

Shock

Of Lightning Left me Paralytic. Became a Weak, Nervous Wreck. Dr. Miles' Nervine Made a New Man of me

"A severe shock from lightning, left me almost a paralytic. I would have pricking sensations running from the top of my head down the full length of my body. This gradually wore away and left me a nervous wreck, unable to sleep at night. In fact I got no real rest at night until I had purchased three bottles of Dr. Miles' Restorative Nervine. The first few doses taken strictly in accordance with directions, convinced me there was merit in it. I went in for a thorough cure and got it. I had employed physicians but got no particular benefit from them. I have taken in all nine bottles of Dr. Miles' Restorative Nervine and it has made a new man of me. I am healthy and strong now, weigh 175 pounds. I also got one bottle of Dr. Miles' Heart Cure and one bottle of Dr. Miles' Blood Purifier this spring, and they are doing the work also. I have recommended these remedies to many friends and know they have always been satisfactory from the reports made to me."
—George D. Harburt, Clark, S. D.

"I have used Dr. Miles' Heart Cure, Nervine and Liver Pills and Anti-Pain Pills. I do not know of anything that will stop headache quicker than the Anti-Pain Pills nor do I believe there is so good a liver pill on the market as those of Dr. Miles. I took the Nervine for general debility and derived much benefit therefrom. I consider Dr. Miles' medicines ideal household remedies."

TROTS THE MILE IN 2:04

Major Delmar Clips a Big Slice Off His Own Record at New York.

The attendance was large on the fourth day of the Empire City grand circuit meeting at New York, the weather fine and the track fast. The 35,000 Mount Vernon stakes brought out a small field and Bill Buck, the favorite at \$100 to \$120 for the field, won in straight heats.

Major Delmar did not trot to beat the world's record, but went against his own record. He made the mile in 2:04. Summaries:

IRONDEQUOIT WINS CUP

American Challenger Captures Canada Trophy by Defeating the Speedy Strathcona.

The Irondequoit, the American challenger for the Canadian cup, yesterday won the deciding race of the series at Toronto, thus wresting the trophy from across the water. It will now rest with the Rochester Yacht club until some Canadian boat is able to bring it back.

Yesterday's race was a triangular one, seven miles to a leg. Tho the weather was not to the Irondequoit's liking, the betting was 5 to 4 on her.

Hannan on the Irondequoit had the better of Jarvis on the start and the American yacht went flying across the lines with a small lead. When they went about the Strathcona was fully 200 yards astern, but she had as good a windward berth as her rival.

Turning the first mark the Irondequoit broke out her biggest jib top-sail and the great spread of canvas dragged her along in fine style. The Canadians delayed for three minutes after striking their jib top-sail to set a balloon jib before they had the headsail up.

After some minutes Skipper Hannan, who had been watching the lifting power of his rival's balloon, broke out an immense balloon jib on the Irondequoit. The change in canvas was made in a trice. The Irondequoit then hauled steadily away from the Strathcona.

The Strathcona gained thirty seconds on her rival on the second leg, but within five miles of the finish her case was hopeless.

When the American boat dashed across the line with the foam flying over her sails and the lee air washed, the excursion fleet did not take the loss of the cup very graciously. Not a whistle was heard for some minutes. Finally, however, the excursion steamers saluted the victorious American boat and crew. Official time:

	Start	First	Second	Boat	Finish
Irondequoit	11:18:00	12:47:50	1:37:20	Irondequoit	2:42:17
Strathcona	11:16:35	12:49:29	1:43:30	Strathcona	2:42:17

RECORD AUTO RUN

T. C. Hough in His Cadillac Makes Good Time to Northfield.

T. C. Hough made a record run recently, when he covered the distance between this city and Northfield, 51 miles, in two hours and forty-three minutes. The machine used by Mr. Hough was his eight-horsepower Cadillac, broke out in design, and altho the roads were in very bad condition between St. Paul and Northfield, the car covered them splendidly.

The run was made on a water between Mr. Hough and Leonard Paulie, the latter betting that the former could not make the trip in less than three hours. The recently published stories to the effect that Mr. Hough made the trip in Dick Ferris' anticar were incorrect.

Nebraska Field Trials

The second annual field trials on prairie chickens of the Nebraska Field Trial association commences next Tuesday, Aug. 18, and will continue for two or three days.

The trials will be held near the little town of O'Neill, in a country very well adapted for such purposes; level for miles around, with few fences and a few scattered birds. There is the longest list of entries on record in such trials in the United States, 143. The reason for this large number of entries is because it is the first trial to be held this year and trainers are putting their dogs in to see what kind of stuff they are made of.

The fact that about 25 of the best known dog trainers in the United States are encamped at present within a few miles of O'Neill, ready to start their dogs is certain to bring forth one of the best trials ever held in the west, for rivalry between the different men is strong, and the All Age Stake, a purse of \$1,000 is offered, equally divided between the two events. The judges are W. J. Baughn of Belleville, Ind., and William Elliot of Selma, Iowa, while a third judge may be selected by the club if necessary.

O'Neill will be made headquarters and comfortable lodging and accommodations can be secured there by those attending.

The regular field trials for the Iowa Association usually held at Emmetsburg will not take place this year.

Prarie chickens are more numerous around Wahpeton, N. D., than they have been for years. Hunters going there during the first half of September will have great sport. Ducks are not seen. Guides and dogs are very scarce, the man with a good setter being in great demand.

MEMORIES TO MAKE STATUE.
Washington, Aug. 14.—Frederick MacMonnies, the American sculptor, has been awarded the contract for the design and model of the statue of General McClellan, which is to be placed in the public art collection at Washington. Mr. MacMonnies was not competing for the contract, but was selected to do the work by the recognized position in the first rank of American sculptors.

Beauty in the Dog Days.

"I cannot keep my complexion in good condition in the summer," wailed a pretty young woman.
"Hot weather always makes me look so pretty," my face is covered with pimples and instead of a clear complexion, I have an ugly, muddy skin that makes me positively ashamed. I have tried half a dozen face powders, but they do not seem to do any good."
Many a girl knows the truth of this plaint, but not one in a score realizes that the trouble is more than skin deep. The beginning is in the blood. Hot weather has a remarkable effect upon our blood. The heat irritates it and the trouble is more than skin deep. That has accumulated is drawn to the surface, disfiguring the face with pimples and covering the body with troublesome rashes. Now be very careful, one point; no paste or powder that ever invented will give good complexion to a girl whose blood is filled with impurity. If she wants to drive away disfiguring blotches and pimples, to free herself from the discomfort of prickly heat or other summer rashes, she must strike beneath the skin and clear away the impurities that are causing all the trouble.

Fortunately a simple, safe and effective means is at hand. For 25c any druggist will sell you a dainty box of dainty Iron-Ox Tiny Tonic Tablets. These little chocolate covered health-bringers will soon set matters right. Very gently, without forcing nature, or straining the system in any way, they sweep out every vestige of impure waste that has found its way into the blood. They gently regulate the system—the organs working naturally and thus prevent any further gathering of waste or impurity. They strengthen the intestines and stimulate the liver and kidneys.

IRON-OX TINY TONIC TABLETS

are the best of all beauty doctors. Best, because they thoroughly cleanse the blood, removing all clogging impurities that bring pimples, rashes, prickly heat, etc. They bring pure blood—the foundation of good complexion—and are better than any other.

Iron-Ox Tablets are gently laxative but not cathartic. Fifty dainty, chocolate covered tablets, packed in a neat, unobtrusive aluminum box that's as good as a glove, for 25 cents. Your own druggist sells Iron-Ox.

An Article of Merit.
Here is another hearty endorsement of Iron-Ox from a well-known and reliable chemist, Mr. E. H. Weinholt, whose establishment is situated at the corner of Sixth street and Nicollet avenue, Minneapolis.

"The demand for it is extraordinary," was Mr. Weinholt's reply. "Iron-Ox has sold more rapidly than anything of the kind we ever carried in our stock, and I attribute the demand to the fact that Iron-Ox is an article of merit. As far as I am aware it is the first time I have ever sold a combined laxative and tonic in such concentrated form."

"Does that tend to popularize Iron-Ox?" asked the reporter.
"Oh, yes," was the quick reply, "the small tablets find great favor among those who require a remedy of that nature. I have heard a great number of people speak highly of them. I notice that those who buy once are the ones who return for more. They evidently feel that Iron-Ox does them good."

PLAY LAFAYETTE TEAM

Unbeaten Minnikahda Golfers Will Meet the Men From Minnetonka To-morrow.

The Lafayette Golf club will play the Minnikahda club Saturday afternoon on the Minnikahda links. The Minnikahdas, who have not lost a team match this year, expect to win by a big score.

The golfing honors were even yesterday between England and America in the contest over the Essex county links at Manchester, Mass. The Oxford and the Cambridge team besting the All-Massachusetts aggregation in the four-ball match in the morning by a score of 3 points to 2 points, but being defeated in the afternoon in a two-ball match 5 to 5, which left the score at the end of the day's play at 8 points for each side.

Captain Boyd to-day gave out the list of the players he has invited to make up the team of twelve to represent the western golf team against the team of twelve representing the Oxford Cambridge Golfing society in the international match to be played at the Chicago Golf club at Wheaton on Monday, Aug. 17.

The team will be chosen from the following: Louis James, Glenview; Walter E. Egan, Excmoor; H. Chandler Egan, Excmoor; Bruce Smith, Onwentsia, Stewart Stockney, St. Louis, and R. E. Hunter, Midlothian or Roswell Mundy, Riverside, George Armstrong, Pittsburg; J. M. Sellers, Glenview; W. T. Bristol, Chicago Golf club; W. I. Osborne, Glenview; E. O. Duggar, Midlothian; B. Frank Cummins, Excmoor; Louis Allis, Milwaukee Country club and J. Herbert Tweedie, Belmont.

MISCELLANEOUS SPORTS

In New York yesterday Frederick H. Brooks of Wall street stated that he had placed a bet of \$5,000 to \$10,000 that Reliance will win in the international yacht races, and another bet, also on Reliance of \$1,000 to \$450. This last bet represents odds of 10 to 45, which is the strongest betting yet upon the cup defender. Brooks said he still had \$20,000 to place in any part at odds of 2 to 1 on Reliance, but that he had been unable to find any more Shamrock money.

"Major" Taylor yesterday reduced the world's bicycle record for 500 metres from 18 4/5 seconds to 18 seconds at the Velodrome in Paris.

Captain Arthur Thayer, of the Third cavalry, won the cavalry competition on the Fort Keogh range, which closed day before yesterday. His aggregate for the two days, including slow and rapid firing and stermis runs, was 487. Sergeant C. T. Hurlbut, Troop M, Second cavalry, was second with 473, and First lieutenant Al Wilgatz, of the Sixth cavalry, was third with 470. There were eighteen competitors.

Via the Soo Line, Boston and Return, \$41.50.
Tickets on sale Aug. 20th to 22d, inclusive. Full information at the Ticket Office, 119 South Third Street.

TENNIS

The tennis players reached the final rounds in both the singles and doubles yesterday in the tournament on the courts of the Meadow club at Southampton, L. I. William A. Larned and H. L. Doherty, who were the victors in the American and English champions, attained the final in the singles.

Larned had an easy time in getting thru. He won over his younger brother, E. P. Larned, 6-6, 6-4. In the semi-finals Doherty had more trouble, as he met with J. Clotcher, who played a sharp game, but who met with defeat, however, in straight sets, 6-1, 6-3.

The Doherty brothers won the semi-finals of the doubles in a hard-fought match against Cambie and Mahoney, 8-6, 6-5, 6-1. W. A. Larned and Beals C. Wright also won their place after three exciting sets against Leonard and Clothier, 9-7, 4-6, 6-3.

The North Dakota state tennis tournament was concluded at Fargo yesterday afternoon. Dr. Wheeler of Fargo and J. C. Monnet of Cando won the state championship in doubles, and Monnet captured the title in singles.

The Iowa state championship in singles is also held by Mr. Monnet. The entrance fee will be \$1, which will entitle the player to take part in both singles and doubles. The players are offered the free use of the dressing rooms and shower baths which are adjacent to the courts.

Players have been invited from Flannery, Watertown, Aberdeen, Sioux Falls, Huron, Madison and other towns and many have already promised to come.

It is proposed to hold an open tennis tournament at Brookings, S. D., from Aug. 25 to 27, play to begin at 9 o'clock on Aug. 25.

If fifteen or more entries are made suitable prizes will be offered for the winners of first and second places in both singles and doubles, as well as for first place in the consolation matches. The entrance fee will be \$1, which will entitle the player to take part in both singles and doubles.

CRICKET
The Minneapolis Cricket Club will play the Minnesota, St. Paul, to-morrow afternoon, at Kittlingdale. Play will begin at 2:30 p. m. Five matches have been played this year and Minnesota has won four of them. Tomorrow's game the Minneapolis players will be selected from the following: G. G. Davis, E. C. Brown, W. E. Godwin, E. W. G. Richards, A. E. Woolan, W. Swarbrick, John Bur, Dr. Tule and E. Swarbrick.

The Minnesota men will be selected from the following: Broomfield, H. Swetapple, C. E. Sloan, C. Mitty, F. Cook, W. J. Neil, H. R. Bartlett, R. Ireland, B. S. Donaldson, E. Coburn, J. W. Robinson, W. Clarke and G. D. Napier.
