DONALDSON'S CLASS BLOCK

Mail Orders

Promptly filled at special prices named in this advertisement.

If possible, in ordering, give second choice. You will get as good service as though you were at the store in person.

THE TREMENDOUS success of the opening sale for reducing stock previous to our removal from our present Annex, preparatory to the erection of a building to correspond with the Main Store, **was most satisfactory.** It shows the great confidence the public have in our announcements, and to see our store thus crowded, even as if it were the day before Christmas, spurs us on to greater efforts and makes us, if that were possible, still more careful of the values we advertise. Many lines, of course, were sold out the first day, but late comers will bear us witness that they were quickly replaced by greater values, so anxious were we that none should be disappointed or go away with a wrong impression. **(SHOES AT HALF PRICE AND LESS.)**

Calling Cards and Engraving.

Grand January Sale of Fine Stationery and Out Price Sale on Calling Cards & Engraving.
According to a custom inaugurated by us some years ago, each January we have a mammoth cut price sale on Fine Stationery and Engraving. These are genuine money saving sales, and our patrons recognize them as such and supply themselves at this time. On our counters will be found only the products of the very best paper manufacturers in America--such as Hurlbut, George B. Hurd & Co., Crane, Ph. Hake & Company, the Whiting Paper Co., and other equally noted paper manufacturers. Of course engraving will constitute a large part of this sale. You can get your cards engraved NOW for less money by nearly one-half than at any other time of the year, as we will prove to you if you will read this notice through. We can not quote price on every piece of paper included in this sale, but all will be marked in plain figures, and when you see them they will tell their own story. This sale will be well worth coming far for.
