The report of the treasurer showed an extensive business, over \$30,000 having been received during the year. Most of which has been expended for regular maintenance and extensive improvements.

BASKET BALL

The first basketball game of the season to be played by Ellsworth college team of Iowa Falls, Iowa, was played at Albia, Iowa, last night.

The Clayton High school girls defeated the Heron Lake High school girls at basket-ball, at Clayton, by a score of 16 to 1.

Both of the same opinion. Uncle—How do you like your Sunday school teacher?

Tommy—Oh, she's got good sense. She's smarter than mom is.

Uncle—Indeed, so you believe in her, eh? Tommy—Sure. Her an' me thinks alike. She says Sunday school don't do no good.

Nautical Joke. "What time did that young man leave last night, Jane?" "About 11 o'clock, papa."

"It seemed later than that..." "It might have been a little later, but it wasn't his fault. You see, I gave him a liberal time allowance."

William Phyle of the Memphis club, who was expelled by the National Association of Professional League clubs for making charges that certain players had "thrown" games in the Southern league, and who failed to prove them, has been at West Baden, Ind., since Oct. 13.

Manager Bourke of the Omaha team in the Western league gave out an interview yesterday, in which he said: "St. Louis will be taken into the league next year in place of Milwaukee, and either Pueblo or Victor or Cripple Creek will get the Kansas City franchise."

The league's lease has expired at Milwaukee, and we might as well let it go. The town will not support one team, to say nothing of two. The assignment of Kansas City is in the hands of an arbitration committee. The league expects to lose Kansas City, but will receive a cash equivalent for the \$12,000 improvements on the park."

HIS IMPRESSION. Washington Star. "I understand you have a number of art treasures?" "Any number of 'em," answered Mr. Cumrox.

"By the way, how would you define an art treasure?" "An art treasure, as nearly as I can figure it out, is something that is considered all the more valuable for being second-hand goods."

SAFE. Chicago News. "Yes," said the manager in the long ulster, "I am going to take 'Elk Tom's Cabin' down to Florida."

"That's rather far south for such a show," cautioned his friend. "Aren't you afraid of a frost?" "No, indeed. They wouldn't dare have a frost down there on account of the orange crop."

BASE BALL Cincinnati, Oct. 28.—President Herrmann of the national baseball commission yesterday decided several cases where the rights of players were in dispute by two clubs.

Loudenslager was awarded to the Brooklyn National league. Brooklyn had the player two years ago and claimed that he was simply loaned to Syracuse, while the latter declared that he was released to them.

Outfield McIntyre and Pitcher Ferry were awarded to the Buffalo club. Pittsburgh claimed that the Detroit club's claim for the men was a trick to let Buffalo keep them. It was decided that Detroit had arranged to trade Pitcher Kinsinger, Catcher McAllister and Infielder Yeager for the men.

French astrologists are telling us that this is going to be a very unlucky year, because in no fewer than three cases the 13th of the month falls on a Friday; and last year, when the calamity only happened once, we had the eruption of Mont Pelée as a perfectly obvious consequence.

Advertisement for Wine of Cardui. "Saved From The Knife." "I am very grateful indeed for the good which I received from the use of Wine of Cardui and am pleased to give you my experience. Shortly after I was married I began to feel miserable, my health and strength falling day by day in connection with headaches, backaches and a general worn-out feeling." "On consulting a doctor he said that I had womb trouble and ulceration and must undergo an operation. I felt so weak that I was sure that I would not live to go through it and decided to try Wine of Cardui which I had seen advertised so much and see what that would do for me before I underwent an operation. I am pleased to state that I felt better much better in two weeks and by using Wine of Cardui for two months my health was restored and I now feel like a new woman and look like one, so my friends say. That is what Wine of Cardui has done for me." Marie Meder, Past Worthy Vice-Templar, Independent Order of Good Templars. Women who know that operations are dangerous, and that too frequently one operation leads to another, rebel against the operating table. Many surgeons are too ready to advise an operation. Mrs. Meder's case and the experience of thousands of other women prove that such extreme measures are usually unnecessary when Wine of Cardui can be obtained. Wine of Cardui is the best medicine known for the cure of the diseases of women. It strengthens the womanly organs and assists nature to restore healthy functions. It relieves all menstrual disorders and cures bearing down pains and ovarian troubles. It corrects barrenness, relieves the worst pains at childbirth, and is beneficial for women of all ages and conditions. It is not only an emergency medicine in the time of pain and sickness, but it is a sure preventative, an occasional dose of which tones up the general health. If you are suffering, remember the good that Mrs. Meder got out of this medicine and give it a trial. All druggists sell \$1.00 bottles of Wine of Cardui.

Advertisement for Regal Shoes. "IN Regal Shoes the toe cap is put on, right over a solid one-piece vamp. It gives double strength to the toe—keeps it shapely. Nearly all other shoes have 'pieced vamps'—that is, they simply sew the edge of the cap onto the edge of the vamp—they save a piece of vamp as big as the tip. But where does the wearer come in? The maker has saved a few cents. The dealer makes just as much. But the wearer as usual 'gets the hot end of the stick.'" "Funny thing, the way most shoe manufacturers figure. They study and scheme and work and stew, to see how much they can take out of a shoe and still have it hold together. Now we've always tried to see how much we could crowd into shoes. And yet there are shoemakers who can't understand why their business lags while ours booms. Our system of selling direct from tanner to wearer is so economical that, at \$3.50 a pair, the best leather and plenty of it can be used in REGAL THE SHOE THAT PROVES 60 Regal stores, 20 of them in Greater New York, where the styles originate. The new styles are on sale at our Minneapolis store at the same time as in the New York stores. Other dealers get them a year later. 526 Nicollet Avenue, Cor. Wabasha and 6th St., MINNEAPOLIS, MINN.
