A New Combination.

A revolution in the treatment of external aches and pains. For years camphor has been used and considered almost a necessity in every home, for the relief of minor injuries such as Neuralgia, Sore Muscles, Aches and Pains. Recently an ingenious Chemist has succeeded in combining camphor with certain cooling, soothing, healing oils and anti-septic drugs, into a perfect relieving and healing agent. This new discovery is attracting much attention among medical men and is sold by all good druggists under the name of Paracamp. It is rapidly becoming preferred by all classes of people, owing to its remarkable powers of quickly relieving Sore Muscles, Muscular Rheumatism, Neuralgia, Bruises, Swellings, Irritations of the Skin, Itching Piles, Ring-worm, Tetter, Eczema, and all forms of Inflammations. Prominent Physicians claim that Paracamp is so far superior to the old-fashioned salves, ointments and liniments that they are using same regularly and advise the keeping of this valuable remedy in every home.

PARACAMP is neither a liquid nor is it strictly speaking, a solid but may be termed a "soft solid" which readily dissolves into a liquid at a temperature a little above the normal heat of the body. Being easily absorbed by the skin, it stimulates the glandular structures of the skin, penetrates to the source of the ailment, soothes the nerve centers, removes all soreness, thereby giving instant relief and quickly curing by drawing out the fever and inflammation by reducing copious sweating.

This valuable remedy is sold by all good druggists under a positive guarantee to give perfect satisfaction or money refunded. So when you call for Paracamp, be sure that you get it. There is nothing like good. After you have given it a thorough trial, if you do not feel that you are benefited, your money will be returned to you without any argument.

Sold only in 25c, 50c and \$1.00 bottles by all good druggists.
