

DONALDSON'S GLASS BLOCK STORE

BUSY BASEMENT DEPARTMENTS.

THIS SKETCH SHOWS ONE SECTION OF OUR NEW ART ROOM.

IMPORTANT INFORMATION ABOUT OUR New China and Art Store IN OUR BUSY DAYLIGHT BASEMENT.

Commencing Saturday morning we will place on sale our recent purchase of Fifty Thousand Dollars worth of entirely new and artistic China and Bric-a-Brac, all of which will be shown for the first time in America. The purchase includes the entire sample lines of two of the largest importers in the world. The goods having been used as samples for this fall's import business were closed out to us at ONE-THIRD THE REGULAR PRICES FOR SPOT CASH. We will say that this is the largest purchase ever made by any retail house in the Northwest for China and Bric-a-Brac. The Bric-a-Brac and Art Goods which includes all the New Teplitz, Royal Bonn, Royal Doulton, Royal Dux,

Dresden, Vienna, Konach and Royal Worcester pieces will be displayed in our **New Art Room**, marked at much less than one-third their actual value. These beautiful and artistic pieces, being samples, there are NO TWO ALIKE. We therefore suggest that our patrons make an early selection, as they may never have such a chance again to purchase such high art goods at the present prices. **The French China Importer's Samples** will also go, as they were bought at one-third actual value. This is positively the most beautiful and artistic line of fine French China ever shown in Minneapolis. Every shape and decoration is new, no two alike. Every one a work of art. The samples include A. D. Cups and Saucers, hundreds of odd shapes of fancy Tea Cups and Saucers, Hair Receivers, Ink Wells, Pin Trays, Manicure Trays, Fancy Plates, Fancy Bowls, Chop Trays, Sugar and Cream Sets, etc. **From the greatest Japanese China Importer we have secured hundreds of bargains.**
