ADVANCE GUARDS AT SIOUX FALLS

2,500 EXPECTED TO ATTEND REPUBLICAN STATE CONVENTION.

Crawford and a Party of Lieutenants Already on the Ground—Chief Battle Is Over Governor, and Both Sides Maintain the Confidence Exhibited at Earlier Stages.

Special to The Journal. Sioux Falls, S. D., May 2.—According to the claims of the leaders in the fierce fight which is now ending, and which has for its prize the nomination to the office of governor on the republican ticket, "it's all over but the shouting." If the opposing factions are honest in their claims, one side or the other is going to be woefully disappointed.

Elaborate preparations have been made for caring for the 2,500 visitors who are expected to be in the city this week for the purpose of attending the republican state convention and the convention and rally of the South Dakota State League of Republican clubs.

The rally of the league will be held in the Auditorium on Tuesday evening. At a business session, to be held on Wednesday morning, two hours before the calling to order of the convention, officers of the league and delegates will be elected.

Advance Guard There. The advance guard of republicans has arrived in the city. Among the prominent republicans now here are Cow I. Crawford and several of his lieutenants, and Frank Crane, chairman of the republican state central committee.

Chief interest naturally centers in the contest which has been waged about five months for the nomination to the office of the state governor. The republican state convention was held Saturday, and all the 1,014 delegates who will be entitled to seats having now been elected. The instructed delegates aggregate 357, and are divided as follows:

Coe I. Crawford—Faulk, 11; Hand, 14; Hyde, 8; Jernald, 10; Stanley, 3; Sully, 6; Miner, 13; Klugbeary, 20; Clark, 29; Sanoora, 15; total, 133.

W. H. Eberd—Clark, 20; Collington, 20; Hamlin, 16; Deuel, 19; total, 75.

J. E. McDougall—Day, 20; Edmunds, 12; Marshall, 18; total, 50.

George V. Snow—Bon Homme, 26; J. M. Greene—Butte, 14; O. S. Berg—Spink, 26; John Schamber—Campbell, 12; John H. Holmes—Douglas, 14.

The counties which have elected delegations which are uncommitted so far as governor is concerned are: Aurora, Brown, Buffalo, Butte, Clay, Custer, Davison, Fall River, Grant, Hughes, Hutchinson, Lawrence, Lincoln, McPherson, Meade, Moody, Pennington, Potter, Turner, McCook, Union, Walworth, Minnehaha, Charles Mix, Lake, Tanbark, Lyman, Hanson and Brookings, with an aggregate of 81 delegates.

The counties of Grant and Roberts will have contesting delegations. The leaders of the organization forces are emphatic in their declaration that of the uncommitted delegates Mr. Crawford cannot secure the votes of more than 101, as follows: Lincoln, 26; Clay, 15; Turner, 21; Campbell, 17; McCook, 12; Union, 19; total, 101.

This, according to the figuring of the organization men, makes a total of 234 votes which may have in the state convention, and represents his maximum of strength.

Mr. Crawford and his friends profess to be confident that they will be able to secure control of the convention, and continue to maintain that he will have more than enough votes to insure him the nomination. They say the bulk of this vote will come from the counties of the delegates, who, while alleged to be supporters of the "machine," are against the organization forces.

Judges Haney, Fuller and Corson of the state supreme court will be renominated by acclamation. This will also be the case with Congressmen Martin and Burke.

The nominee for lieutenant governor will probably be some one of the present candidates for nomination to the office of governor.

Secretary of State. There are three candidates for nomination to the office of secretary of state—John C. Perkins of Roberts county, present state commissioner of insurance; E. A. Platts of Moody county and D. D. Wolf of Hutchinson county. The three apparently are running a neck-and-neck race.

C. B. Collins of Groton, present state treasurer; State Auditor Halladay, Superintendent George W. Nash, C. J. Bachman, state commissioner of school and public lands, and Philo Hall, attorney general, will be renominated.

Fight in the Hills. There will be a fight over the selection of a nominee for railroad commissioner from the Black Hills district to succeed Dr. W. G. Smith of Sturgis, among the candidates are W. J. Chiesman of Butte county, John Esterbrooks of Lawrence, Mark A. Willis of Custer, Senator John Schreder and V. T. Ericson of Pennington and W. G. Smith of Meade, who is a candidate for renomination.

It is believed the delegates from the Black Hills counties will unite upon a candidate before the convention is called to order. If this is done, the man agreed upon will, of course, be the nominee of the convention.

Among the candidates for delegates to Chicago are A. O. Ringsrud of Union county, H. C. Smith of Campbell, John Q. Anderson of George, C. E. Warner of Hamlin, J. E. Whittin, S. H. Daniels of Davis of Aurora, Dr. W. E. Darnier of Lake and Robert H. Driscoll of Lawrence. Several additional candidates will yet appear.

J. M. Greene of Chamberlain, the South Dakota member of the republican national committee, can secure a re-election if he wishes it, as no opposing candidate has appeared.

WHAT DO YOU THINK OF THIS?

The Milks' Emulsion Company of Terre Haute, Indiana, are out with an offer to cure the worst case of Stomach trouble or Constipation in existence, or money refunded, and to start you off they agree to buy the first bottle for you, from your druggist, and present it to you free of charge. All you have to do is to write and ask them for an order on your druggist for a free bottle, giving your name, address and particulars of your case.

This looks to us like a pretty good proposition. The fact that all druggists handling Milks' Emulsion are requested to guarantee every bottle they sell, is a sure indication of merit. Otherwise the Milks' Emulsion Co. would soon go out of business, and we notice they have come to the front very fast since placing Milks' Emulsion on the market one year ago.

NO SECOND PLACE FOR HELGESEN

COMPROMISE SUGGESTED NOT LIKELY TO BE ACCEPTED.

Milton Man's Candidacy Based in Part on His Opposition to Cut-and-Dried Politics and the Making of Deals in Dark Corners—Hegge Out for State Treasurer.

Special to The Journal. Grand Forks, N. D., May 2.—The candidacy of H. T. Helgesen for governor has set the politicians talking, and there are all sorts of rumors as to what the new movement means and what its effect will be. The suggestion that Mr. Helgesen be taken out of the cold by the Baries combination and placed on the ticket as candidate for lieutenant governor is not likely to be received with great enthusiasm by those whose support Mr. Helgesen invites.

In his announcement of his candidacy he expresses himself as opposed to the cut-and-dried plan of nominating candidates. He is in favor of a clear field to Dr. Taylor. One story is that in consideration of the support of the element that was inclined to oppose the doctor he is to cast his vote for McKenzie for national committee man. This story lacks confirmation.

E. C. Cooper will have a delegation to the state convention favorable to him for insurance commissioner.

FARGO, N. D.—In Cass county politics, aside from the fight between the Kennedy and Haggart factions, there is a contest for the office of sheriff and state's attorney. The former is regarded as the best office in the state, more remunerative than governor or any of the state offices. The statute limits the service in that office to two consecutive terms, and this makes Sheriff Twichell ineligible.

There are six candidates already in the field. E. H. Hunt of Fargo, Frank McKenzie of Wild Rice, Louis Hicks of Hoksick, W. G. Newton of Mapleton, W. J. Hawk of Buffalo and H. J. Kusch of Fargo. Hunt is said to be the candidate of the Kennedy faction, which rather places the rest of the field in the opposition. Hicks, Newton and McKenzie are all from the Kennedy faction.

The Kennedy faction is said to have determined on J. F. Callahan of Casselton for state's attorney. W. J. Eberd is the present assistant, is a candidate for the place. To win, he wants the office of sheriff given to some one outside of Fargo. There is probably, be little or no fight over the other places.

DEVILS LAKE, N. D.—The republican convention nomination Senator H. C. Hansbrough will be placing him in the delegation to the Fargo state convention. The delegates are as follows: Delegates: H. Hansbrough, H. M. Creel, E. J. McClory, Ole Sorum, D. B. Townsend, H. R. Aslakson, James Code, P. J. Bottolfsen, O. P. N. Anderson, J. G. Jacobson, A. R. Walker, George Dingman, O. T. Simons, D. C. McLeod, W. E. Powell.
