The Smart New Suits for Women.

The immediate desire is for Walking Suits with short skirts that just barely touch the ground. Women are apparently through carrying a heavy load of train in the streets.

Good sense—and infinitely better looking to see the skirt hanging in the graceful lines the tailor designed than all mussed up and carried in a bunch—tiresome and ugly. The long coats and graceful skirts are wonderfully stylish—and so different. Have you tried one on? They are made of broadcloth, zibelines, chevots, covers, tweeds, Scotch mixtures and fancy men's wear materials. Prices from \$100 down to \$15.

Fall and Winter Coats

Our stock of Fall and Winter coats and wraps is most comprehensive. There are coats of all kinds and descriptions—long coats, short coats or medium-weight coats—besides you must remember that we are agents for the celebrated Mandelberg Rainproof garments. Prices \$15, \$20 and \$25.

Women's Waist Section

Our heavy Cotton Waists are now here and you will surely be pleased with them—they are perfect in every way; styles, colors and fabrics are the newest and best, in fact they are what you would expect in garments at double these prices—\$1.50, \$2.00 \$2.50 and up. Children's School and Dress Coats in plain and fancy Zibelines and Scotch Coatings. Prices—\$6.50, \$7.50 and \$10.00.

Double-breasted jackets; knee trousers, with taped seams and double cloth at seat and knees. Made of fancy and plain blue chevots. Sizes for 8 to 16 years.

Suits matched nowhere at the price—\$5.
