Whiskey and Beer Habit CITY NEWS.

ORRINE

ABSOLUTELY SAFE, SURE AND NARMLESS.

Physicians pronounce drunkenness a disease of the nervous system, creting a morbid craving for a stimulant. Continued indulgence in whiskey, beer or wine cats away the stomach lining and stupefies the digestive organs, thus destroying the digestion and ruining the health. No "will power" heal the inflamed stomach membranes.

"ORRINE" permanently removes the craving for liquor by acting directly on the affected nerves, restoring the stomach and digestive organs to normal conditions, improving the appetite and restoring the health. Can be given secretly if desired.

Cure Effected or Money Refunded.

Ask your druggist whom you know what he thinks of ORRINE; he will indorse our statements as truthful in every respect. If ORRINE fails to cure you, we will refund you every pennypaid for it ascheerfully as we took it. No Sanitarium Treatment or Publicity! No Absence from Home or Loss of Time!

Mothers, wives and sisters, you cannot cure those who are afflicted with this most terrible of all diseases by your fervent prayers, or eyes red with tears, nor by your hope that they may stop drinking. It can be done only with ORRINE. You have the remedy—will you use it? If you desire to ours without the knowledge of the patient, buy ORRINE No. 1; if the patient desires to be oured of his own free will, buy ORRINE No. 2. Full directions in each package. Price \$1 per box.

Broken-hearted over the death of

his wife, C. L. Carlson, proprietor of the Park Avenue Express & Storage the Park Avenue Express & Storage company, committed suicide by hanging himself to a rafter in the barn at the rear of his residence, 711 East Fourteenth street, last night. When stable men went to the barn this morning they found Carlson's lifeless body and notified the coroner.

Carlson had a good business, and altho he was known to be worning altho he was known to be worrying over his wife's death, his family did not suspect that he would take his own life. He had a family of seven children, the eldest a boy of fifteen and the youngest a babe of twenty months. Mrs. Carlson died at Swedish hospital on March 7, after an oper-

ation for appendicitis.

Carlson was well known in the city and had many friends. He had cently added the storage department to his express business and had been successful in securing large patronage. Funeral arrangements have not yet

WILL IT IGNORE CHARTER? T. C. R. T. Expected to Fight St. Paul

Gross Earnings Tax. It is believed in St. Paul that the Iwin City Rapid Transit company will ignore the new charter and proceed with the construction of proposed street railway extensions under the old horse car franchise of 1872 and the electric franchise of 1891. If these are still effective the company is not even obliged to secure the sanction of the council, but can lay new tracks wherever business may demand them. It is understood that material is already in place for the Phalen park and Rondo street extensions and actual work is expected to begin any

day.

That the company will fight the gross earnings tax has been stated so often that the people accept it as a matter of course. The company wants new lines and the bringing out of the cold free here, is an attempt to cite. old franchises is an attempt to circumvent the gross earnings tax fea-ture of the new charter.
