North Dakota—Partly cloudy to-night and Saturday; cooler Saturday and in west portion to-night; south to west winds. South Dakota—Generally fair to-night and Saturday; variable winds. Montana—Partly cloudy to-night and Saturday, with possibly showers in west portion to-night; variable winds.

A NOVEL CONTEST

Twenty-eight Automobiles Are Entered for Hill Climbing Race at Kenwood To-morrow.

City Officials and Members of Park Board Will Witness the Competition.

Up to noon to-day twenty-eight automobiles have been entered for the hill climbing contest to be given by the Minneapolis Automobile club to-morrow afternoon on Kenwood hill. Many more entries were expected to be made in this afternoon and it is probable that eight or ten machines will compete in each of the five classes.

The contest will be begun at 2:30 to-morrow afternoon, the autos starting from the divide in the boulevard at the foot of the lower hill. An official timekeeper will ride in each machine. Standing start will be the rule, and the time of each machine will be recorded as it passes the judges' stand at the top of the hill.

Important Notice. It is often asked why it is that T. K. Gray, the old druggist at 108 Hennepin avenue, can sell paints, oils, varnish, etc., at less than the regular prices. The reason is because he has millions of other articles to sell and doesn't have to depend upon paints to meet the expenses.

FREE SITE A NECESSITY

Joint Auditorium Committee Agrees That Money From Bonds Must Go to Building.

At a meeting of the joint auditorium committee at the Commercial club yesterday it was agreed that a free site must be furnished for the new building. Another meeting will be held Monday noon. D. P. Jones, head of the council committee, was chairman. W. Y. Chute of the Commercial club committee spoke for the condemnation of the block south of the courthouse, but called attention to the fact that the \$150,000 authorized by the legislature would no more than cover the cost of the building. W. L. Harris suggested that the Kansas City idea of private subscriptions might be adopted. Mr. Jones believed that the council would act on the bond issue unless something equal in the form of a contribution should be forthcoming. F. L. Smith of the park board said that the board organization was in no position financially to condemn property at the present time.

NOW THEY'RE NINE

The Contest for Queen of the Carnival Is Becoming Lively.

The Iowa Central First to Announce Special Excursion to the Carnival.

There are now nine candidates for queen of the carnival, the latest aspirants in the voting contest being Miss Laura Harper of 39 Fifteenth street N., a sister of Mrs. Sherman Smith, who is in charge of the private telephone exchange of the Minneapolis Steel and Machinery company, and Miss Arta Hogue of 1231 First avenue N., who operates the switchboard of the Times telephone exchange. Miss Hogue is an accomplished musician and doubtless would greatly value the gift of the piano which is one of the prizes in the contest.

The vote stood last evening at 6 o'clock: Miss Ann Dallager.....456
Miss Leonora Michaelson.....410
Miss Clara B. Crandall.....404
Miss Ray Newman.....224
Miss Hazel Rungel.....221
Miss Josephine A. Wenous.....217
Miss Bonnie McAllister.....8

Yesterday was Miss M. Al after a first appearance before the public, but she is doubtless destined to cut quite a figure in the race. She is one of the favorite daughters of North Minneapolis and the members of the North Minneapolis High school basketball team of which she was president will especially interest themselves in her candidacy. She is the daughter of ex-Alderman P. W. McAllister.

Requests have been received by the contest committee that the rule requiring candidates to get their names before the committee be waived. There are over a score of young ladies who have been voted for in the contest by their friends probably without either their knowledge or consent.

The committee, however, has decided to enforce the rule that no names will be presented to the public unless the young ladies enter the contest with the intention of staying in it until the final contest.

The first of the excursions for the June fair and carnival is announced by the Iowa Central which will run a train from Centerville, Iowa, Saturday, May 20, leaving at 7 p. m. for Minneapolis. Tickets are to be good until the morning of June 2, so the excursionists can attend the fair on opening day. Rates for the round trip will vary from \$4 to \$17.50.

Envelope slips for advertising the fair are ready for business firms who will send them out in their northwest correspondence. They will be supplied at once if sent for at carnival headquarters.

FIGHT FOR COLLEGE

Swedish Lutheran Synod Considers Removal of Gustavus Adolphus to Twin Cities.

Guaranty Fund Not Yet Complete—St. Peter Delegates Lead the Opposition.

Gustavus Adolphus college had almost the undivided attention of the delegates to the Minnesota conference of the Augustana Swedish Lutheran synod at both sessions to-day. The morning session was devoted to consideration of the reports of the institution and the afternoon to the question of the removal of the school from St. Peter to the twin cities. The indications were for a very lively debate for the afternoon. The understanding was that the action of removal would ask for another year in which to raise the guaranty fund and that the amount be reduced. The present figure is \$250,000, of which the committee has secured pledges for only about \$135,000.

Among those prominent in opposition to the removal are Senator Charles A. Johnson of St. Peter, C. P. Schulz, assistant state superintendent of public instruction, and other residents of St. Peter. They will oppose all the moves of the friends of removal, and they propose also to make a careful scrutiny of the pledges the committee has secured. It is not contended that this amount has not been pledged, but that this realized upon.

At this morning's session President Matthias Wahlstrom of Gustavus Adolphus college, submitted his printed report of some which he read some statistics. These were in the school 337 students divided as follows: College, 50; academic department and school of pedagogy, 30; school of commerce, 141; school of music, 102. There are 239 male and 118 female students. The number of graduates since 1899 is 299. The faculties number 23 professors and 100 teachers.

President Wahlstrom to Retire.

President Wahlstrom, who has been at the head of the institution for twenty-five years, has resigned and the conference must select a successor. There is a strong sentiment of retaining Dr. Wahlstrom, but it is understood that he desires to retire in favor of a younger man.

Professor C. G. Schulz in his report as treasurer of the college, showed that the income for the year ending Feb. 1, 1903, was \$21,115.72. The principal items of the receipts were as follows: Cash on hand Feb. 1, 1902, \$2,000; tuition, \$1,000; interest, \$2,418; school of commerce, \$1,000; notes payable, \$1,420; 20 cent conference dues, \$7,876.

The chief items of expense were: For salaries, \$18,000; purchase of pianos and organ expenses, \$1,943; fuel and general supplies, \$3,088; interest, \$1,337, leaving a cash balance of \$1,100. In addition the school of commerce had a revenue of \$4,838, mostly from tuition. Of this \$2,156 went to salaries, \$1,000 was turned over to the college, and the remainder was disbursed in various ways, leaving a balance of \$33.

Per Capita Tax for College.

Rev. L. G. Almén, chairman of the board of trustees of the college, submitted its annual report showing most satisfactory conditions. The conference voted an assessment of 20 cents on every communicant member for the support of the college and one general collection on some Sunday next fall. It was ordered that students of the college who visit various parishes in the vacations to teach school and act as pastors' assistants submit reports to the president of the school.

Carl Stromberg, of the synod, and from Marquette complained that the lay delegates did not have a fair share in the work of the conference. He charged that they did not receive recognition when they demanded the floor.

A THEOLOGICAL DISCUSSION

Yesterday Afternoon Taken Up With One—Bethesda Hospital Report.

Yesterday afternoon's session was devoted to a discussion presented by Rev. A. Bergin, of Cambridge, Minn., on "The Similarities and Differences in the Dispensation of Grace between the Old Testament and the New Testament." The speaker could find but little difference between the two testaments, but the New Testament was much more explicit. Christ, he said, was the only foundation and the theologians were sustained by both the Old and the New Testaments that faith in Christ was the means of salvation.

Among those who participated in the discussion were Professor Wahlstrom of Gustavus Adolphus college, Dr. Erik Norrallius, Dr. Peter Sjoblom, and Rev. Messers. C. J. Collin of New London, Erik Hedin of Millaca, J. A. Lundquist of Chicago City, K. J. Erlander, and J. Magny of Volga, Wis.

Rev. C. A. Hultkrans, superintendent of the Bethesda hospital, St. Paul, in his annual statement shows that the total receipts for the past year were \$22,548.75, and there is a balance of \$458.86. The total number of cases treated was 758.

PREACHING THIS EVENING.

At the services this evening Rev. O. H. Ardahl and Rev. J. W. Eckman will preach. The special music will include a prelude from Bach and a postlude from Lemaigne by J. F. Storer, organist, the quartet of the Augustana church, The Philoedol quartet and the choir of the congregation assisted by Miss Edna Ericson as soloist will contribute to the program.

Your Oxfords Are Ready Waiting for you at the Nickel Plate.

BIG CROWD AT THE TRAPS

Good Sport Was Enjoyed by the Marksmen at Intercity Park Yesterday.

A large crowd attended the second weekly shoot of the season at Intercity park yesterday afternoon, and the marksmen kept the traps working fast from 8 o'clock until after 6 o'clock. The next Thursday afternoon plans will be completed for the formation of a club of trapshooters. Among the best scores yesterday, in the shoot at twenty-five blue rocks were:

Bliffon, 24; Marshall, 22; L. F. Kennedy, 22; Quinn, 22; Leydon, 19; Warnick, 18; Ensign, Jr., 18; Dr. Marston, 15; Andrews, 15; Peck, 13.

We Best Them All On Oxfords. More styles than any other stores in the city. Nickel Plate Shoe Co.

Convicted for Shooting. Louis Gandiano, an Italian charged with shooting Lucian F. Palmer, resulting in the loss of a leg, was yesterday afternoon found guilty of assault in the third degree. He will be sentenced to-morrow.
