Mme. Yale's Hair Tonic FOR CHILDREN AND ADULTS. ANTISEPTIC and HYGIENIC.

A Hair Invigorator—Just what its name implies. It supplies nourishment, the elements of growth, which, when absorbed by the hair, strengthens and beautifies it in the same way that sap glorifies the foliage of a tree. Even when the follicles are seemingly dead, if the scalp is massaged daily with Mme. Yale's Hair Tonic a vigorous growth will be produced. It has honestly earned its title of "the great hair grower." It stimulates the most stunted growth and makes the hair magnificently healthy and beautiful.

Mme. Yale's Hair Tonic is prized equally by men and women, particularly when the hair begins to weaken or fade. Cures baldness, grayness, splitting of the hair, dandruff and all diseases of the hair, scalp and beard. One application stops falling hair. A nursery requisite; no mother should neglect to use it for her boys and girls; when the hair is made strong in childhood it remains proof against diseases and retains its vigor and youthfulness throughout life.

DISFIGURED WITH ECZEMA Under Physicians Five Months. Went from Bad to Worse. CURED BY CUTICURA

Wonderful Change in One Night. In a Month Face Was Clean as Ever.

"I was troubled with eczema on the face for five months during which time I was in the care of physicians. My face was in such a condition that I could not go out. It was going from bad to worse and I gave up all hope, when a friend of mine highly recommended Cuticura Remedies. The first night after I washed my face with Cuticura Soap and used Cuticura Ointment and Cuticura Resolvent it changed wonderfully, and continuing the treatment it removed all scales and scabs. From that day I was able to go out, and in a month my face was as clean as ever." THOMAS J. SOTH, 317 Stagg St., Brooklyn, N. Y. The above letter was received in 1893 and he again writes us Feb. 19, 1903, "I have not been troubled with eczema since." The agonizing itching and burning of the skin as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of scalp, as in scalded head; the facial disfigurement as in pimples and ringworm; the awful suffering of infants, and anxiety of worn-out parents, as in milk crust, tetter and salt rheum—all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment and Resolvent are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy have made them the standard skin cures of the civilized world. Sold throughout the world. Cuticura Resolvent, 50c. (in form of chocolate coated pills, 25c. per vial of 60, Baltimore, Md.) Cuticura Soap, 25c. (in form of 120, 25c. per box of 120, New York, N. Y.) Cuticura Ointment, 25c. (in form of 120, 25c. per box of 120, New York, N. Y.)
