

A Homely Illustration.

When you get a sliver in your finger, the sensation is anything but pleasant. Allow it to remain long enough and it will fester and cause you trouble.

It's the same way with your whole body. When your head aches, it is nature's message sent from the stomach to the brain. Every throbbing is a click in the message whose letters spell danger.

For sale in Minneapolis by Lyman-Elle Drug company, wholesale distributors, and the following retail druggists: Gem Drug Store, 93 Western avenue; E. H. Weinhold, Sixth street and Nicollet avenue; A. B. Crowell, 1012 Hennepin avenue; Geo. A. Peterson, 1501 Washington avenue S.

TRIALS OF AUTHORS

Mrs. De Koven is Embarrassed by Publisher's Additions to Her Magazine Article. Washington, Feb. 1.—Mrs. Reginald De Koven is suffering from embarrassments of authorship and has found it necessary to explain additions made without her knowledge or consent to her article in "Western Society," which she wrote for a magazine.

"DREAM BOOK" FANCIES

Dire Trouble Ahead for the Fine Old Year of 1904. Signs of the times are being carefully scanned by astrologers, magicians, clairvoyants and trance mediums, who seem to see in the heavens, in the sea and on the earth signs of great horrors and universal sorrow in 1904.

SOCIAL CIRCLES

Mrs. Chester A. Simmons gave a tea at her home on Park avenue on Feb. 1. Miss Emma Carpenter and about 150 women had been bidden to meet the bride.

A supper followed, and pink and white carnations decked the table. The out-of-town guests were Mr. and Mrs. Moses, Jacob Edelman, Joe Minn, Mrs. Frank Abramson, Grand Rapids; Philip Schocher, Fairbairn; Herman Schocher, Arlington.

Mrs. Oscar Turner of California is now the guest of honor Friday afternoon. Prizes were won by Mrs. H. Ryan, E. Colle, C. Johnson, and Miss A. Engwall.

The dancing party at the Hotel Clinton last week was attended by about 500 guests. The rooms were prettily decorated and after a program furnished by an orchestra a light supper was served.

Miss Charlotte Purchase, whose marriage to F. H. Libby of Oshkosh, Wis., will be an interesting event of the spring, was the guest of honor at a thimble bee Saturday afternoon.

Mrs. Herman Mikolas, of 2425 Portland avenue, gave a whist party and luncheon at the Phoenix club Wednesday afternoon.

Mrs. Ruby Zehner entertained at a thimble bee Saturday afternoon. Saturday afternoon Mrs. Goddard gave a dinner of ten covers at her new home, Holmes avenue and Third street.

The senior class of the Central high school gave a dancing party Friday evening at the West hotel for the guests who will be in the city for the convention.

The Sigma Alpha Epsilon fraternity will give a dancing party Friday evening at the West hotel for the guests who will be in the city for the convention.

The party this evening, given by the Collins club will be preceded by several dinners. Mr. and Mrs. Henry Moreton will entertain at their home on Portland avenue and Mr. and Mrs. Secor will give a party at the home of Mrs. Secor.

The annual dance of the Phi Kappa Psi men will be given at the club by the Collins club will be preceded by several dinners.

The wedding of Miss Freda Caroline Herrmann, daughter of Mrs. Ida Herrmann of St. Paul, and George Merton Shannan of Minneapolis, will be quietly solemnized Wednesday evening, Feb. 10, at the home of the bride in St. Paul.

The engagement of Mrs. Florence M. Cotton and George Thwing is announced. The wedding will take place in the early spring.

Mrs. Mae Polhamus of 956 Twenty-fourth avenue NE has announced the engagement of her daughter, Mabel Hortense, to Lambert Frederick Fairchild of St. Paul. The wedding will take place in April.

Miss Minnette Georgiana Odegarde, daughter of Mrs. F. W. Schmidt, and Frank Edward Bradley will be married Wednesday evening in the rooms of the Laurel Social club, on Washington avenue S. Miss Louise Nelson will be maid of honor, and John Bass, best man. The service will be read by Rev. Falk Gjersten in the presence of 225 guests.

Yesterday afternoon Miss Anna Dockman, daughter of Mr. and Mrs. L. Dockman, and Wolf Edelman of St. Paul were married at the home of the bride's brother and sister, Mr. and Mrs. Michael Dockman, 612 University avenue SE. A string orchestra played the nuptial music, and Miss Margaret's famous waltz, "Promise Me," The canopy was held by Edward and Benjamin Dockman, Jacob Edelman of Jordan, Minn., and Harry Howitz.

The bride was led to her place by her mother, and the bridegroom walked with his sister, Mrs. M. Moses of Jordan, Minn. Little Irene Rose, in a frock of white embroidered swiss, carried the ring in a basket of pink and white flowers. Mrs. M. Ackerman was maid of honor and wore black tulle and white silk, and her flowers were pink carnations. The bridegroom was of white swiss over chiffon and silk. The shirred skirt was finished with a flounce edged with satin ribbon, and the blouse was accented with a yoke of handwork.

The veil was held in place with a diamond brooch, and the bridal bouquet was of white roses.

The service was read by Rabbi Silber and was witnessed by sixty guests.

Blanch Taylor, and S. Tyler, the colored elocutionist. At the close of the program light refreshments were served.

Miss George Devo of Eau Claire, Wis., was the guest of honor Friday evening at an informal card party given by Miss Burchard of Stevens avenue. Music was also a pleasant feature of the evening.

Miss Erna Smith entertained twenty guests at a jolly sleighing party Friday evening. After a ride of two hours supper was served at the home of Miss Smith, 3042 Dupont avenue S, and games were played. Miss Agnes Winn chaperoned the young people.

Mr. and Mrs. Hallum of 845 Fifth avenue S, gave a daintily appointed dinner Friday evening for the teachers of the Adams school, who were the instructors of their children. The teachers present were Misses Sarah Crane, Maggie Rowan, Julia E. L. Moore, Anna W. Wright, and the principal of the building, D. H. Painter.

Mrs. Oscar Turner of California is now the guest of honor Friday afternoon. Prizes were won by Mrs. H. Ryan, E. Colle, C. Johnson, and Miss A. Engwall.

The ladies afternoon "Steelman" Euchre club was entertained by Mrs. C. E. Steelman, 119 W. Thirty-third street, Friday afternoon. The club will be entertained by Mrs. William H. Canine, 3229 Stevens avenue, Feb. 12.

Mr. and Mrs. Robert Schuler were pleasantly surprised last night at their home, 135 Nineteenth avenue N. The guests included: Misses Kenning, Merle, Gladie, Emilie, Horne, Marie, Kenning, Minnie, Kenney, Mrs. Kenney, Otto Hillier, Paul Koop, Merle, Schraeder, Stephenson, Ralph, Fred Kenning, Gladie Kenning, Frank Benz, Mrs. Olson, Messrs. J. M. H. Hender, Parrot, Davenport, and Messrs. and Mrs. Barlow, Snell, Mr. Godfrey and Mrs. Stutzman of St. Paul. The amusements included a sleighride and games, and supper was served.

Miss Petra M. Fodstad and Walter H. Gilbert were quietly married at the home of the bridegroom's father, 120 Fourth avenue NE, Thursday afternoon. Mr. and Mrs. Gilbert are at home at 120 Fourth avenue NE.

Miss Charlotte Purchase, whose marriage to F. H. Libby of Oshkosh, Wis., will be an interesting event of the spring, was the guest of honor at a thimble bee Saturday afternoon.

Mrs. Herman Mikolas, of 2425 Portland avenue, gave a whist party and luncheon at the Phoenix club Wednesday afternoon.

BEFORE THE PUBLIC EYE Students of the Northwestern Conservatory of Music will give a recital in the new recital hall in the Dayton building, Friday evening at 8 o'clock. Pupils of Mrs. Albee, Mrs. Marsh, Miss Dobyns and Mr. Beach on piano; Miss Abell, Mr. Marshall, voice; and Mr. Christiansen, violin, will appear. Those participating will be Misses Exine Smith, Boer, Newhart, Ketcham, Sanborn, De Yo, Bookwalter, Crew and Mr. Hemmington, piano; Misses Van Camp and Furgasson, voice; Miss Jensen, violin. The junior pupils of Mrs. W. H. Marsh gave an informal musicale Saturday afternoon in Conservatory hall. An interesting program was given and the pupils participating were Gladys Friend, Virginia Stephens, Jean Wichter, Grace Leek, Michael Van Nest, Eileen Anderson, May Stringer, Marie Cheney, and Hazel Bookwalter.

We Shall Buy a Million 50c Bottles of Liquozone and Give Them to a Million Sick Ones. We have purchased for \$100,000 the American rights to Liquozone—the product which does what medicine cannot do. We thus control the only way to kill germs in the body and end a germ disease. We want the sick to know this product, and at once. So we make this remarkable offer. We will buy a million bottles and give them to a million sick. Will you—if you need it—let us buy one for you? We will pay your druggist for a full-size bottle of Liquozone and give it to the order, good at your local drug store. This is our free gift and its acceptance places you under no obligations whatever. We make it because this seems the quickest way to convince you—to show you—what Liquozone is and what it can do. Then our only request will be that you tell your sick friends what it does. When we, at our expense, have shown you a way to get well, help us let your friends know it, too. Do this for the good of humanity. In this way we have seen one cure lead to hundreds of cures. And that is why we make this offer.

Acts Like Oxygen Liquozone is the result of a process which, for more than twenty years, has been the constant subject of scientific and chemical research. The process consists in generating gases, made in large part from the best oxygen producers. These gases are confined under pressure, and, by the employment of immense apparatus and fourteen days' time, are made part of the liquid product which does what oxygen does. Oxygen, as you know, is the vital part of air. It is the very source of vitality, the most essential element of life. It is oxygen that turns the blue blood to red in the lungs. It is oxygen that eliminates the waste tissue and builds up the new. And no germ of disease can live in the presence of an excess of oxygen. Liquozone is a gas, and unstable. But oxygen is a liquid which is not even volatile. It carries its virtues into the stomach, into the bowels and into the blood, to go wherever the blood goes. It forms a vitalizing tonic with which no other known product can compare. It is life to the human body. But germs are vegetables, and Liquozone—like an excess of oxygen—is deadly to vegetable matter. Every germ in the body, and no man knows another way to do it without killing the tissues, too. We Paid \$100,000 for the American rights to this product. We first tested Liquozone for two years, through physicians and hospitals, in this country and others. In thousands of the most difficult cases obtainable—cases which medicine could not cure—we proved that Liquozone was infallible. Then we paid the highest price ever paid for similar rights on any scientific discovery. We publish this fact because it best shows the value of Liquozone. Claims are easily made; but men don't pay a price until they know that we claim. We paid that \$100,000 because Liquozone does in germ trouble what no skill can accomplish without it. It will do more for the sick than all the drugs in the world combined. You must realize that we know this when, after paying that price, we offer you a bottle free. We Offer \$1,000 For a disease germ that Liquozone cannot kill. This offer is published on every bottle of Liquozone; but nobody ever claimed the reward and nobody ever will. Liquozone always kills germs. Please note what that fact means. All that is necessary to cure a germ disease is to kill the germs. That is certain; and it is just as certain that the disease will never end while those germs exist. Liquozone takes internally goes wherever the blood goes—into every cell of every tissue. No germ can escape it, and none can resist it. Can you not see that the results are inevitable? Germ Diseases The diseases in this list are known to be due to germs or their toxins. Every modern physician knows that medicine cannot kill germs. In recent diseases were long attributed to other causes than germs, and medicine was employed for these troubles, but germs were unknown then. More than half these diseases have been traced to germs within the past five years. The germ cause of Rheumatism, for instance, was not discovered until August, 1902. Medicine is not for germ troubles. You must either rely on nature to overcome the germs, or you must kill them with Liquozone. You can never kill them with drugs. These diseases yield at once to Liquozone. We have seen thousands of these troubles ended in a week, though they had resisted medicine for years. And the results are so certain that in any disease in this list—no matter how difficult, no matter how incurable it seems—we will gladly send to any patient who asks it an absolute guarantee that Liquozone will cure it. Asthma Anemia Hay Fever—Influenza Bronchitis Kidney Diseases La Grippe Croup Leucorrhoea Bright's Disease Liver Troubles Malaria—Neuralgia Many Heart Troubles Coughs—Colds Uterine—Pneumonia Colic—Cramp Pleurisy—Quincy Shingles Catarrh—Cancer Skin Diseases Dysentery—Diarrhea Tumors—Ulcers Dropsy Throat Troubles Eczema—Erysipelas Thrombosis Rheumatism Gout Varicello Gonorrhoea—Gleet Women's Diseases All diseases that begin with fever and inflammation—all catarrhs—all contagious diseases—all the results of impure or poisonous blood. In recent diseases were long attributed to other causes than germs, and medicine was employed for these troubles, but germs were unknown then. More than half these diseases have been traced to germs within the past five years. The germ cause of Rheumatism, for instance, was not discovered until August, 1902. Medicine is not for germ troubles. You must either rely on nature to overcome the germs, or you must kill them with Liquozone. You can never kill them with drugs.
