Mrs. William Donaldson announces the engagement of her daughter Elizabeth to Fred H. Carpenter.

Mr. and Mrs. Frederick T. Day of Milwaukee have announced the engagement of their daughter Louise to Dr. Paul Albert Higbee of this city. Dr. Higbee is the son of Dr. and Mrs. A. E. Higbee, and belongs to one of the old families of Minneapolis. Miss Day visited in the city earlier in the summer, and made many friends, who will welcome the news that she will return to make her home.

Mr. and Mrs. Baron F. Proctor of Colfax avenue S. have issued invitations for the wedding reception of their daughter, Henrietta Hanford, and William Henry McDonough of New York, whose marriage will take place Wednesday evening, Sept. 7. Only the relatives will witness the service, which will be read at 7 o'clock, but a number of cards have been sent out for the reception from 8 until 10 o'clock.

Mr. McDonough will arrive from New York, Wednesday, and next Saturday Mrs. Forest H. Jordan will give a dinner at her home in St. Paul for the bridal couple. Several other affairs have been planned for Miss Proctor and her fiancé, but the date will not be set until after Mr. McDonough's arrival. Miss Proctor of New York and Mrs. C. E. Dole of Washington are guests at the Proctor residence until after the wedding.

Miss Helen DeMers, of the bride of September, was the honor guest at a luncheon and granite shower which was given this afternoon by Miss Minnie Kellogg at her home on Lyndale avenue N. The invitations to this affair were issued on birch bark covers, which were fastened to the bride's chair. Miss DeMers also found at her place a dainty recipe book bound in birch bark and tied with yellow ribbon and each of the guests wrote her favorite recipe in the quaint little volume. Covers were placed for fourteen and after luncheon the bride was presented with all sorts of utensils in the popular granite ware.

Last evening Miss DeMers and Mr. Van Nest were given a handkerchief shower by Miss Laura Garvey, who had invited sixteen guests to her home on Lyndale avenue N. Bright garden flowers made the rooms more attractive and music and games were enjoyed by both the bride and bridegroom were showered with handkerchiefs.

LAKE MINNETONKA

The social doings at the lake came almost to a complete standstill during the week, for the storm had left its marks on many homes, and parties which had been planned had to be given up while visitors at the various summer homes were notified to postpone their calls until after things had been straightened out a little. Work of fixing up has been progressing with a will, and before another week is out there will be new roofs, new chimneys, new windows, new screens and new verandas to be seen. The gaps left by the tornado. Mr. Bartlett of the Bartlett House at Mound City has been continuing in business in spite of his handicapped position, and several of the adjacent houses are being used for the guests and the rooms in the hotel which have been damaged are being repaired with all possible haste, and the guests of the hotel are unwilling to leave the hotel for the Hotel del Otero, Spring Park, the workmen are also at work on the damaged portions of the verandas and the pavilion. A constant demand for rooms late in the season has caused Manager Hopkins to decide to keep the hotel open until Sept. 12. Maple Heights, on Phillips island, shows no signs of the advancing season. The damage which has been done to the friendly hotel is being repaired as fast as possible, and while the rooms on the second floor cannot be used just at present, the guests of the hotel found comfortable quarters in the adjoining cottages owned by Mrs. Woolnough. Hotel Tonka Bay has also postponed the date of closing its doors, and although Sept. 1 had been originally planned, the house will now remain open till the second week of the month. The Bodifram received a number of applications last week from southern guests traveling thru the country in search of a pleasant home for the summer vacation and the Beach Casino at Tonka Bay will remain open the greater part of the fall, as long, anyhow, as the Minneapolis & St. Louis road will run its regular trains to the terminus of the lake—Tonka Bay. The Haywood Casino at Excelsior will follow its course of last winter and will remain open right along. The social doings at the lake will be discontinued and the music will stop.

Mrs. E. F. Elliott of Briar Hill, Minnetonka, gave a dinner last night for Mr. Elliott, entertaining a group of twenty guests from the city, who came out on the 5 o'clock train and returned to the city on the late evening train. The dinner table was beautifully decorated with two large Japanese baskets, each holding a wealth of pink dahlias, and large bowls with the same flowers stood on the mantels and buffet. In the parlor the decorations were stately red gladiolus blossoms and tiger lilies arranged in quaint urns and copper holders. A large basket was filled with Japanese lilies of delicate pink-and-white tints. After dinner the guests played six-hand euchre.

Miss Glee Jamison of Wildhurst gave a college luncheon yesterday at her summer home for a group of eight young women, several of whom are here for the summer vacation and will leave next month for school. Miss Jamison and Miss Grace Gillette will leave Sept. 12 to continue their studies at Wells college.

Miss Beatrice Wilcox entertained at luncheon yesterday for Miss Clara Hudson, Miss Priscilla Rand and Miss Hill at the home of Mrs. W. J. Cook, on the lake. After luncheon the young women went to the skating rink at the Beach Casino.

The house committee of the Minnetonka Boat club is planning to close its social season with a dancing party at the hotel for the summer vacation and next month at the Beach pavilion and will leave next month for one or two musical affairs in the early fall.

Yesterday evening the younger set enjoyed a delightful party on board the Acte, and later a dancing party at the Lafayette club. Miss Margaret Lyman was the hostess and Mr. and Mrs. Lyman chaperoned the twenty or more people at the pleasant entertainment.

If the pleasant weather continues, Mr. and Mrs. Schomberg will keep their home at Keewauwin, at Cottagewood, open till the middle of September. Mr. and Mrs. J. A. Johnson and the Misses Maude and Edna Johnson, who have been spending a week at the hotel, will return home Sunday.

Mr. and Mrs. C. C. Matteson and Mrs. J. Matteson of Chicago were guests at the hotel for a few days.

Mr. and Mrs. H. C. Evers of Minneapolis and her sister, Mrs. C. B. Sears of Chicago, were over-Sunday guests at Hotel Keewauwin.

Other guests during the week were Miss Sophia Blitz, Chicago; Mrs. C. M. Putnam, George Benson, Floyd Gibbons, Mr. and Mrs. F. J. Cox of Lydia Smith. The decorations were all in white and pink and the centerpiece was a large bouquet of pink and white asters, and at each corner were white seats, with a pretty gauze algrette as a favor. After the luncheon Miss Reed entertained her guests on a boating party on the steamer Acte.

Mrs. W. T. Joslin gave a pretty lake luncheon Thursday afternoon at Old Orchard, Wildhurst. Covers were laid for eight and the table decorations were carried out with quantities of pink asters and pink sweet peas.

The Charles Laird quartet furnished a musical treat yesterday evening for the guests of Hotel Tonka Bay and their friends. Thursday night the young people at the hotel were entertained at indoor golf by Miss Foster, and the prize was captured by Irene Ramedell. This evening there will be the usual Saturday hop in the ballroom, and if the weather continues fair, a host of guests from the city will come out to remain over Sunday at the hotel.

C. H. Rubin of St. Louis and C. H. Smith of St. Louis arrived at the hotel on a short visit with their families before taking them home.

Miss Josephine Lathin and Miss Mabel Lathin of Appleton, Wis., have come to the hotel to spend a few weeks.

Mr. and Mrs. Harry A. Douglas and family of St. Louis are expected Sept. 1. Guests who have come to the hotel this week are Mrs. Mary Kender, Mrs. J. Plummer, Chicago; Mr. and Mrs. D. E. Miner, W. S. Bayley, Mr. and Mrs. Claude Cotton, Mr. and Mrs. J. R. Butnam, F. H. Merrill, Minneapolis; L. Loesser, Chicago; Mr. and Mrs. J. C. Carey, Milwaukee; Miss Agnes Wheeling, W. Va.; John F. Campbell, Chicago.

Hotel del Otero owing to the fact that there are hosts of guests coming and going continually will remain open thru the second week of September. As soon as the hotel closes Mr. and Mrs. Hejrida will leave for New York and other eastern points to visit before going to California for the win-

One of the social gatherings on the south shore was the cornroast last night at Summerville given by the cottagers of the summer homes. Williams Mendel, Holbrook and Merrick had made the arrangements and a number of Cottagewood cottagers joined them. The large search fire with its huge glowing logs made an attractive spot, and while the ears were roasted by the men, the women spread the dainty picnic refreshments on improvised tables on the grass. After the roast an "supper" and entire party took possession of the dining-room at Hotel Keewauwin and danced.

The young people from Deephaven made up a hayrack party Thursday night and toured the south shore of the lake stopping at the Excelsior beach for a campfire and cornroast.

PERIL IN THE HAND-SHAKE.

Not long ago Dr. J. N. Hirsch, of Chicago, said: "The most delicate perfume upon the hands is not a sign of freedom from germs, and the most refined are not free from disease of lungs or throat, and the germs rapidly spread by touching the hand that has handled the handkerchief of one afflicted with a cold, catarrh or consumption. The breath one inhales from the lungs of another may contain germs of disease." You will not only be able to resist the germs of consumption, but many thousands of cases have been known in persons who were suffering from incipient phthisis, or the early stages of consumption were absolutely cured by Dr. Pierce's Golden Medical Discovery. It maintains a person's nutrition by enabling him to eat, retain, digest and assimilate food. It overcomes the gastric irritability and symptoms of indigestion, and thus the person is saved from those symptoms of fever, night-sweats, headache, etc., which are so common.

An alternative extract like Dr. Pierce's Golden Medical Discovery, made of roots and herbs, without the use of alcohol, will assist the stomach in assimilating or taking up from the food such elements as are required for life, will assist the liver in throwing off the poisons in the system. Do not permit some designing druggist to insult your intelligence by offering you a remedy which he claims is "just as good" because he made it up himself, or ten chances to one you will get a medicine made up largely of alcohol, which will only weaken the system.

Dr. Pierce's Golden Medical Discovery is heartily recommended by every person who has ever used it and it has stood the test of thirty-eight years of approval from people all over the United States.

FREE. Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 3 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.
