RANSOM COUNTY.

This is a magnificent Stock farm. The land is somewhat rolling. Two elegant springs; 160 acres is fenced for pasturage. About 100 acres has been under cultivation. The soil is a heavy black loam, and the farm is located in a very rich and prosperous section of the county, settled by Scandinavian and German farmers. For a stock farm this is something exceedingly attractive

FARMHOUSE, 4 1/2 MILES FROM LISBON, NORTH DAKOTA.

W. 1-2 Section 32, Township 134, Range 58.

RANSOM COUNTY.

This will make an excellent prairie stock farm. 150 or more acres of nice level prairie land and the balance more or less rolling, making an excellent pasture. The soil is a rich black loam with a clay sub-soil. Excellent water found at reasonable depths. The land is wild, never an acre under cultivation. At present there is an abundance of wild land surrounding it.
