SCHOOLBOARD BARS MEMBERS FROM TAKING CONTRACTS.

New Bylaw Enacted to Put That Body Definitely on Record—Associated Charities Urges That a Penny Savings System Be Introduced in the Schools of the City.

Members of the board of education must have no business dealings with any branch of the public school system, in accordance with a bylaw passed at the board's meeting yesterday afternoon. The bylaws, which were passed unanimously and without debate, is worded as follows:

No member of the board shall be or become interested individually, either directly or indirectly, in any contract or purchase of the board of education. A committee from the Associated Charities appeared before the board to present a penny savings system now in effect in the public schools of St. Paul, and to urge its adoption in this city. The plan is to have the teachers act as bankers for the children, issuing to them stamps, representing the amount of their deposits. The system is reported to be a success in St. Paul, where the total deposits in twenty schools aggregate \$60,000. The adoption of a similar system is urged by E. D. Solenberger, Dr. M. D. Shutter, C. E. Faulkner, W. F. Decker, H. L. Moore, C. C. Eifelt and others.

Instructions were given to open a school at Minnehaha avenue and Thirty-eighth street, provided a suitable building could be obtained. A kindergarten was ordered opened in the Franklin school. The question of securing the new mission chapel in Glenair addition as an annex to the Tuttle school was referred to the building committee. A request from W. T. Harris, United States commissioner of education, for a portion of the Minneapolis school exhibit, for the permanent educational exposition at Washington, was also referred to a committee.

The following changes in the teaching staff were authorized:

Resignations—Beth Taylor, Madison; Marjorie McDougall Seward; Mary M. Phillips, Central High; Mabel H. Lucas, Calhoun; Lulu T. Holmes, Calhoun; Florence E. Emery, Hamilton; Della Johnson, Franklin; Jennie M. Funk, Blaine; M. Marie Winkler, Hamilton; Mary, Helen, Marie, Clara, and Edna, Lincoln. Transfers—Bertha A. Brooks, McKinley to Clinton; Herma Shaffer, Hawthorn to Jefferson; Mrs. M. D. Shutter, Franklin to Edna M. Rogers, Monroe to Adams; Rosalind Winn, Van Cleve to Washington. Dismissals—Bertha Corrie, Sidney Pratt; Lullian Cherry, McKinley; Mary M. Wooley, Sheridan. Appointments—Florence E. Emery, kindergarten; Gertrude Adams, assistant Monroe kindergarten; Mrs. C. E. Jefferson; Clara E. Whitlam, Hamilton; Gertrude Adams, Lincoln; Martha H. Swan, City; Cora Maybury, Van Cleve; H. V. Holland.

Director-elect Fred B. Chute was an interested spectator at the meeting.

PENNY PROVIDENT FUND SYSTEM IS SEEKING A FOOTHOLD IN PUBLIC SCHOOLS OF MINNEAPOLIS.

The Penny Provident fund, such as it is now sought to introduce into Minneapolis schools, has become a very helpful and useful institution, especially in the east, where there are savings plans in nearly all the cities. The last report of the city of New York showed that there were over 300 stations with 79,010 depositors and net deposits of \$4,909,597, thus proving the success of the scheme. In Somerville, a small town in Massachusetts, the success of the plan has been so great that twenty young women are employed as collectors. The success of the growth of the scheme has been rapid. Philanthropists have usually started the work in each city.

Minneapolis the fund was established last fall thru the agency of the Associated Charities, and there are already over 800 depositors. The depositor can go to any of the stamp stations, receive a stampbook and deposit any amount of money from 1 cent up to \$10. For each deposit he receives a stamp indicating the amount deposited, and this he puts in the book and it is his certificate.

The committee in charge of the Minneapolis Penny Provident fund includes E. Decker, Henry L. Moore, Rev. M. D. Shutter, C. E. Faulkner, C. C. Eifelt and Edwin D. Solenberger. There have also been established throughout the country a system of school savings banks for the children. These have been under the supervision of the school boards, and have been established for nineteen years. This system is now in practice in 1,479 schools of 118 cities of twenty-four states in America, and the scholars of those schools have saved \$1,400,611.

It is a modification of the school savings plan which is now proposed for Minneapolis. It will be so shaped as to give all the young people in the city a chance to save small sums of money, including those who have to leave school for a time and seek employment. It is also proposed to include the parochial schools and private institutions.

ATTACKS A. F. OF L.

Chicagoan Tells Railway Employees It is an "Insane Institution."

Before an open meeting of the United Brotherhood of Railway Employees, George Estes of Chicago, the president of the association, declared that the American Federation of Labor is an "insane institution."

"Sometimes it occurs to me," said Mr. Estes, "that it is the product of a devilish cunning; the cunning of capitalists to lull the workman to sleep in the delusion that he has got a union, when, as a matter of fact, he has got nothing at all."

The United Brotherhood of Railway Employees is a branch of the American Labor union, and not of the federation of labor. The work of organization in the twin cities has been secret as the opposition of the older organization was not wished. There are now three organizations in Minneapolis, one in the South St. Paul, and one in St. Paul.

SAYS WARS ARE COMING

W. G. Calderwood Tells Students About Coming Battle Against Drink.

W. G. Calderwood addressed the students of Augsburg seminary in the ordinary chapel on temperance questions last evening. He declared that the rumors of future wars can be heard in the land, and that when the upheaval comes the prohibitionists will be found on top. "Even the Declaration of Independence," he said, "is a piece of paper, and the liquor traffic destroys this right. There are many times more people go to their death thru drunkenness every year than perished in the battle of Gettysburg."
