Some Pointed Personal Questions for You to Ponder Over.

Are you looking for a good tonic and health builder? Are you satisfied with your present physical condition? Do you get tired easily? Is your digestive apparatus out of order? Do you suffer from indigestion after meals? Do you feel listless, tired, discouraged? Do your life's work look too large for you to handle? Are you irritable, discontented, uneasy? Do you drag yourself along the street instead of walking with an ambitious springing step?

How long are you going to continue to jeopardize your health? Do you not think it about time for you to take a "brace" and enter into life with energy, spirit and self-will? Is it not folly to suffer when relief is at your very elbow? Would you not be glad to get back your lost appetite and lost strength?

If you really want relief, if you really want to feel like your old self, would it not be worth the slight trouble to look into the merits of Walter's Peptonized Food, the most perfect tonic and health-builder known? The combination of rare old port wine, pure cane sugar, and stomach in its natural condition and will put energy and good blood into your whole system. You owe it to yourself, your family and your friends, to get a trial bottle of Walter's Peptonized Food and give it a thorough test. Its vitalizing ingredients will greatly astonish you. It comes in bottles of two sizes, \$1 and 50 cents, and is on sale at Voegel's two stores, Washington and Hennepin, Nicollet and Seventh street.

RAILROADS.

G. N. TO EXTEND TO SIOUX CITY

SURVEYS COMPLETED FOR LINE FROM HUTCHINSON.

This Would Give Shortest Route Between Here and the Iowa City—Hill Understood to Control the Dakota Central—What the Changes Mean.

Special to The Journal. Sioux City, Iowa, June 11.—Surveys have been completed by the Great Northern railroad for an extension of the Hutchinson, Minn., line from Sioux City to the shortest line between here and Minneapolis.

This is but one part of a plan now under consideration by the Great Northern for construction that will give that system connection with the Burlington at Ashland, Neb., the short line from Sioux City to Minneapolis and link from Sioux Falls to Minot, N. D., that will save 418 miles on all Pacific coast business originating on the Burlington system, or on the Great Northern south of Sioux Falls.

Three surveys run from Hutchinson, Minn., and have for termini, respectively, the points at Hills, Minn., and Dalton, Iowa. The latter, involving the most construction, is favored as a shorter line to Minneapolis than that of the Omaha railroad. The Great Northern's Minneapolis-Sioux City line is now 330 miles, compared with 288 miles for the Omaha, the lines partially purchased from the Great Northern from competing for twin city business.

The Dakota Central railroad, which runs northwest from Sioux Falls a short distance, is understood to be within the control of the Great Northern. The project contemplates extending this line to Minot, connecting it with the three branches of the Great Northern running to Huron, Aberdeen and Ellendale respectively. The Dakota Central would then be extended south to a short distance to Lester, Iowa, and thus a direct line would result for coast business which now goes to Willmar and back to the Great Northern. Hutchinson would practically exclusive territory, and it is said there is little doubt of its construction.

It is already announced extension south from Sioux City to a connection with the Burlington at Ashland, Mr. Hill would have a system of lines that would be much greater than any other in the northwest.

T. C. R. T. ANNUAL

Two Actions to Directorate Give Quorum in Minneapolis.

At the annual meeting of the Twin City Rapid Transit company, held yesterday in Elizabeth, N. J., more than two-thirds of the stock was held by the report for the year ending Dec. 31 and published in February was approved. The retiring directors will be Charles Hayden, of the banking firm of Hayden, Stone & Co., of Boston, and M. D. Mann, the president of the company. This addition will enable a quorum in either Minneapolis or New York and will save Thomas Lowry, the president, many trips east.

The new board re-elected the officers and transacted no other business of importance. Mr. Lowry, vice president, G. Goodrich and Director W. J. Goldby of New York, were the only officers present. Mr. Lowry said he expected the litigation in St. Paul to be decided soon, when the company would proceed rapidly with construction work.

In regard to the company's earnings President Lowry says that the returns for the first week of the current month will show a small decrease, due to the rainy weather. During the summer season with favorable weather he expects the earnings to be substantially larger than for the corresponding period of last year. Mr. Lowry left for Minneapolis.

OFFERS LOW RATE

G. W. Encouraging Summer Tourists to Come to Minneapolis.

The Great Western is making an effort to bring summer tourists north. For points beyond Chicago it has made a round trip rate to Minneapolis of one fare plus \$2, good returning until Oct. 31.

The rate is not good from Chicago and the minimum must be \$18, or the cost of a round trip ticket from Chicago to the twin cities. Fifteen-day limit tickets from the same points will be one fare plus 50 cents. These tickets are ironclad, with signature agreements.

FOR DEM. CONVENTION.

Minnesota Roads Offer Low Rates to Duluth.

Minnesota lines have announced a rate for the democratic convention at Duluth, June 22, of one fare for the round trip from any point in the state to the twin cities and \$3 from the twin cities to Duluth. From other points to Duluth the rate will be one fare plus 50 cents.

The rates are open and tickets are good going June 21 and 22, and returning to June 25, inclusive.

MUSIC.

State Music Teachers.

The latter part of next week Duluth will be filled with music teachers from the state of Minnesota attending the third annual convention of the association which will convene there Thursday. The official headquarters will be at the Spalding hotel and the twelve meetings will be held at the Methodist church as it affords the best auditorium in the city as well as the finest organ. In order to obtain the rate of a fare and one-third visitors must have their certificates signed Saturday at the Methodist church. Miss Edna Hall and Eugene Murdock will go to Duluth Monday to perfect the preliminary arrangements.

Thursday evening there will be a large reception and informal banquet at the Commercial club, and Friday afternoon the Minnesota composers program will be given, when numbers composed by Carl Hellmaier, Dr. W. Chys-Herbert, W. Emil Sauret, assisted by Mrs. Jessie De Wolf and Arthur Speed, will give a concert. Mr. Henderson is one of the best musical authorities in the country, as a critic he

INSTRUMENTATION OF THE NEW BAND

THERE WILL BE FIFTY PIECES AND NOTABLE SOLOISTS.

The Park Board Organized It as a Permanent Institution—Concerts to Begin at Harriet June 20 and Continue for Six Weeks.

Minneapolis is to have an innovation at Lake Harriet this season in a band of its own consisting of fifty pieces which will be known as the Minneapolis Park Band. The name was selected because it was believed that with such a nucleus the organization will grow into a band which shall occupy the place in the civic life of the city and state, that such distinctive organizations do in the life of other large cities in the United States.

It is noteworthy that this venture had its inception with the park board, which is undertaking for the first time in the history of the city to furnish suitable and adequate music for the entertainment of its citizens during the warm days of summer.

The instrumental selection of a leader could have been made than of Mr. Oberholfer, the well-known conductor of the city orchestra, many years ago. He has been identified with the city's best musical interests. His success with the Apollo club was marked.

The rehearsals of the past few weeks conducted at the armory, have demonstrated thoroughly that Mr. Oberholfer's band is bound to prove a tremendous success. It consists of the following instruments: Two E flat clarinets, ten B flat clarinets, three saxophones, three trombones, three basses, two grand flutes, two oboes, two bassoons, two trumpets, two baritone, two euphoniums, four French horns, six cornets, and a piccolo flute, string bass, snare drum, snare drum, xylophone, helicon, kettledrums, cymbals, triangles and bells.

The soloists already engaged to assist in the coming band concerts are as follows: Otto Gebhardt, who for twelve years has been the trombone soloist with Theodore Thomas; August C. Tacke, the famous bombastic soloist from Duss band and the marine band, and the last, by no means least, Herman Bellstedt, the great cornet virtuoso from Sousa's band. Bellstedt comes direct from a five weeks' tour as solo cornetist with Sousa.

The band concert season opens on Monday, June 20. Concerts will be given every evening for six weeks and on each Sunday afternoon. The concerts will be given on the boardwalk at the disposal of the public. It will seat comfortably more than two thousand people and will afford an ideal place for listening to the music and enjoying the beautiful view of the lake and surrounding hills as well as the cool breezes of the evening.

The Pennsylvania Limited Leaves Chicago Daily at 6 p. m. Time to New York 22 hours. Ladies' maid, barber and other attendants on this train to assist passengers. Monday evening a number of the pupils of Mr. and Mrs. Carlyle Scott will give a recital at Johnson Music hall. Those who will take part are Blanche Kendall, Oscar Brecke, Madeline Doolittle, Grace Golden and Rose Wagner.

Last evening the pupils of Mrs. Benson gave their spring recital at the residence of Mrs. Lester Moore, Blaisdell avenue, and Thirty-fourth street. Those taking part were Bertha Dawson, Aleda and Elsie Thies, Carlyle and Derby Weston, Ethelwyn Bierlein, Reuben Gerdsen, Flora Crowfoot, Jessie Blythe, Florence Rheidatfer and Mildred Gamble.

WITNESSES CAN COLLECT

THO NOT IN ATTENDANCE AT TRIALS, FEES MUST BE PAID THEM—RULING BY JUDGE HARRISON.

Witnesses subpoenaed in a case do not have to attend the trial in order to collect fees. Such is the significance of an order filed by Judge A. M. Harrison this morning in the case of Charles Swanson against the Great Northern Railway company. All that is necessary, according to the judge's memorandum, is to show that the witness has left his avocation and has held himself in readiness to attend court.

The case was one in which the plaintiff sued the defendant company for \$10,000 damages for the loss of a leg. After the cross-examination of the plaintiff the case was dismissed. A \$140 bill of costs was presented by the defendant's lawyers, Brown & Albert. The plaintiff's attorney objected, and upon affidavits introduced by him, the clerk fixed costs in the case at about \$12. The defendant company appealed and has now been sustained by the court.

The point of most importance in the matter was whether or not a witness not in actual attendance at the trial can collect fees. The court held that it is a matter of doubt in the clerk of court's office for some time, and cannot. It is claimed by Deputy Clerk McLaughlin, who has charge of the taxation of costs, that if this is allowed it will tend to great injustice, accruing to the benefit of the large corporations, who can in this way run up a bill of costs which cannot be paid by the plaintiff, and thus prevent a recommencement or retrial of the case.

OPINION OF EXPERTS

Most Famous Physicians Recommend Kneipp Malt Coffee.

WORD FROM KAISER'S COURT

Kaiser's Physician, Most Famous Doctor in Europe, Gives Unstinted Praise.

There is no physician in all Europe, or, for that matter, in the world, who has so high a standing, both inside and outside the medical profession, as Dr. Von Pettenkofer, court physician to Kaiser Wilhelm of Germany. For this reason, his opinions are regarded very highly in every part of the world as the opinions of the very highest possible authority.

Dr. Von Pettenkofer made a very careful study of the coffee question not a great while ago, and not only came out very strongly against its use because of the poison (caffeine) in it, but carried his investigations into the field of coffee substitutes. With the result that he gives his unqualified and unstinted praise to Kneipp Malt Coffee. In a published letter, Dr. Pettenkofer says:

"I hereby certify that Kneipp Malt Coffee is entirely free from all injurious substances. It is far superior to all other coffee substitutes on account of its being a pure malt preparation, its coffee-like taste; its richness in brain, bone and muscle-forming food, and its purity, which is apparent at a glance. I can, therefore, conscientiously recommend it for family use, as well as for hotels, hospitals, sanitariums, convents, schools, etc." Signed: Von Pettenkofer, M. D., Privy and Chief Medical Adviser to Kaiser Wilhelm's Court, Professor in University, President of Royal Board of Health, and President of Royal Academy of Science.

To this word of Dr. Von Pettenkofer's might be added the testimony of a large number of the most widely known physicians in America. Take the following, written by Dr. N. A. Pennoyer, head of the famous Pennoyer Sanitarium of Kenosha, Wis. He writes:

"It gives me pleasure to say that we have found no malt or cereal substitute for coffee which has given such satisfaction in our sanitarium as Kneipp Malt Coffee, prepared by the Kneipp Malt Food Co. Besides the favor of the beverage being so excellent, the fact that the coffee comes in a 'berry' ready for grinding precludes the thought even of any opportunity for adulteration or substitution in the preparation of the most healthful article of diet."

All of the following well-known physicians have written letters praising Kneipp Malt Coffee as the best there is: Dr. James H. Noble, Eau Claire, Wis.; Dr. W. H. Schrader, Chicago, Ill.; Dr. F. Foster Todd, Chicago, Ill.; Dr. H. Alden Adams, Indianapolis, Ind.; Dr. Frank Waters, Chicago, Ill.; Dr. S. P. Stoddard, Rockville, Ind.; Mrs. Dr. T. N. McLeary, Elizabeth, N. J.; Dr. J. B. Darling, Chicago, Ill.; Dr. William Robinson, Chicago, Ill.; Dr. F. A. Benham, Elk Hart, Ind.; Dr. John W. Fawcett, Brooklyn, N. Y.; Dr. May Hadley, Chicago, Ill.

GOOD FOR YOU EITHER WAY.

Kneipp Malt Coffee is not only good and delicious to drink in itself, but it is equally good and wholesome for you to drink. Its effect on the body is always for health and strength. It aids digestion, is quickly assimilated by the weakest of stomachs and is nourishing to all parts of the body.

It is the only substitute for coffee that can be prepared in various ways. It can be made to taste, look and smell like the best coffee, or it may be given a deliciously cocoa flavor by simply bolting it a little longer. But the best part of it is that it is exactly as good for you as it looks and tastes.

FOUND BUT ONE SUBSTITUTE.

Dr. James H. Noble, who lives at Eau Claire, Wis., and who is one of the greatest physicians of the northwest, writes: "I have found no substitute except your Kneipp Malt Coffee."

WHAT PRINCE ALBRECHT SAYS.

Prince Albrecht of Saxe-Weimar writes as follows: "Your Kneipp Malt Coffee is absolutely unqualified as the best malt coffee. I drink it daily with the greatest satisfaction."

THE MOST PERFECT COFFEE

So Prepared as to be Entirely Free From All Coffee Poisons.

Why keep your stomach, brain, nerves and blood weighted down with a false and poisonous "support" by drinking coffee when there is a perfect substitute, which tastes, smells and looks so exactly like real coffee that thousands of people imagine they are using the real article, but in fact have something better? Kneipp Malt Coffee is pure, clean, malted barley, malted and roasted under a patented process, without a grain of adulteration of any kind. Perfectly delicious in taste, very satisfying and coffee-like in aroma and absolutely healthful. Whether weak or well, young or old, every stomach is benefited by its use. It quickly removes every effect of coffee poisoning from the system and builds health and strength in its place.

It is absolutely the purest, most wholesome, and most delightfully delicious beverage on the market. The most eminent physicians recommend it and the highest royal families of Europe use it. Give it a fair trial and you will understand why.

Costs no more than any other coffee. If your dealer don't sell it, write for name and address and we will send you a package with our beautiful Book of Recipes and an aluminum measuring cup for your trouble. Address Kneipp Malt Food Co., Manitowish, Wis.

MOST PROMINENT PHYSICIAN RECOMMENDED IT.

A letter recently received from the Commercial Tea Co. of Lowell, Mass., says: "Our attention has been called to your preparation, Kneipp Malt Coffee, by our medical physician, who recommended it highly. I would like the agency."

The main point to this is: Most prominent physicians everywhere are recommending Kneipp Malt Coffee. It is wonderfully delicious and health-giving.
