COLORS GLASH AT SCHOOL

GREENINGS AND YELLOW KIDS COMPETE AT BURLESQUE FIELD DAY MEET.

Tomorrow evening the senior class of the East high school will give a mock field day in the assemblyroom of the high school, and there is a great deal of anticipation as to the entertainment. It is to be a burlesque on the regular field-day observations and a large attendance is expected. The money will be used to start a fund for the class memorial of '05.

The program calls for great expectations, and at the close a prize will be given for the best team. This prize is a burlesque prize and great secrecy is observed as to its character. Two teams will be in the field to compete—one is the green team and the other is the yellow team. Up to the present time the green team has the odds in its favor, and it is the general opinion that the greenings will carry off the prize. The yellow kids are not saying very much, but are preparing to spring a surprise on the audience, and are determined to have the prize for themselves. Raymond Chamberlain is the captain of the green team and the members are Miss Edith Knowlton, Miss Emily Hyde, Miss Lulu McCabe, Lorenz Fleming, Nathaniel Frykman and Mr. Chamberlain. They will wear their colors in broad streamers and bows.
