Able to Travel at 102 Years of Age

Mrs. Elizabeth Hunt Returns to Brooklyn Home, Hale and Hearty, after Celebrating 102d Birthday in Connecticut. Thanks to Duffy's Pure Malt Whiskey, the Fountain of Youth.

MRS. ELIZABETH HUNT, 102 YEARS OLD.

Sprightly and jovial as a woman of 60, Mrs. Elizabeth Hunt, centenarian, arrived at her home, No. 407 Adelphi street, Brooklyn, N. Y., after spending the summer with her grandson, Frederick Hunt, at Middletown, Conn., where she celebrated her one hundred and second birthday. This woman, who shook hands with Lafayette in New York in 1816, can read the daily papers without glasses and is still active and in good health. She is the daughter of Frederick and Susan Babel, who settled in New York in 1805, and in 1832 she married Jacob Hunt, a carpenter. Since 1878 she has lived with her granddaughter, Mrs. Frederick Wicks, Adelphi street. She is the mother of five sons and two daughters, and has fourteen grandchildren living, as well as eight great-grandchildren.

Mrs. Hunt says: "My youthfulness and vigor are due to the use of Duffy's Pure Malt Whiskey. It strengthens and sustains the system, is a promoter of good health and longevity, makes the old young and keeps the young strong." "CAUTION—When you ask for Duffy's Pure Malt Whiskey be sure you get the genuine. Unscrupulous dealers, mindful of the excellence of this preparation, will try to sell you cheap imitations and so-called Malt Whiskey substitutes which are put on the market for profit only, and which, far from relieving the sick, are positively harmful. Demand "Duffy's," and be sure you get it. It is the only malt whiskey which contains medicinal health-giving qualities. Look for the trade-mark, "The Old Chemist," on the label. The genuine Duffy's Pure Malt Whiskey is sold by all druggists and grocers, or direct at \$1.00 a bottle. Write for free medical booklet containing symptoms and treatment of each disease and convincing testimonials to the Duffy Malt Whiskey Co., Rochester, N. Y.
