FOOT ROTTING OFF

Ed Jeffries Taken to Hospital in Shocking Condition.

Lying beneath an old wagon cover in the rear of 7 First street N., with his left foot literally dropping to pieces from gangrene, Ed Jeffries, colored, was found by the police and sent to the city hospital. He had not eaten for several days.

Hospital attendants say that Jeffries' case is the worst received for many months. Sores were so many that the man had been driven from a Bridge Square lodging-house, while the hospital attendants were almost sickened. It will be necessary to amputate the foot, but the man's condition is such that it is doubtful if he will recover.

Jeffries resided in this city about 15 years ago, but went to Chicago. He lost his health in that city, and the relief department, learning that he had formerly lived here, shipped him back. He was sent to the workhouse for vagrancy.

Florence Is Convicted.

Florence Palmer, colored, indicted with Flossie Davis for stealing \$63 from William Anderson, was found guilty by a jury yesterday afternoon. She was remanded for sentence.
