

FOOTBALL CARLETON IS COMING

Northfield Aggregation Will Line Up Against the Gopher Eleven To-morrow Afternoon.

Minnesota Has Several Men on the Hospital List—Carleton Is Strong.

Games To-morrow.
 Minnesota vs. Carleton, at Northrop Field.
 Iowa vs. Cornell College, at Iowa City.
 Illinois vs. Lombard, at Chicago.
 Nebraska vs. Grand Island College, at Lincoln.
 Michigan vs. Albion, at Ann Arbor.
 Northwestern vs. Nagawickon, at Evanston.
 Yale vs. Trinity, New Haven.
 Harvard vs. Williams, at Cambridge.
 Pennsylvania vs. Dickinson, at Philadelphia.
 Cornell vs. Hobart, at Ithaca.
 West Point vs. Colgate, at West Point.
 Columbia vs. Wesleyan, at New York.
 Carlisle vs. Gettysburg, at Carlisle.

The Minnesota team will line up to-morrow afternoon against the Carleton college team. Carleton has frequently scored on the varsity and has hopes of doing so to-morrow. The Northfield aggregation has a team fully up to its average this year.

Several varsity men are on the hospital list, and a patchwork team may be put in the field to-morrow. The probable line-up follows:

Left end, Rogers; left tackle, Warren, Oech; left guard, Benson; center, Strathern; right guard, Burdick; right tackle, Webster; right end, Marshall; right quarter, O'Brien; Little Smith; left half, Bergen, Davies; right half, Israfield, Neussie; full-back, Current.

The game will be called at 2 p. m.

TACKLING DUMMY SECURED

New Machine Makes its Appearance at Northrop Field.

The university football squad has a tackling dummy at last. The new machine was set up on Northrop field last night, and the players were given ten minutes' work charging and tackling the canvas bag.

The scrumming work last night was devoted to coaching the varsity on defense. The scrubs kept the ball during the half hour's work, and on the whole the work of the varsity was good. Nelson got thru between right guard and tackle for a sixty-yard run for a touchdown. Davies, who was playing back, missing the runner. Again Little Smith made thirty-five yards around right end on the old-fashioned quarterback play—not the new one allowed by the year. Except for these two plays the scrubs made no gains of more than five yards.

In the lineup last night Strathern was at center; Benson and Burdick, Rogers and Webster tackle, Rogers and Marshall ends, Davies quarter, Bergen and Neussie halves, Current fullback. On the scrubs were Kjelland center, Ricker and Jones guards, Sager and Brown tackles, Stevens and Hunter ends, Little Smith quarter, Webster and Burdick backs, Warren fullback. Later Oech replaced Warren at left tackle. Schacht and Thorpe are still on the hospital list, and last night Israfield and O'Brien were added to the list.

Sig Harris is still watching the practice in citizen's clothes.

While the scrubs were unable to gain effectively, this was due largely to the fact that the second team backs ran too high, and were thrown out of time and again when they had gone three or four yards thru the line. The backs on the varsity are entitled to most of the credit for stopping the scrubs. The second team forwards opened holes frequently in the varsity line, but Bergen, Neussie and Current did the work in backing up. Webster and Burdick were held in the air too much at times. Warren did good work at left tackle. Neussie and Bergen play a harder game than most of the men on the squad. All the backs yesterday showed a willingness to dive low into the interference, but tackled too high when they went at an unprotected runner.

Outside of the long runs by Nelson and Little Smith, the scrubs gained not more than twenty or thirty yards in the whole time of scrimmage. At the end of the game were given the ball on the varsity's five-yard line and told to carry it over, but could not make more than two yards in eight plays.

BOOTH'S IDEAS

Says Rule to Promote Kicking Will Have Opposite Effect.

Special to The Journal
 Lincoln, Neb., Sept. 25.—Coach W. C. Booth of the University of Nebraska, who played center on the champion teams at Princeton, has novel ideas regarding recent changes in the football rules.

"A style of play the rules were designed to make popular is kicking," said the Nebraska coach. "The result of the change making it impossible to have more than seven men back of the line between the twenty-five yard line will be eliminate punting. At Nebraska we will give less attention to punting than before, because the players who are kicking cannot under the rules get sufficient protection.

"The rule will lead more than one big college team to place reliance on punting. Kicks will be shortened, because punters must fall back of the line further to be out of the way of men who break thru to block. As most of the kicking is done near the center of the field, kicking will be impracticable during most of the game. Plays where the quarter runs with the ball will never be popular, because a runner who must give his attention to more than one action cannot make speed. The quarter must be sure that he gets the ball from center. Naturally, he would start slower than a man who had only to start and take the ball from the quarter. Nebraska will cling to the old style of football."

The University of Nebraska team, which played many of the big western eleven, and did not have its goal line crossed last year, will not be nearly so formidable an opponent this fall. Coach Booth has only four of his veterans back to play, and while there is a wealth of new material for the vacant places, none of the candidates are large men, and none has had experience excepting on high schools in

CARLETON IS CONFIDENT

Coach Baird Has Been Working With a Veteran Team.

Northfield, Sept. 25.—Confidence of strength has pervaded the football camp at Carleton and the players from the Congregational college have hopes of covering themselves and their alma mater with glory when they perform on Northrop field to-morrow. Coach Baird, formerly of Northwestern, has done much for football at Northfield. With nearly a complete team of veterans the new coach started in this fall to make a winning team. New men galore have appeared and a squad of thirty are out in uniform every night. The old players, Len Hendrickson, Cundy, Banks, Rose, E. and J. Hayes and Youngdale, are all showing up in fine shape. Rose, Cundy and Banks are the three fast backs, and to them the "rooters" are looking for the dolges. Cundy's leg is again holding him up in the punting, and he is kicking better than ever. Hendrickson is playing a consistent game at quarterback, and is using lots of head work in giving signals.

YALE-HARVARD OFFICIALS

They Are Announced—Some Western Freshmen Roughly Handled.

New Haven, Conn., Sept. 25.—Manager Miller of the Yale football association last night announced the officials of the Yale-Harvard game at Cambridge on Nov. 21, as follows: Umpire, Paul A. Dabnell of Lehigh and Annapolis, and referee, Matthew A. McClung, of Lehigh. The other officials of that game will be selected just prior to the game. Yale's officials for the other games were also announced. The general call for candidates for the Yale football team was issued yesterday but failed to add more than a dozen men to the squad, which now numbers about 50.

The 20th year of Yale opened yesterday. It was stated that the number of students this year will pass the 3,000 mark.

Wednesday some freshmen were roughly handled. One who arrived from the far west yesterday afternoon was seized by six upper classmen and rushed thru the streets to the big watering trough on Broadway where he received five consecutive duckings. Another freshman was taken to the Broadway pump, and while four upper classmen held him another pumped water over his shivering person until he was soaked to the skin. He was subsequently compelled to drink beer and milk. Still another from the south was scolded half to death by a mock proposi-

THE 'PLYMOUTH CORNER' IS THE 'FASHION CENTER.'

"Plymouth" Clothing for Men.

That "Plymouth" Clothing satisfies men who are careful about their dress, is a fact that is constantly being recognized. "Plymouth" Clothing represents best and most perfectly constructed ready-to-wear clothing in existence.

The graceful lines and attractive appearance of "Plymouth" garments appeal to men whose tastes naturally lead them to a merchant tailor. These men find the same service and satisfaction in "Plymouth" clothing that they do in the tailors' most expensive garments, and at a saving of 33 per cent to 50 per cent.

The utmost care regarding detail of construction, so noticeable in "Plymouth" clothing, is due to the fact that each garment is cut and made singly and by intelligent, expert tailors.

"Plymouth" clothing represents about twelve of the best manufacturers, and does not represent the output of any one manufacturer, inasmuch as no one manufacturer excels all others in all departments of clothes making. Each has his speciality, but the "Plymouth" label is a guarantee that the garment is absolutely the best of its kind.

Children's Trimmed Hats.

This season we have given special thought to our Children's and Misses' department and they are more artistic and wearable than previous seasons. The colorings are warm and becoming. We have made a smart, stylish hat for \$5 and \$6. Children's School Hats 69c to \$1.75. Women's Tailor and Ready-to-Wear Hats—Our Saturday special \$2.75 and \$3.75. All-made Hats of cloth, felt and velvet and trimmed with wings and fancy feathers; value \$5.00 and \$6.00.

Tailor-Made Walking Suits.

It seems rather remarkable with Scotland and England turning out all kinds of rough homespuns, mixed cloths, and craggy tweeds for a hundred years or more, that American makers should only just realize with full force what becoming, good, all-round women's suits they make.

But it looks now as if they had come to stay.

Starting at \$15 for a suit with a long, straight, tight-fitting jacket, prices creep up slowly—homespuns for \$20, tweeds for \$20; half a dozen different things for \$25; mixed cloths and bouretted stuffs for \$25; finer tweeds, West of England cloths and pepper and salt mixtures for \$30; bouretted homespuns for \$30, and neat \$25 little London cloths for \$25.

Other suits of finer materials, on up to \$65.

Men's Soft Hats.

There's a dash and smartness about these new soft hats that put them far ahead of anything shown elsewhere. Be you ever so particular, they're bound to please you; come in black, brown, pearl and Nutria colors—excellent qualities at \$3.00 and \$2.

\$1 English Squares, 50c.

Counterparts of the finest silks worn abroad. Very serviceable scarfs; bright and rich looking, all over patterns, and these are the first in town. You'll find them hard to resist if you look at them in the corner case.

School Suits and Overcoats

One of the best school suits for boys is the "Plymouth" \$5 Special.

An all-wool, silk-sewed suit of chevot, in brown or gray mixtures or plain navy blue. Double-breasted coat; trousers to match with double seat and knees; the seams fortified with extra binding.

To go with any of these, the best overcoat is a frieze coat of heavy weight. The price depends on the quality of the cloth. They go as high as \$15, but for school there is a good one for \$8.50.

School Shoes for Boys and Girls.

Our shoes are all made to our order, so that every pair is absolutely dependable. We find it more necessary to have shoes "right" for the "little folks" and of a better quality than grown folks require, better assortments of styles and sizes than ever before, too. Saturday we are especially prepared to care for the children.

All the New Fall Shoes Are Ready.

Boys' specially strong school shoes at \$1.50 and \$1.75. Children's shoes from 50c to \$2.50. Little Men's shoes for 95c, \$1.50, \$1.75 \$2.00 and \$2.50. Infants soft soles and moccasins, all colors, new and dainty effects, 50c.

AN AUTO ENDURANCE RUN

Entries for the Run From New York to Pittsburg Are Numerous.

New York, Sept. 25.—The entries for the endurance run of the National Association of Automobile Manufacturers from New York to Pittsburg were announced to-night. They number forty-one. The cars are classified this year, according to the catalogued selling price, instead of weight, this being an English idea adopted for the better understanding of the public. Only three of the forty-one vehicles enlisted are of the steam engine type, all of the others have gasoline motors.

It is of interest that while the trip is the most arduous ever undertaken there are a number of runabouts entered. It was said to be uncertain to-day whether the start of the run might not be changed again back to Oct. 7, and the finish made one day later, so that Sunday might be spent at Buffalo. A pilot car will go ahead of the contestants and sprinkle a trail of paper "scent" on the road.

Let us forget: Bring, send or 'phone in your want ad for the great Saturday Journal before 11:30 if possible. One cent a word, not less than 20 cents. Cheap enough.

The Red Wing school will have a football team this year, since only four of last year's team will be here. The Lake City high school football team has accepted a challenge for two games and the rest will be heard from soon. The manager has made out the following schedule: Oct. 3, Red Wing at Lake City; Oct. 10, Red Wing at Wabasha; Oct. 17, Red Wing at Cannon Falls; Oct. 24, Hastings at Red Wing; Oct. 31, Wabasha at Red Wing; Nov. 7, Lake City at Red Wing; Nov. 14, Red Wing at Hastings; Nov. 21, Cannon Falls at Red Wing.

Alumni Game Postponed.

The football game between the South high school and the Alumni teams, scheduled to take place to-day, has been postponed and will be played at Nicollet Park next Friday afternoon.
