

thony. His opponent is E. F. Comstock. B. G. Brown and Fred H. Hille are after the democratic nomination. P. Deming and George H. Gillette will probably be the republican house nominees, as the third candidate, Charles Stone, has not developed much strength. Five democrats want the two nominations from that party. They are Francis N. Stacy and Harris P. Stone of the second ward, John H. McGuire, H. A. Sauer and J. A. Bartsch of the ninth.

The fourth district, comprising the fourth ward, has a three-cornered fight for senator on the republican side, the candidates being W. P. Roberts, J. F. Calhoun and Sherman S. Smith. The result is in doubt. F. G. Winston will be the democratic nominee, but there are no democrats running for the house. The two house nominations are contested for by four republicans, Charles E. Bond, C. B. Shove, Max D. Robb and J. D. Shearer.

Senator George P. Wilson is a candidate for renomination in the forty-first district, comprising the fifth and sixth wards. He is opposed by W. L. Washburn, Jr., a member of the last house, and the contest is a warm one. There are four house nominations to be made, and ten candidates on the republican side from the fifth and three from the sixth. Two of the sixth ward candidates, Adolph E. L. Johnson and Iver C. Nelson, have been endorsed by the last house, but J. W. Stokes is also running. The fifth ward field includes Arthur W. Selover, E. C. Garrigue, J. M. Hazen, Arthur L. Helwell, W. H. Russell, H. E. Ryberg, and L. C. Stevenson. The last named is the only old member. C. A. Quist will be the democratic nominee for senator, and there are five democratic candidates for the house.

Philips, C. A. Willen, George E. Ricker, Henry J. Longren and E. O. Berg. Gustav Theden and Henry J. Gjersten have a three-cornered fight for republican nomination in the forty-second district, while B. F. Ward is conceded third place. S. A. Stockwell will be the democratic opponent, having no opposition for renomination. The republicans have another free for all for the two house nominations, the participants being Milton W. Ramsey, G. J. Gaddal, W. L. Nolan, Manley Fossett, John A. Nordin, Wm. E. Morton and Andrew Tharalson of Excelsior, George E. Nori, P. J. Prys and Hugh P. Darcey of Medina want the democratic nomination, but there is no opposition. The seventh, eleventh and twelfth wards, and the towns of Edina, Richfield, Bloomington, Eden Prairie and Excelsior.

In the forty-third there is a good fight for the republican nomination between Senator E. E. Smith and Carl L. Wallace, a leading member of the last house, with the change of the last year. The two house nominations are contested by Lawrence H. Johnson, a member of the last house, George P. Plannery, Walter G. Marston and J. A. Shepard of Long Lake. There are no democratic candidates for this district is a hopeless proposition for them. It includes the eighth and thirteenth wards, and the towns of Corcoran, Greenwood, Medina, Independence, Minnetonka, Plymouth, Minnetrista, Maple Grove, Orono, and the villages of Golden Valley, St. Louis Park, West Minneapolis, Minnetonka Beach and Wazwayta.

In the forty-fourth district Senator Lowell E. Jepson has a walk-over for renomination, his only opponent being Frank S. Lane, of the last year. George W. Armstrong is conceded renomination to the house, and the other place is fought for by three country candidates, Alex McNeill of Dayton, Thomas J. W. Phillips and Robbinsdale, and P. W. Redhead of Lake Crystal. The chances are thought to favor McNeill. The democrats have fixed up a ticket with John C. Gubins for senator and L. I. Nasett and R. B. Hazard for the house. The district takes in part of the third and tenth wards, the villages of Crystal, Robbinsdale, Eden Prairie and the towns of Crystal Lake, Brooklyn, Champlin, Dayton and Hassan.

**The County Situation.**  
A long list of positions on the county ticket is to be filled to-morrow. The principal contests are for the sheriff and county attorney nominations, for sheriff the democrats are divided between two old warhorses, Ed J. Conroy and Mart Whitcomb. The republicans have to choose between Sheriff W. Dregor, A. W. Harwood, John P. Wall, W. P. Phillips and Gordon T. Bright. Former Sheriff Phil Megeard is making a campaign but no stir.

County Attorney Boardman is greatly handicapped in his campaign by his official duties and is finding that James A. Kellogg and J. T. Hutchinson are no mean adversaries. On the democratic side there are also three candidates, Louis R. Thlin, A. B. Choate and R. R. Odell.

Register of Deeds George C. Merrill and Judge of Probate F. C. Harvey are opposed respectively by J. W. Peterson and A. Petri, but the old politicians do not regard the appearance of the latter two as very serious.

As there is no opposition, Hugh R. Scott will be renominated as county auditor; David C. Bell, as county treasurer; George C. Cooley, as county surveyor; D. C. Mackenzie, as superintendent of schools; Coroner J. C. Williams will, however, have to dispose of Dr. A. J. Golden. The democrats will name the following: For register of deeds, William C. Corbett; for auditor, W. H. Williams; for treasurer, E. P. Capen; for coroner, Samuel Musgrave. The democrats have no candidates for surveyor or school superintendent.

County Commissioner Alfred W. Nash says that County Commissioner E. P. Sweet and John B. Ryberg will be renominated. Possibly he is right, but if so it is because the field against either is so large. The opposition to Ryberg is divided between John B. Johnson, J. P. Blitchfield, Edward Miller, Arno E. Field and Luke Carroll and the big field is distinctly in favor of Ryberg. Similar contests prevail in the other county districts where Mr. Sweet has as opponents C. C. Johnson, G. W. Confer and John Meagher. In the second district the democrats will take the field against Matt Walsh and Olaf Gylstrom and in the fourth district between Peter Weingart and Edward Shumplik.

**City Tickets Mixed.**  
Any one who can pick a winner in either the republican or democratic fields for mayor can make money by backing his "hunch." Fred M. Powers, Dr. Henry S. Nelson and William L. Lucas have been conducting the most general kind of campaigns, speaking at every conceivable opportunity from noon until midnight. Each has a lusty host of shouters in his following who predict freely for their favorites. It's a good fight from a spectator's standpoint.

On the democratic side, it is conceded that James C. Hulbert has no opposition for the nomination. Fred E. Wheaton is sure of the democratic nomination for controller, and Adam Hannah for treasurer, for neither has any opposition.

Electing republicans to political positions in the first ward is such a hopeless task that when Joseph Solka announced himself as candidate he was met by other republicans said "amen," for none

of them had any intention of coming out. The democrats will be very busy after the democratic nomination. P. Deming and George H. Gillette will probably be the republican house nominees, as the third candidate, Charles Stone, has not developed much strength. Five democrats want the two nominations from that party. They are Francis N. Stacy and Harris P. Stone of the second ward, John H. McGuire, H. A. Sauer and J. A. Bartsch of the ninth.

## NO END IN SIGHT OYSTER IS AFLEAME

The Coal Strike Starts Its 19th Week With an Interview With Mr. Mitchell.

Bishop Fallows Going to Settle It—A Few More Washeries Start Up To-day.

Indianapolis, Sept. 15.—In an interview over the long distance telephone with the News to-day at Wilkesbarre, John Mitchell said:

"I can't predict when the anthracite strike will be settled. If anything is being done toward it by the other side, I don't know of it."

"Nothing toward a settlement was accomplished at the Harrisburg conference," said Mr. Mitchell when asked regarding it. "Nothing, in fact was contemplated. We simply met and discussed the causes and progress of the strike."

"Did Governor Stone represent J. Pierpont Morgan or any of the anthracite presidents?"

"I did not understand that he was representing anyone besides himself."

"Is a settlement any nearer because of the conference?"

"No."

"Did Governor Stone propose that the miners should return to work on a promise of concessions being made afterward by the operators?"

"No proposition of that kind was submitted. There is no foundation for the report that the men are to return to work on the promise that the operators will make concessions and arbitrate afterward."

"Would the miners return to work under such an arrangement?"

"They would not."

"Mr. Mitchell declared that the men are confident of winning. There have been no desertions among the strikers," he said.

"Are you as confident as ever of winning?"

"I am certainly very hopeful now, that the strike will be ended in our favor."

"The big defense fund that is being collected at the national headquarters in Chicago, Mr. Mitchell, is proving sufficient to relieve the distress in the region. About 25,000 miners have left the region since the strike began, leaving about 130,000 to be cared for."

"Are the troops to be withdrawn from the region?"

"Not that I know of. All the information I have on the matter is that I get from the papers. There is no need of the strike, however, as the men are orderly. Any coal being taken out of the region is being mined."

"A little is going out, but no new coal is being mined. Most of the coal now being shipped was mined before the strike began. No miners are being started."

The President Receives Thousands of Guests on His Front Porch To-day.

Anvils Go Off and Everybody Drinks Red Lemonade and Shakes His Hand.

Oyster Bay, L. I., Sept. 15.—Oyster Bay was a busy day, thousands of bunting and flags adorned the buildings and houses. Thousands of strangers were on the streets and every few minutes the loud report of an anvil loaded with powder broke the stillness.

The occasion for this celebration was the reception which President Roosevelt tendered the people of Nassau county this afternoon from 2 to 6 o'clock at his home on Sagamore Hill. The weather was delightful and the members of the committee having the affair in charge estimated that 15,000 persons were here.

Did Governor Stone represent J. Pierpont Morgan or any of the anthracite presidents?"

NICOLLET AVE. FIFTH STREET

Our Rug and Drapery Department is one in which we take especial pride. Its growth has been simply phenomenal and far beyond our expectations. We decided to put in a line of goods in keeping with other departments in our house, and we find that we made no mistake, for the trade was with us from the start and is constantly growing, and we believe we are now leaders in this line.

### ODD FELLOWS MEET BOYS IN COURT

Two of Stillwater Are Charged With Stealing \$600.

Stillwater, Minn., Sept. 15.—Ernest McIntyre and Edward Lane, the little son of the late McIntyre, were charged with stealing \$600 from a trunk belonging to Mrs. Maria Quincey, who had stored it in an old barn of the John McIntyre estate. The boys were in municipal court this morning, but McIntyre was not ready for trial, and the case was continued a week. It is said the money was stolen by young McIntyre last Monday and that he divided with Lane. All the money except \$182 has been spent.

Only a few union men have returned to work in the St. Croix boom and the crew to-day numbers only a few over seventy. More would have gone to work had the permission given by the river men's union been better understood, and it is believed the crew will be augmented from day to day. The union grants the concession solely on account of loggers and mill men, who will be heavy losers if their logs do not come down this year, and the action is in no sense a victory for the boom operators.

The Lizzie Gardner cleared yesterday afternoon with a raft of lumber for Norway and Hannibal. Being short of men it left the raft at Prescott and returned here to-day for help.

The show companies for this week's carnival are a well known lot, and the show will be in readiness. Booths will be erected to-day and to-morrow, and everything put in shipshape. The fair will open on Wednesday.

### A DOCTOR'S EXPERIENCE.

Medicine Not Needed in This Case.

It is hard to convince some people that coffee does them an injury! They say their bad feelings to almost every cause but the true and unsuspected one. But the doctor knows his wide experience has proven to him that to some systems coffee is an aldios poison that undermines the health.

He said the doctor told him the cause of constipation, nervous and stomach troubles.

"I have been a coffee drinker all my life. I am now 42 years old and when taken sick two years ago with nervous prostration, my doctor said that my nervous system was broken down and that I would have to give up coffee. I got weak and shaky I could not work, and reading your advertisement of Postum Food Coffee, I asked my grocer if he had any of it. He said 'Yes,' and that he used it in his family and it was all it claimed to be.

So I quit coffee and commenced to use Postum steadily and found in about two weeks' time, I could sleep soundly at night and get up in the morning feeling fresh and well. In about two months I began to gain flesh, only weighed 145 pounds when I commenced on Postum and now I weigh 167 and feel better than I did at 20 years of age.

I am working every day and sleep well at night. My two children were great coffee drinkers, but they have not drunk any since Postum came into the house, and are far more healthy than they were before." Stewart M. Hall, Fairfield, W. Va.

### FIGHTING THE FIGHT.

Frankfort, Ky., Sept. 15.—Attorney General Pratt is today preparing a petition for injunction to be filed in Jefferson circuit court to-morrow restraining the Southern Athletic club of Louisville from permitting the Corbett-McGovern prize fight in that city or elsewhere in Kentucky. A half dozen leading lawyers in Louisville will be associated with the attorney for the commonwealth. The case will be heard at Louisville Wednesday.

### BREWMASTERS IN CONVENTION.

Milwaukee, Sept. 15.—The Brewmasters' association of the United States met in annual convention in this city to-day. About 700 visitors including 250 delegates make up the gathering. Leonard Michael who has served as president for seven terms, will probably be again re-elected.
