WHAT WOMEN WANT TO KNOW. Moles on the Face.—I have moles on my face and neck. Is there any way I can remove them?—T. M. B. The surest and safest way to remove moles from the face and neck is by electricity and the process has been so perfected that it is entirely painless and there is seldom even the slightest scar after the operation.

Egg Shampoo.—I have been told that the use of an egg in a shampoo is responsible for the darkening of my hair which used to be quite golden. Could this be true?—Anxious. Blonde women who wish to preserve the light tints of their hair must forego the refreshing egg shampoo. The raw egg wash is undoubtedly one of the best hair tonics, and the brunette type can indulge in it with impunity, but the sulphur in the egg renders it dangerous to golden locks. The change is slow but noticeable in time.

Questions for Tomorrow. Cucumber Lotion.—Could you please print again the receipt for cucumber lotion which was in The Journal some time ago?—Mrs. E. B. S.

DYSPEPSIA

The one human ailment that causes more misery than all others combined is dyspepsia. A large percentage of suicides can be traced directly to chronic stomach troubles. Don't let that slight attack of indigestion become chronic. If you would be well and happy with the appetite of a country boy and the digestive abilities of an ostrich look well to the aid you give your stomach. You cannot expect to overwork your stomach with heavy meals and not suffer from indigestion. Don't overwork your stomach, aid it in digesting your food by taking, say, two of Myers' Peppery Tablets after each meal. You will soon find yourself with a good, sharp appetite and the ability to digest anything you eat. Myers' Peppery Tablets are absolutely harmless, and you need have no fear in taking any number of them. Remember that Peppery will act perfectly in an acid, alkaline or median condition of the stomach, while ordinary "Dyspepsia Cures" depend upon animal peptin for the digestive principle, and animal peptin will act only in an acid stomach. You should find these tablets at all up-to-date druggists, but should your druggist not have them, we will send a box to your address on receipt of 50c. The Myers Remedy Co., 57 Court Block, Detroit, Mich.

DON'T HESITATE

The longer you put off obtaining a bottle of Hostetter's Stomach Bitters when your stomach is so weak that you cannot enjoy your meals and the bowels are very constipated, the harder it is going to be to effect a cure.

Hostetter's Stomach Bitters

should be taken at the very first symptom. It will save you a lot of unnecessary suffering because it always cures such ailments as Nausea, Poor Appetite, Dizziness, Indigestion, Sick Headache, Constipation, Biliousness, Dyspepsia and Malarial Fever. Be sure to try a bottle at once.
