ticket  
secured by the voter at the primary election  
has no chance of being elected. They are  
confident that the voter can then sign  
a petition nominating a man for an  
office for which there were no candidates  
at the primary election.

## RAILROAD RUMBLES

### TWO ROADS FINED

Omaha and Milwaukee Roads Cut Rates  
for Fairs.

The Omaha and the Milwaukee roads  
were fined yesterday by the Twin City  
Passenger association for cutting rates to  
Milwaukee. The reduced rates were  
given, it is said, to "fairs" that lost  
money at the state fair and were in need  
of aid.

Declare Extra Dividend.

At their session in New York yesterday  
the Milwaukee directors emphasized the  
remarkable prosperity of their company  
by declaring a semi-annual dividend of  
3 1/2 per cent upon the common stock and  
an extra dividend of one-half of 1 per  
cent upon the preferred stock. The regu-  
lar semi-annual dividend of 3 1/2 per cent upon  
the preferred stock. This action was  
equivalent to announcing an annual divi-  
dend of 7 per cent on the preferred stock  
and 8 per cent upon the common stock.  
Although the increase on the common was  
larger than was expected, the rate of  
even 8 per cent does not make the  
common look cheap at its present  
quotation of 90.

Demand Reduced Rates.

The National Stock Exhibitors' union,  
which has just been organized by prom-  
inent exhibitors at the Wisconsin state  
fair, has entered into an agreement not  
to exhibit any cattle, sheep, swine or  
poultry at any fair next year, unless the  
railroads grant a flat rate of one-half  
tariff on such exhibits. The fair com-  
menced will be all those throughout the  
middle west.

B. & O.'s New Issue.

Another big stock issue has been made  
by a prominent railway now that investors  
are so happily receptive. The Baltimore  
& Ohio road has added \$2,500,000 to the  
present amount of its common stock.  
Holders of the common and the preferred  
stock, of debentures, and of voting trust  
certificates can take the new issue at par  
and will thus secure a 30 per cent "in-  
crement" that is presumably not "un-  
earned." The receipts from the new issue  
will double the Baltimore & Ohio  
along busy sections of the road where  
increased trackage may be needed, will  
purchase new equipment, and will pay for  
securities recently acquired.

Cut in Lumber Tariff.

Lumbermen will be gratified with a re-  
duction announced yesterday by twin city  
railways on lumber from all Minnesota  
points to eastern terminals. The rate  
from Minneapolis and Duluth to Buffalo,  
Pittsburg, to, which has been 25 cents,  
has been reduced 10 per cent to 25 cents.  
A corresponding reduction has, of course,  
been made to intermediate points.

# NEURO-VITAE

SOME DISEASES THAT NEURO-VITAE WILL CURE:

Varicocele, Nervousness, Neurasthenia or  
Debility of the Nerves, Insomnia, Heart  
Trouble, Physical Relaxation, Prostration  
and Physical Decline, Results of Violating  
the Laws of Health or Poisons in the Blood.

And all Diseases of the Nervous System of Obsolete Nature.

## NEURO-VITAE CAN BE OBTAINED AT ALL FIRST-CLASS DRUGGISTS.

16 DAYS' TREATMENT FOR ONE DOLLAR.

The several ingredients entering into the composition of this valuable remedy  
are now used by all the most eminent and successful physicians in both hemi-  
spheres. They are now, for the first time, placed within the reach of every-  
body. The secret of its great utility lies in the fact that it is not a "dose" whose chief  
effect is a violent and transitory one, but that it is in the strictest sense of the  
term, Nature's Nurse. This preparation is a concentrated and accept-  
able form, the very elements that make the healthy vital action of living bodies  
possible. By increasing the nervous energy of the whole body, those parts and  
organs that are weak and exhausted from misuse, abuse, or disease are actually  
regenerated. Partaking of the general increase of vital force, they are enabled to  
resume their work again; their natural activity returns; they elaborate healthy  
secretions as formerly, and thus the whole economy is naturally and quickly re-  
stored to vigorous health once more.

### SPECIAL NOTICE.

Any druggist whose financial standing is reliable can get Neuro-Vitae, and  
there is positively no remedy for the cure of nervous diseases that is just as good  
as Neuro-Vitae. Persons living out of the city and wishing treatment can secure  
Neuro-Vitae by writing any druggist in St. Paul or Minneapolis, Minn.
