

TWO SENATORS FROM NEBRASKA

BURKETT SAID TO BE SLATED FOR DIETRICH'S PLACE.

Thompson and Rosewater Have An Understanding and the Editor May Enter the Senate as Successor to Millard—The Railroad Interests Getting Into Line.

Special to The Journal. Omaha, Neb., Jan. 26.—Word is being passed around in Nebraska that D. E. Thompson, minister to Brazil, is master of the senatorial situation and will have decided on a man for Charles H. Dietrich's place by the time he comes home from Washington. Friends of Thompson profess to know what the plans of the Nebraska leader are and they say they are fellow Republicans that D. E. Thompson, himself, or Elmer J. Burkett, congressman, will wear the toga.

A FIRE AT TYNDALL

General Merchandise Store and Other Properties a Total Loss. Special to The Journal. Tyndall, S. D., Jan. 26.—Fire at 4 this morning destroyed Scherdtmann & Co.'s general merchandise store, which is a total loss, with insurance of \$8,000. E. A. Dite's tailor establishment is also a total loss, and Blazk's saloon was gutted. Bellows & Wilson's art studio also burned. The origin of the fire is unknown.

Electric Sleeping Cars. Electric sleepers have been put in service between Indianapolis, Ind., and Columbus, Ohio. The cars are made on entirely new lines, so that each occupant of a berth has the seclusion of a private room in a hotel. When the berths are made up, the car has the appearance of an ordinary chair car with individual chairs on revolving pedestals. This is an great an improvement over ordinary electric railway accommodations as golden grain belt beer is over beer as brewed in the old way. If you appreciate a delicious tonic you will enjoy this beer in your home.
