Farm Lands and Acres

ONE DOLLAR PER ACRE.

Gives contract to a tract of first-class agricultural and timber lands in Itasca County. Balance may be paid in monthly or annual installments at 6 per cent.

Five years gives you full ownership of your own homestead that should have doubled in value during the time.

Is this not a better investment than putting your money in the Savings Bank at 4 per cent?

These lands are adjoining to good markets, near railroads, and the timber is generally worth the price of the land. It costs but little to inspect them. Teams and locators are furnished free of charge and a half-fare rate is given to all land seekers.

The following samples show general character of lands:

CASS COUNTY. One Thousand Dollars—135.72 acres, level, smooth land, sloping gently towards Long Lake, with one-half mile beautiful lake frontage. This is located in flourishing Ponto settlement, with good neighbors, schools and churches close at hand. My estimator gives an excellent report on this tract.

CROW WING COUNTY. \$660—70 acres, rich bottom land on Pine River. This includes good meadow that has been cut several years and some timber. It is an excellent piece of land for small stock or dairy farm. There are schools and good neighbors close at hand and good roads to town. Includes Lots 3, 4, 5, Section 18, Township 138, Range 26.

\$960—120 acres, four miles directly south of Grand Rapids, gently rolling, excellent soil, some hardwood, cedar and tamarack timber, principally opened and easily cleared. Neighbors near by and good road to town. Terms, \$300 cash; balance five years, 6 per cent. Includes NE, SE, Section 9, West 1/2 SW, Section 10, Township 54, Range 25.

Call at office for free map of Minnesota and accurate estimates of land and timber.
