BOOST FOR TUXEDOS

Turners Take Odd Game From Tasmios in Last Night's Bowling Match.

Some Star Men Roll in Poor Form—Columbias Take Three from H. & H.

The Tuxedo bowling team in the Minneapolis league gained a slight advantage over its two nearest rivals, the Tasmios and the Turners, last night, without rolling a game. The Turners and Tasmios were trying their best to pull each other down a notch, and each was partially successful, the Turners taking two out of the three games. As the Tuxedos count on winning three straight from the Olympians in to-night's contest, the odds of the week probably will show a slight gain for the team in which holds second position.

Both teams suffered because some of their best men were off form. The Tasmios were the more unfortunate in this respect, both Mueller and Olness rolling far below their usual game, while Mueller was the only Turner who failed to rise to the emergency. Had Mueller and Olness rolled even their average game, the Tasmios might have taken the odds, but Mueller rolled in his recent form, the Turners might have taken three straight.

Even with these handicaps to the two teams, the scores were reasonably high, though not of the sensational character that made last week's games in the league noteworthy. The Turners made a total of 2,749, the Tasmios 2,673. Contrary to expectation no records were scattered. Woolley was the star of the evening, averaging 210-3, and taking high score with 248 in the third game. Ruge missed a 200 average by just one pin, and Parr, Fust, McNaught, Sallander and Kayser did creditable work. The first game was the most exciting of the three, the Turners winning by seven pins. The second was a walkaway for the league leaders, and the third the Tasmios took handily.

STYLE.

Why do hat styles change? Because the public demands a change.

Perhaps it is just as well. If you waited until your GORDON hat wore out before buying another there would be fewer sold.

Note—This season's styles in GORDONS are distinctly new and becoming.

HUYCK TIED FOR THIRD

Two Minneapolis Players Have

Chance at Prizes in Amateur

Billiard Tourney.

Huyck of Minneapolis, who made a poor getaway in the amateur billiard tournament in progress at the West hotel parlors, has been coming strong at the finish. Last night he defeated Fremont, making him tied with Logan and Wilcox for third place.

Fremont kept even with Huyck last night in the twenty-fourth inning, when Huyck struck his gait and ran out in the forty-seventh, when Fremont had only 163 buttons on his string. Huyck secured an average of 4-12-47.

This evening Parker, who has clinched first place, will play Thayer, who now holds second. Should Thayer win his chances for retaining second position will be excellent, although Logan and Wilcox will still have a chance to tie him. Last night's score:

Huyck-1 20 8 5 24 17 1 0 3 2 4 0 0 12 2	2 2 3 1 1 2 0 0 3 0 3 4 6 5 1 1 1	0 1 0 1 0 4 10.	Total, 200.	Average, 4-12-47.

MCGOVERN TO 'LAY DOWN'

The Milwaukee Man Says Deal Has Been

Made in the Featherweight

Contest.

The Chicago Inter-Ocean to-day published the following: "There is a deal in Milwaukee who has the McGovern-Young Corbett fight won. What sort of a deal is it? It is not known but the trick is going to be turned" in the seventh round of McGovern's fight with Young Corbett. McGovern is going to lay down to the champion. Here is the story.

"Young Corbett is to win over Terry McGovern in seven rounds when they meet in San Francisco next Tuesday night according to one of the best posted men in Milwaukee on fighting who has received information to this effect as a tip from Chicago.

"The man who has probably seen many championship fights who for obvious reasons does not care to have his name mentioned in Milwaukee, said yesterday that the only chance of the affair will make Terry McGovern the favorite in the betting and then unload on Corbett at the last moment."

Six-round boxing contests are authorized in Illinois by Representative Deady's bill which was reported out yesterday afternoon by the house judiciary committee at Springfield with a recommendation that Terry McGovern be the favorite in the betting and then unload on Corbett at the last moment."

Incorporated clubs are specified in the bill as being alone authorized to give sparring exhibitions. The rounds can be no longer than three minutes each. Contestants must be more than 18 years of age and have been declared in good health by a physician who must make an examination before the fighters enter the ring. The mayor or president of a city board of trustees, however, is empowered to refuse a permit for a boxing match or may stop such contests.

The proposed match between Jack Munroe and Tom Sharkey is to be held after all, according to Clark Ball, the Anaconda miner's manager. The hubbub caused by the announcement that the Broadway Athletic club of Butte, Mont., had withdrawn its offer of a \$10,000 purse has subsided as Ball said yesterday that the club had changed its mind again and that the original offer would stand. He declares that the club will donate \$10,000 for the scrap, post the required forfeit of \$5,000 and hold the mill according to agreement some time in July, possibly the Fourth.

The long talked of match between Joe Chynowski of Chicago and "Philadelphia Jack" O'Brien has been at last clinched. The mayor or president of a city board of trustees, however, is empowered to refuse a permit for a boxing match or may stop such contests.

Harry Forbes won from John Kelly at Kansas City last night. He defeated him to the jaw after thirteen seconds of the ninth round. It was Forbes all the way after the first round in which Kelly sent the Chicagoan to the canvas. Kelly was all out in the eighth, but the game saved him. The Detroit man showed unlimited gameness.

A ten-round fight scheduled for last night at Pittsburgh between George Garner and Peter Maher did not take place. Because of the small crowd the fighters refused to go on.

MISCELLANEOUS SPORTS

The South Side High School Athletic Association is planning a benefit entertainment for the month of April. The proceeds will be used in meeting the expenses of the district basketball team during the coming season. A musical and literary program will be given at Danila hall and some of the best master tales in the city will be secured for the evening. The South Side chapter and a number of well known soloists will take part.

Now that Fred Tenney of the Boston Nationals has declared he will not play Sunday, Charlie Dexter has followed suit, and Kitteredge, says he does not see why he should be compelled to play Sunday games. The contract between Dexter and the Boston Nationals, which was made for the season, has been cancelled.

If arrangements can be made with the University of Minnesota the Minnesota-Wisconsin football game will be played in Milwaukee on Thanksgiving day, and the Chicago game scheduled for Oct. 31 will be transferred from Milwaukee to Madison, Wis. The contract between Wisconsin and Chicago allows such a change at the option of Wisconsin. This decision was reached at a meeting of the Wisconsin athletic board last evening. The board also ratified the football contract with Michigan and gave its consent to the trip of the play team to Philadelphia and to the arrangement for a dual track meet with Minnesota. E. H. Morley of Chicago was elected manager of the varsity tennis team.

W. H. Litzinger of Milwaukee, president of the union, received a telegram from J. F. Sullivan of New York, secretary of the organization, yesterday, in which he said that he had received a cablegram from Baron Pierre de Coubertin of Paris, asking that the A. A. U. assume full control of the games.

A gymnastic exhibition will be given at the Rialto theatre, Twentieth avenue and Second street S. on the evening of March 31. The Hope Gymnastic club will meet the Illinois Social and Athletic Club for the Hope silver cup. Professor Larson will give an exhibition of bag punching and the other events will be as follows: Parallel bar, horizontal bar, horse, dumbbells, barbell, clubs, tumbling, marching and pyramid building. The Queen City band will furnish music.

The members of the Toledo American Association team have been wired by Manager Strobel to report at Notre Dame university on Tuesday and Wednesday. Arrangements have been completed for the accommodation of the visitors and the league will use the university gymnasium until Monday, by which time it is expected they will be in shape to begin the series.

Carl C. Fisher of Indianapolis won a thousand dollar automobile race yesterday from Indianapolis to Columbus, Ind., and return, over a distance of 100 miles. Fisher made the distance in a little less than six hours.

Horsemen Emphatic Against Bill

Leasing Fair Grounds for

Pool-Selling Races.

M. W. Savage of This City and H. M. Stocking of St. Paul on Record.

More protests are coming in from horsemen of the twin cities against the bill introduced in the state legislature, to provide for leasing the fair grounds for the purpose of holding running races. M. W. Savage, the well-known horse breeder and owner of Dan Patch, Directum, and other famous harness horses, puts himself on record in the following open letter:

To the Editor of the Journal:

I desire to be understood as emphatically and everlastingly opposed to the passage by our legislature of any bill that will authorize gambling on horse races in this state. The bill now trying to creep through under cover is entitled "a bill to encourage the breeding of thoroughbred horses and to provide for the regulation of the holding of race meetings." Any intelligent man who will make investigation will quickly see that the bill is simply in the interest of outside parties who want to be directum and other famous harness horses, puts himself on record in the following open letter:

that happen to be on the statute books, as a matter of accommodation to us."

The idea of turning over state property for eleven months of the year to the so-called breeders of thoroughbred stock of the state would be laughable if it was not so serious. As a matter of fact, there is not a single thoroughbred stock in Minnesota. The climate is against such a horse, and there is no market for him. The farmers of the state are interested in the working breeds, or in the trotter or pacer, one of which latter, even if he fails to make a good racer, can be sold as a carriage horse or roadster.

BRITISHERS GET CHESTY

Challenge the Americans to an International Race for Motor Launches.

International sporting contests are coming into vogue this year with a rush. Besides the international yacht race the international automobile race is being planned, which has been received by the automobile club of America from the Automobile club of Great Britain and Ireland.

"Alfred Harmsworth, a member of this club, has presented to the club an international cup to be raced for annually by motor boats. It is proposed that the first race shall take place in Queenstown harbor in conjunction with the Gordon Bennett automobile race."

Accompanying the letter was a circular in which were printed the following tentative conditions:

First—The race shall be for motor launches not exceeding forty feet over all, measurement of hulls only.

Second—There shall be no restriction as regards motive power.

Third—All competing boats shall carry two hands of whom the helmsman must be an amateur (to be defined hereafter).

Fourth—The race to take place in some sheltered water in the United Kingdom, probably in Queenstown harbor, Cork, at the same time as the Gordon Bennett cup race, which it is proposed to run early in July.

TWENTY-SIX TRIAL RACES

Old and New Cup Defenders Will

Have a Thorough Test

of Speed.

Five more races have been arranged for the yachts of the cup defender class in addition to those already scheduled by the New York Yacht club regatta committee. These races will be sailed under the management of the regatta committee of the Atlantic, Larchmont, Sea-wanhaka-Corinthian, Indian Harbor and Eastern Yacht clubs. Each club will have one race.

These five races, with the events that have already been scheduled and the races during the cruise of the New York Yacht club, will make in all twenty-six events for the ninety-footers. They will start only in events exclusively for their class.

The first race between the Reliance, Constitution and Columbia will be sailed off Glen Cove on Thursday, May 21. They will also race on the sound May 23 and 25. Their next races will be off Newport on June 4, 5 and 6. These are the New York Yacht club events. The five races will be sailed afterward and will be fitted in with other events.

The rigging for Shamrock III and the stays and wire gear are practically completed. The crew are engaged in wrapping and painting her spars. The sails are all ready and will be fitted on as soon as the rigging is in place. Shamrock III, will show as much free board as Shamrock I, with distinctly less draft forward.
