THEIR OUTRAGE ENDED

The Second Regiment Breaks Camp To-day After an Enjoyable Encampment at Lake City.

Colonel Wright Takes Occasion to Compliment His Regiment on Soldierly Qualities.

Special to The Journal. Camp Lakeview, July 21.—Yesterday practically the last day in camp, was a busy one, as there were a good many odds and ends to be looked after. In the forenoon the work on the range was finished so far as the marksmen and sharpshooters were concerned, and the following men qualified as sharpshooters, they having to make 180 or better: Field and Staff—Captain Lee, 187; Sergeant Stephens, 187; Sergeant Hilderman, 215; Ordnance Sergeant White, 185; Lieutenant A. F. Pray of the artillery, 181; Company A: Quartermaster Edwin June, Company A, 198; Company E, Lieutenant Kelly Chase, 183; Lieutenant Oscar Lang, 190; Company M, Lieutenant William Pohlman, 213; Company D, Sergeant William A. Baker, 183; Company E, Sergeant Sipe, 189; Corporal Fred W. Busch, 180; Company F, Lieutenant H. W. Vinson, 187; Sergeant A. D. Butsch, 183; Sergeant S. M. Clifton, 183.

On the skirmish run in the afternoon Major Chase made a score of 75 out of a possible 100, making 19 hits, and that gave him the banner score of the range for this regiment, and his brother, Lieutenant Chase of the officers, was 25 and made 78, making but 19 hits, but he got one prone figure, which gave him the advantage.

In the afternoon the regiment was marched up town about the street and then to the park, where they broke ranks and were allowed to go about the city for a half-hour. While this was done Captain Hart took the officers to the Hotel Lyon and to his room, where he entertained them in a royal manner. After giving the men a rest they were assembled again and marched toward the city where they were put thru some military movements and then marched back to camp.

After reaching camp they were lined up in front of the colonel's tent and then Colonel Wright gave the boys a heart to heart talk, thanking officers and men for the kindness they had shown him during the encampment, and especially in the manner in which they had responded when he had asked them to help him make the Second a model regiment. His talk was highly appreciated, and the cheers and a tiger were given for the colonel.

Immediately after being dismissed the mock parade was pulled off and one of the most striking features of the parade was Henry in full dress, wooden shoes and all, and it was well conducted. There were charges preferred against one of the officers, and the matter of the parade were drawn caused considerable sport.

There was considerable shooting with the pistol on the different ranges and the officers have done some good work. The new features of the rapid firing that is required at the present time. They also did some single-shot work.

The colonel said to you, "I am more than satisfied with the manner in which both officers and men have responded to my every wish since coming to camp. They have not only done their duty, but they have done it with a will, and without a murmur from a single man. On the grounds, in the field and on the range they have done their work well and fully, and the training of the regiment in the estimation of the officers and those who have visited camp."

Last evening a tendered to General Whiting, lieutenant Colonel Whitney having command. After the review the senior captain, John Bushers of New Ulm, was given charge of the regiment, and the companies and they all did good work.

In camp they have what they call the Kanarow club, and this afternoon the intended giving the boys a good time. Down of the Lyon hotel, and Mr. Able, but they did not prove able to corral the two gentlemen. While they were rowing and went out on the water. The boys say they will see them again next day and the men go home, bearing pleasant memories of this encampment.

ROCHESTER, MINN.—Charles DeHaven of the town of Orion, Ontonagon county, about 40 years of age, has been sent to the county jail in this city to await the action of the grand jury, charged with the brutal abuse of Mabel Vanderwerker, a 14-year girl. His bail was fixed at \$500 and he was unable to secure it. There is a bitter sentiment against him. The girl is the adopted daughter of Mrs. L. E. Smith, who came from the state school two years ago. An insane woman was captured yesterday by Sheriff E. H. Vine, who placed her in the county jail. She had been violent for several hours she became calm and in the presence of the sheriff, one physician and the county commissioner, she said that her home was in Waterloo, Wis. A telegram to that place revealed the fact that it was her home. Her brother came for her last evening. She had severe nose injury affected for the past ten years and when in that condition her one desire is to run away. She had \$7.88 when leaving Waterloo, Wis. for Rochester, Minn., where she arrived in Rochester, she had nothing. She walked from Winona to this city. COKATO'S CHAMPION R. N. A. DRILL TEAM

Every Conspicuous Liberal With the Single Exception of Greenway Is Defeated.

Winnipeg, Man., July 21.—The result of yesterday's election shows that the government has made a clean sweep of the province. The results are: Conservatives, 30; liberals, 4; doubtful, 4; deferred elections, 2. There has been a cyclone among the liberal candidates, especially among the "independent" liberals. Every conspicuous liberal, with the exception of Greenway, has been turned down, including J. D. Cameron, at one time attorney general in Greenway's cabinet, who is lost by a sweeping majority to J. T. Gordon; C. Fraser, a Brandon, who has been boomed as Greenway's successor; Edward Brown, mayor of Portage La Prairie; J. D. Hunt, in Norfolk; and Dr. J. A. MacArthur, in center Winnipeg. The present ministers have all been returned, in most cases by record-breaking majorities. Premier Roblin and Mr. Rogers heading the list by majorities which are phenomenal.

THE RETURNS ARE NECESSARILY INCOMPLETE THIS MORNING, BUT THEN IF THE FOUR SEATS, CARLTON, GILBERT PLAINS, ST. ANDREWS AND VICTORIA, ARE ALL TO GO LIBERAL, TOGETHER WITH GIMLI AND SWAN RIVER, THE GOVERNMENT STANDING IN THE NEW LEGISLATURE WOULD BE 30 TO 10. AS A MATTER OF FACT, ALL SIX WILL PROBABLY GO CONSERVATIVE, LEAVING THE STANDING OF THE PARTIES IN THE LEGISLATURE 36 TO 4.

THESE FOUR SEATS ARE ALL THAT THE LIBERALS HAVE CARRIED OFF A TOTAL OF 40, SO FAR AS IS SHOWN BY THE RETURN YET IN.

THE STRAIGHT LIBERALS FARED BETTER, HOWEVER, THAN THE PSEUDO LIBERAL-PROHIBITIONISTS, EVERY ONE OF WHOM, ACCORDING TO THE RETURN SO FAR RECEIVED, WENT DOWN TO DEFEAT.

Work to Be Pushed on That at Hot Springs, S. D.

HOT SPRINGS, S. D.—Captain H. E. Palmer of the board of managers of the National Soldiers' Home at Hot Springs, S. D., says that the time for opening the bids for the national home here has been extended until Aug. 4, when they will be opened and let immediately. Captain Palmer says that in his opinion the work will be inaugurated by Aug. 15, and will be crowded rapidly from that time on. Arrangements have been made with the North-Western and Burlington roads to build tracks to the home grounds for the purpose of hauling material to the building. The grounds are from fifty to seventy feet above the town, and considerable work is therefore required to make a circuitous route to reach the top by a moderate grade.

IN AN EFFORT TO STOP A RUNAWAY TEAM OF CLOUTING ALONG THE NORTH-WESTERN, A TRAIN WAS KNOCKED DOWN AND RUN OVER, RESULTING IN HAVING HIS RIGHT LEG BROKEN BETWEEN THE KNEE AND HIP. IT WAS A SERIOUS FRACTURE, THE BONE PROTRUDING IN HIS HANDS, AND HE WILL REQUIRE SURGICAL ATTENDANCE AND WILL BE TAKEN TO HIS HOME AT ONCE, AS HE SAYS THAT HE FEELS ABLE TO MAKE THE JOURNEY, AND PREFER TO BE CARRIED BY THE RAILROADS TO THE BRIDGES FOR THE NORTH-WESTERN RAILWAY.

THE PARTY OF EDITORS AND LADIES OF THE NATIONAL EDITORIAL ASSOCIATION LEFT FOR THEIR HOMES LAST EVENING, AFTER SPENDING THREE DAYS HERE AND MAKING A TRIP THRU THE HILLS. THEY ALL EXPRESSED GREAT DELIGHT OVER THEIR OUTING.

THE SONGS OF PRAISE IN HEAVEN MUST BEGIN HERE ON EARTH.

BORGE OF GLENWOOD TOWNSHIP. BOTH SPEAKERS SKETCHED THE LONG AND GLORIOUS SERVICE OF REV. KOREN TO THE CHURCH, AND SHOWED THAT THE SPIRIT WHICH INDUCED HIM TO LEAVE NORWAY AND HIS BRILLIANT FUTURE THERE OPEN TO HIM WAS A REFLECTION OF THAT SPIRIT AND LOVE WHICH CAUSED CHRIST TO SUFFER DEATH TO SAVE ALL MANKIND. AT THE CLOSE OF HIS ADDRESS, REV. BORGE SAID THAT HE WAS DELEGATED BY REV. KOREN'S CONGREGATIONS TO BEG HIM TO ACCEPT AS A TOKEN OF THE LOVE AND GRATITUDE, A GIFT WHICH HE PROCEEDED TO HAND TO REV. KOREN, AND WHICH REV. KOREN IMMEDIATELY PRESENTED TO MRS. KOREN.

REV. KOREN RESPONDED IN A BRIEF ADDRESS THANKING HIS CONGREGATIONS FOR THE LOVE AND PATIENCE AND FORBEARANCE WHICH THEY HAD ALWAYS SHOWN HIM AND WHICH HAD BEEN ONE OF THE GREAT HELPERS TO HIM DURING HIS YEARS HERE. THE SINGING OF A HYMN, FOLLOWED BY THE LORD'S PRAYER, CLOSED THE SERVICE. IN ADDITION TO THE SPEAKERS, THERE WERE PRESENT A NUMBER OF SERJANTS AND PROFESSIONALS FROM ABROAD. AMONG THEM WERE REV. S. A. TORGSON OF LAKE MILLS, IOWA; PROFESSOR LAUR LARSEN, D. D.; PROFESSOR C. A. NASETH, PROFESSOR G. H. BOICH, PROFESSOR GEORGE MARINUS, PROFESSOR OSCAR I. OLSEN AND REV. I. B. IOWA'S SUPREME COURT

The Justices Held a Conference as to Needed Changes.

DES MOINES, IOWA.—The justices of the supreme court, before leaving for their homes after attending the meeting of the state bar association here, took time to confer over the changes that would be necessary in the rules governing the supreme court on account of the new law enacted by the last general assembly, which will go into effect on the first of next January. There will doubtless be several important modifications of the rules. In the first place the length and frequency of the open sessions will be much different from now. The court at present holds brief sessions for submission of cases in January, May and October. It is required by the new law that the court shall not adjourn for more than thirty days at any time in the year except in the summer vacation. The court is considering whether to have open sessions three weeks followed by adjournments of thirty days, during an adjournment of ten days. It is probable the plan adopted will be to have open sessions of three weeks followed by adjournments of thirty days, during which the time will be passed in consultation and preparation of opinions. If this idea is carried out, the court will adjourn for a certain number of days in open sessions for the submission of cases. It is the general opinion of attorneys that by following such a plan the work of the court will be greatly expedited and that the long delays in getting decisions that are now experienced would soon cease.

IT IS ALSO PROPOSED TO ADOPT THE RULE OF THE UNITED STATES SUPREME COURT PROVIDING FOR CONSULTATIONS ON CASES BEFORE THEY ARE ASSIGNED TO THE DIFFERENT JUSTICES FOR OPINIONS. UNDER THE PRESENT RULE EACH JUSTICE IS GIVEN A CERTAIN NUMBER OF OPINIONS TO PREPARE AND AFTER THEIR PREPARATION THERE IS CONSULTATION. THIS PRACTICE OFTEN RESULTS IN DELAYS CAUSED BY RECONSIDERATION OF OPINIONS AFTER THE POSITION OF EVERY JUDGE WAS KNOWN BEFORE.

THE PRACTICE OF DETAILING ASSIGNMENTS OF ERRORS IN THE ARGUMENTS OF APPELLANTS IS LIKELY TO BE DONE AWAY WITH, THE AMENDMENT TO THE LAW WILL HAVE TO BE MADE BEFORE THIS CAN BE DONE. IT IS THE POSITION OF MANY LAWYERS THAT THE PRESENT PRACTICE IN THIS REGARD IS A RELIC OF BARBARISM. ORAL ARGUMENTS ARE EXPECTED TO BE MUCH MORE NUMEROUS UNDER THE NEW LAW, AND ON THIS WHOLE, THE LAWYERS WHO GATHERED HERE FOR THE RECENT MEETING EXPRESSED THE BELIEF THAT THE NEW MEASURE WOULD WORK A GREAT IMPROVEMENT.

DAMAGE BY HAIL

Northwest Iowa Has a Severe Setback for a Promising Crop.

SHELLETON, IOWA.—The hail storm of yesterday afternoon did considerable damage to the crops in the northwest corner of this state, and reports which reach here are to the effect that a clean sweep was made of a wide strip clear up into central South Dakota. The duration of the storm was less than ten minutes, but during that time between two and three inches of hail fell. Great snow fields being perfectly black when the storm had passed. Corn was mowed close to the roots and trees were stripped of foliage. Even in meadows the hay was cut down as with a scythe.

CROPS IN THIS COUNTY THROUGHT WERE THE BEST EVER RAISED AND TEN TIMES BEFORE THE STORM BROKE EVERYTHING POINTED TO A BUMPER CROP. FARMERS EVERYWHERE WERE GETTING MACHINERY READY FOR THE HARVEST, WHICH WOULD HAVE BEEN IN FULL BLAST BY THE LAST OF THE WEEK. RELIABLE ESTIMATES PLACE THE LOSS IN THIS COUNTY ALONE AT OVER \$1,000,000 ON THIS YEAR'S CROP, AND THIS DOES NOT TAKE INTO ACCOUNT THE LOSS OF SEED AND LOSS OF DAMAGE TO TREES AND BUILDINGS.

CECILIA FALLS, IOWA.—After an all-night session, Albia Hobbs, a 12-year-old daughter of a widow, was found strangled in her home here on Saturday night. She was close to the farm of Jacob Stein, near Jewellville, where she had wandered while generally sane. She was found near the river, throwing her own into the water to throw the searchers off the trail. She is seriously ill.

TERRY, S. D.—Manley Beaver and Richard Floyd, two well known miners, have gone from Terry to Johannesburg, South Africa, where their fortunes are promised them in the mines. They will visit at their old homes in England on their way.
