Gentlemen—I feel it my duty to you and my friends, to let you know of the good results I have received from Dr. Caldwell's Syrup Pepsin. I have taken most all remedies recommended to me for stomach troubles, constipation, indigestion, etc., but have had none of them give me the results that your remedy has.

I cheerfully recommend it to all, for the simple reason that it has done me more good than all the other remedies I have taken.

Yours truly, JAMES C. NOVAK,

Sergeant of the Fourth Precinct Station, Minneapolis.

Dear Sirs—I take pleasure in certifying to the great worth of Dr. Caldwell's Syrup Pepsin.

Having known the doctor personally to be one of the best physicians in Illinois, and a gentleman above reproach, his remedies could not be otherwise than good.

I have thoroughly tested Syrup Pepsin, and pronounce it the best medicine on earth; it is nature's health restorer, and I most heartily recommend it to every person who is not in the enjoyment of perfect health.

I served four years in the Civil War, and old soldiers know that army rations are bad on the stomach. Dr. Caldwell's Syrup Pepsin will even make stomachs and keep them new and in perfect condition. We cannot keep house and health without it.

No. 3153 Bloomington Ave.

Very truly yours, COLONEL E. T. LEE.

I grew better within a week and never felt better in my life. Syrup Pepsin takes the place of doctors' bills at my home now, for it is a health giver to the entire family."

"I do not believe there is a better remedy upon the market, for complaints of the nature I have mentioned."

Gentlemen—I am much pleased to see you introduce your valuable remedy, (Dr. Caldwell's Syrup Pepsin) in the state of Minnesota. We first commenced using it at Champaign, Ill., about ten years ago, and cannot praise it too highly. It has never failed us in its good work for constipation, indigestion, stomach trouble; in fact, any derangements of the digestive organs.

I enclose you a picture of our son Percy, who was subject to stomach trouble from a child, and let you judge as to his being the picture of health.

I send you this, unsolicited, and give you permission to use this testimonial in any way to let people know of the merits of your remedy.

Yours truly, J. F. HORNDORF, 4303 Colfax Avenue. Foreman "Twin City" Telephone Co.'s shops, Minneapolis.
