CITY NEWS.

WOODMEN RALLY

Minneapolis M. W. A. Members Hear Order's Head Consul. A grand rally of the Modern Woodmen took place at Wesley church last night. Members of the order in Minneapolis and from surrounding cities were in mass meeting addressed by A. R. Talbot, head consul of the order. Before the meeting there was a parade thru the downtown streets. Over 200 uniformed men were in line and the parade attracted thousands to the line of march. The band of Flour City camp and the Woodmen drum corps were in line. At the church Mayor Hayes welcomed Mr. Talbot. The latter spoke briefly on the wonderful growth of the order and told of the work which it had accomplished. Addresses were made by Charles G. Leabour and W. H. Dawson. Lawrence Lund gave a vocal selection and the Woodmen quartet was heard at its best.

Married Women

Every woman covets a shapely, pretty figure, and many of them deplore the loss of their girlish forms after marriage. The bearing of children is often destructive to the mother's shapeliness. All of this can be avoided, however, by the use of Mother's Friend before baby comes, as this great liniment always prepares the body for the strain upon it, and preserves the symmetry of her form. Mother's Friend overcomes all the danger of child-birth, and carries the expectant mother safely through this critical period without pain. It is woman's greatest blessing. Thousands gratefully tell of the benefit and relief derived from the use of this wonderful remedy. Sold by all druggists at \$1.00 per bottle. Our little book, telling all about this liniment, will be sent free.

John Doe X His Mark

A man's mark is his honor. It stands for him and he stands for it. It's the old Saxon way of signifying good intentions.

The right to be protected in the exclusive use of a trade mark has been long recognized by the common law and enforced by the chancery courts of England and this country.

The Government puts its mark on a bond to give it value.

The National Biscuit Company puts its trade mark in red and white on each end of a package of biscuit, crackers and wafers to distinguish these products and to guarantee the quality, and it does.

To more clearly comprehend the real value of this trade mark, try packages of SOCIAL TRIA BISCUIT and GRAHAM CRACKERS.
